The Secrets of My Life Caitlyn Jenner,2017-04-25 In this remarkable memoir former Olympian and Kardashian family member Caitlyn Jenner reveals shocking and heartbreaking stories from her journey to become a transgender woman and fight for the LGBTQ+ community. Imagine denying your core and soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete. Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger, that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *THE SECRETS OF MY LIFE*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities, and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and, subsequently, the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her decision to become Caitlyn, and how she, her family, the transgender community, and the rest of the world has since embraced her new life. Filled with incredibly personal and moving stories of struggle and victory, of anxiety and fear, and, finally, of surrender and acceptance, *THE SECRETS OF MY LIFE* reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself.

Cupcakes, Pinterest, and Ladyporn Elana Levine,2015-09-30 Media expansion into the digital realm and the continuing segregation of users into niches has led to a proliferation of cultural products targeted to and consumed by women. Though often dismissed as frivolous or excessively emotional, feminized culture in reality offers compelling insights into the American experience of the early twenty-first century. Elana Levine brings together writings from feminist critics that chart the current terrain of feminized pop cultural production. Analyzing everything from *Fifty Shades of Grey* to Pinterest to pregnancy apps, contributors examine the economic, technological, representational, and experiential dimensions of products and phenomena that speak to, and about, the feminine. As these essays show, the imperative of productivity currently permeating feminized pop culture has created a generation of texts that speak as much to women's roles as public and private workers as to an impulse for fantasy or escape. Incisive and compelling, *Cupcakes, Pinterest, and Ladyporn* sheds new light on contemporary women's engagement with an array of media forms in the context of postfeminist culture and neoliberalism.

Keeping Up the Kardashian Brand Amanda Scheiner McClain,2013-10-29 The Kardashian family is a contemporary

cultural touchstone, recognizable throughout the world connoting warrantless celebrity, voluptuous beauty, and social media savviness. Amanda Scheiner McClain explores the Kardashians' brand and celebrity via narrative discourse analyses of their hit reality television series, *Keeping Up with the Kardashians*, social media utilization, and popular press coverage. This triangulated study allows insight into contemporaneous American culture: societal norms, values, and ideologies, as well as structural and cultural aspects of cross-platform brand creation. The television series examination finds intrinsic paradoxes of sexuality/conservatism, family/business, beauty/unhappiness, narcissism/celebrity, intimate/transgressiveness, and traditional/nontraditional gender roles, as well as materialism and public vs. private spheres themes. In addition, a study of the Kardashian blogs and Twitter use finds that their careful participation amplifies celebrity and unifies the overall brand into a single, sellable image across media. Through interactive media and just being themselves, the Kardashians renovate banal status updates and hackneyed reality television into character-constructing building blocks of brand, celebrity, and profits.

In the Kitchen with Kris Kris Jenner, 2014-10-21 The executive producer of *Keeping Up with the Kardashians* combines personal favorite recipes with hosting tips that can be adapted to any budget. 75,000 first printing.

The Drunk Diet Lüc Carl, 2012-03-13 With his trademark Rock 'N Roll hair and snakeskin spandex pants, plus a hot rod and a Harley, Lüc Carl fit the part as a bar manager based in New York City's gritty Lower East Side. And life was good for this Omaha, Nebraska, transplant—a talented drummer who originally moved to the big city to pursue his Rock 'N Roll dreams—until, suddenly, it wasn't. Fast forward through seven years of working long hours, bingeing on late-night Chinese food, and drinking excessively; life had found Lüc forty pounds overweight and completely out of shape. But when he turned to the experts for advice—reading countless fitness and weight-loss books in the process—he discovered that they all made the same claim: You can't drink alcohol if you want to lose weight. Lüc decided to take matters into his own hands to transform his body and his life his way—a sort of f*ck you to all those so-called experts. Full of charismatic wit and raucous stories about his life, *The Drunk Diet* will inspire and challenge you to become fitter, healthier, and happier. Lüc's fitness philosophy isn't about following a list of rigid rules or traditional do this, not that charts, but gaining a better understanding of how the body works and discovering what you're personally willing to change about your lifestyle in order to reach your goals. For him, that meant trading in the crap he was eating for unprocessed, natural foods and embracing a newfound love for exercise, but never sacrificing his social life (or his love for cold beer). This is the story of how one chain-smoking, cheeseburger-eating, hard-partying Rock 'N Roller—a self-proclaimed out-of-shape, bloated asshole—grew into an avid runner and cyclist and, ultimately, a happier version of himself. He will be the first to tell you: If he could do it, so can you.
