The QB Bad Boy and Me eBook Bundle Tay Marley,2025-01-14 Includes the novel that inspired the Tubi movie starring Noah Beck and Siena Agudong! This ebook bundle brings together both of the QB Bad Boy and Me novels from Tay Marley! The QB Bad Boy and Me Reluctant cheerleader Dallas Bryan has a problem on her hands—and his name is Drayton Lahey. Ever since the hot star quarterback of the high school football team hit her car with his motorcycle, he has the annoying ability to get under her skin, making Dallas think about Drayton way more than she should . . . in all the ways that she shouldn't. But Dallas has one goal—to pursue her dance-school dreams in California—and no one, not even a hard-bodied, green-eyed football god, will stop her. As the tension between Drayton and Dallas grows thicker, the lines blur, and all she wants is to come undone under his touch. But this thing between Dallas and Drayton could cost her her dreams . . . if he doesn't break her heart first. The Summer of '98 Before Drayton and Dallas, there was Ellie and Leroy . . . Sometimes home isn't a place, it's a person. From the moment their eyes met, Ellie knew he would be her destiny. Handsome and ripped, there's just something about Leroy Lahey, Baylor University's soon-to-be star quarterback, that makes him impossible to resist. Consumed by a passion neither one of them can quite understand, Leroy and Ellie spend the summer together. Left senseless and overwhelmed by his touch, Ellie experiences a world of desire she could never have imagined. Safe in Leroy's arms, Ellie begins to see a life beyond high school: going to college, starting her own business, having a family. But when life-altering news shakes them to their cores, Leroy and Ellie must discover if their passion is enough to help them get through what might possibly be the greatest challenge of their lives.

Bad Boy Walter Dean Myers,2009-10-06 A classic memoir that's gripping, funny, and ultimately unforgettable from the bestselling former National Ambassador of Books for Young People. A strong choice for summer reading—an engaging and powerful autobiographical exploration of growing up a so-called bad boy in Harlem in the 1940s. As a boy, Myers was quick-tempered and physically strong, always ready for a fight. He also read voraciously—he would check out books from the library and carry them home, hidden in brown paper bags in order to avoid other boys' teasing. He aspired to be a writer (and he eventually succeeded). But as his hope for a successful future diminished, the values he had been taught at home, in school, and in his community seemed worthless, and he turned to the streets and to his books for comfort. Don't miss this memoir by New York Times bestselling author Walter Dean Myers, one of the most important voices of our time.

Beauty and Her Bad Boys Virna DePaul,2018-12-10 When fantasy becomes reality X 3... I'd been doing just fine as a New York food and wine critic, content with books, baking, and my boyfriend. But “content” wasn't what I was after. Passion and excitement were more like it, but now that I'd gotten royally dumped and unceremoniously fired, “sucked” was the best word to describe my life. So I moved. To Northern California. To claim my inheritance from my great-aunt: a run-down house in a small town that had yet to recognize the arrival of the twenty-first century. The house was a wreck and there was no money for repairs. But then the Fix-It Guys arrived, three sexy as sin alpha males who offered their services to fix up the house...and teach me a thing or two about hammering, nailing, and drilling. Suddenly I had all the passion and excitement I could handle. Taylor, Dom, and Logan were all about giving me what I wanted, and I was more than happy to cater to their needs as well. But falling in love with three men? That never happens, at least not with a happily ever after, right? Wrong. Grab hold—Kayla's path to love with three hot men will take you on a wild ride.
