She's taking rigorous survival courses, practicing politics, and spearheading relief missions to worlds under Imperial control. But Leia has worries beyond her claim to the crown. Her parents, Brea and Bail, aren't acting like themselves lately; they are distant and preoccupied, seemingly more concerned with throwing dinner parties for their allies in the Senate than they are with their own daughter. Determined to uncover her parents' secrets, Leia starts down an increasingly dangerous path that puts her right under the watchful eye of the Empire. And when Leia discovers what her parents and their allies are planning behind closed doors, she finds herself facing what seems like an impossible choice: dedicate herself to the people of Alderaan (including the man she loves) or to the galaxy at large, which is in desperate need of a rebel hero...

The Murder of Mr. Wickham Claudia Gray,2024-06-04 From New York Times bestselling author Claudia Gray—a summer house party turns into a thrilling whodunit when Mr. Wickham, one of literature's most notorious rakes, finally gets what's coming to him in this brilliantly imagined murder mystery featuring Jane Austen's leading literary couples. After many years of happy marriage, Emma Knightley and her husband are throwing a house party, bringing together distant relatives and new acquaintances—not all of whom are well known to the Knightleys but are certainly beloved by every Jane Austen fan: Elizabeth and Fitzwilliam Darcy, Marianne and Colonel Brandon, Anne and Captain Wentworth, and Fanny and Edmund Bertram. Very much not invited is Mr. Wickham, whose latest financial scheme has netted him newfound wealth—and a broadening array of enemies. With his unexpected arrival, tempers flare and secrets are revealed, making it clear that everyone would be happier if Mr. Wickham got his comeuppance. Yet the Knightleys and their guests are all shocked when Wickham turns up murdered—except, of course, for the killer hidden in their midst. With everyone a suspect, it falls to the house party's two youngest guests to solve the mystery of who finally delivered to Wickham his just deserts: Juliet Tilney, the smart and resourceful daughter of Catherine and Henry Tilney, eager for adventure outside Northanger Abbey; and Jonathan Darcy, Elizabeth and Darcy's eldest son, whose adherence to propriety makes his father seem relaxed. In a tantalizing fusion of Austen and Christie, the unlikely pair must put aside their own poor first impressions—and uncover the guilty party before an innocent person is sentenced to hang.

Star Wars: The Fallen Star (The High Republic) Claudia Gray,2022-01-04 In this gripping sequel to Star Wars: The Rising Storm, the light of the Jedi faces its darkest hour. Time and again, the vicious raiders known as the Nihil have sought to bring the golden age of the High Republic to a fiery end. Time and again, the High Republic has emerged battered and weary, but victorious thanks to its Jedi protectors—and there is no monument to their cause grander than the Starlight Beacon. Hanging like a jewel in the Outer Rim, the Beacon embodies the High Republic at the apex of its aspirations: a hub of culture and knowledge, a bright torch against the darkness of the unknown, and an extended hand of welcome to the furthest reaches of the galaxy. As survivors and refugees flee the Nihil's attacks, the Beacon and its crew stand ready to shelter and heal. The

grateful Knights and Padawans of the Jedi Order stationed there finally have a chance to recover-from the pain of their injuries and the grief of their losses. But the storm they thought had passed still rages; they are simply caught in its eye. Marchion Ro, the true mastermind of the Nihil, is preparing his most daring attack yet-one designed to snuff out the light of the Jedi.

The Immortal Prince Jennifer Fallon,2009-06-02 When a routine hanging goes wrong and a murderer somehow survives the noose, the man announces he is an immortal. And not just any immortal, but Cayal, the Immortal Prince, hero of legend, thought to be only a fictional character. To most he is a figure out of the Tide Lord Tarot, the only record left on Amyrantha of the mythical beings whom fable tells created the race of half-human, half-animal Crasii, a race of slaves. Arkady Desean is an expert on the legends of the Tide Lords so at the request of the King's Spymaster, she is sent to interrogate this would-be immortal, hoping to prove he is a spy, or at the very least, a madman. Though she is set the task of proving Cayal a liar, Arkady finds herself believing him, against her own good sense. And as she begins to truly believe in the Tide Lords, her own web of lies begins to unravel... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Before We Were Strangers Renée Carlino,2015-08-18 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

Bloodline (Star Wars) Claudia Gray,2017-01-31 NEW YORK TIMES BESTSELLER • From the author of Star Wars: Lost Stars comes a thrilling novel set in the years before the events of Star Wars: The Force Awakens. “Unmissable . . . Bloodline’s tense politics, vivid new characters, and perfectly characterized Leia make it feel as central to the Star Wars universe as one

of the films.”—Tordotcom WITNESS THE BIRTH OF THE RESISTANCE When the Rebellion defeated the Empire in the skies above Endor, Leia Organa believed it was the beginning to a lasting peace. But after decades of vicious infighting and partisan gridlock in the New Republic Senate, that hope seems like a distant memory. Now a respected senator, Leia must grapple with the dangers that threaten to cripple the fledgling democracy—from both within and without. Underworld kingpins, treacherous politicians, and Imperial loyalists are sowing chaos in the galaxy. Desperate to take action, senators are calling for the election of a First Senator. It is their hope that this influential post will bring strong leadership to a divided galaxy. As the daughter of Darth Vader, Leia faces with distrust the prospect of any one person holding such a powerful position—even when supporters suggest Leia herself for the job. But a new enemy may make this path Leia’s only option. For at the edges of the galaxy, a mysterious threat is growing. . . . Praise for Bloodline “[Claudia] Gray paints a much more complete galaxy than we often get to see on the big screen. . . . Knowing that Rian Johnson (writer, director of Star Wars: Episode VIII) had some creative input on the novel provides hope that we haven’t seen the last of all of these wonderful characters. . . . Star Wars: Bloodline isn’t just a great Star Wars book, or a great Leia book, or a great book; it’s a great introduction into the larger world of Star Wars in general.”—ComicBookdotcom “Bloodline is a nonstop page-turner that grabs at heartstrings that you weren’t aware of and yanks down on every one of them. The story is loaded with context for The Force Awakens that plants the seeds for The First Order in perfectly haunting ways, and leaves the reader grasping for more details on newly discovered favorite characters.”—Inverse
