

Suburbanistas

Nancy Caronia,Edvige Giunta

Suburbanistas Pamela Redmond,2006-03-07 From the acclaimed author of *Younger* and *Babes in Captivity*, a funny and moving novel about friendship, fame, and the fight for one suburb's future! Greetings from New Jersey Stella Powers is an A-list movie star who has just landed an Oscar-worthy role and a hot new rock-star husband when her mother's death brings her world tumbling down. Floundering as her life becomes one tabloid horror after another, Stella finds herself stuck in the New Jersey suburb she fled twenty years ago. But Homewood is no longer the sleepy town she remembers: housing prices are skyrocketing and glitzy new stores -- and people -- are moving in. To Stella and her young daughter, this is good news. Wish you weren't here. The bad news: Stella's childhood best friend, Mary Jean, who married Stella's old boyfriend and raised four kids in Homewood, can no longer afford to live there. Mary Jean is determined to wrest back the town but needs Stella on her side. The stakes for both women are high, but how can these old friends reconnect after so much time has passed? Or more importantly, how can they not?

Suburbanistas Pamela Redmond,2006

Older Pamela Redmond Satran,2020-09-08 'I loved every bit of this novel, and finished it with a giant smile on my face' - Jodi Picoult, New York Times bestselling author of *The Book of Two Ways*. Liza never dreamed that anyone would be interested in her life, let alone buy a book about it. But when she publishes a thinly veiled novel about a woman posing as a millennial, called *Younger*, not only is the book a hit, but her old friend Kelsey wants to turn into a TV show. Flying off to Los Angeles to help write the pilot, Liza leaves behind her on-again off-again boyfriend Josh, her pregnant daughter, and her best friend Maggie. But as Liza is swept up in the heady world of Hollywood, she finds herself thinking less and less of her life back home in New York. And when she meets Hugo Fielding - the devastatingly handsome and incredibly flirtatious Brit playing her boss on the show - she toes the line between having a crush and falling in love. Torn between New York and Los Angeles, a familiar love and a risky one, an established career and a shot at stardom, Liza must decide if it's too late to go to the ball . . . and if she even wants to. The hotly anticipated sequel to the beloved *Younger* - now a hit TV series from the creator of *Sex and the City*, Darren Star, starring Sutton Foster and Hilary Duff.

The Possibility of You Pamela Redmond,Pamela Redmond Satran,2012-02-21 Intertwines the stories of three women of 20th-century New York City, and the ways in which their choices can affect loved ones for years to come.

Princípio do Infinito Luiz Antonio Simas, Diogo Cunha, 2020-08-12 Quando o relâmpago vira rio Luiz Carlos da Vila é, verbo ser no tempo presente que nunca vira passado, um dos nossos maiores artistas, um criador atemporal. Eu o conheci numa reunião noturna. Estávamos no adequado fundo de um enorme quintal. O motivo do encontro era a mazela eterna de nossos direitos autorais. Lá pelas tantas, muita bebida rolando, duas grandes figuras do samba se estranharam e a coisa caminhou pra sair porrada. Foi quando Luiz Carlos da vila se agigantou, falou sobre o samba, lembrou porque estávamos ali e, quando todos dançávamos conforme a música de suas palavras, soltou uma sonora gargalhada. Senti no corpo e na alma a força daquele sambista insuperável, que havia magnetizado com sua incrível inteligência todos nós, impedindo uma briga que deixaria triste cicatriz na história do samba. Ficamos amigos nessa noite. Sempre nos encontrávamos para conversas intermináveis na casa do Moacyr Luz, e daí veio a profunda ligação entre nós, continuada na parceria. O livro de Luiz Antonio Simas e Diogo Cunha nos ajuda com a saudade e nos restitui a esperança no valor do canto afrobrasileiro em época de latidos. Posso ouvir nas palavras dos autores os tons suaves embebidos em mel e curare, o relâmpago se transformando em rio, a lágrima e a lama, o chão batido por pés descalços virando cachoeira, o sofrimento altivo do homem que escolhe ver estrelas no fundo do poço – e reconhecemos a verdade mais profunda: o Universo é menor que a lata de bolinhas de gude iluminada por um fósforo aceso, como as pedrinhas miudinhas de Simas e Diogo. É por tanta vida que herdamos do Luiz Carlos da Vila que eu canto, mais uma vez, o ponto – ponto de macumba, sim, inquisidores cristãos – que fiz para ele: (...) Ele sobe de barco os degraus da Penha. O que tem dentro do seu chocalho não tá lá e é por isso que ele toca mais firme. Ele enxerga com as mãos e sente com os olhos. Ele ri assim porque é Mais-Moço. Ele sofre assim porque é Mais-Velho. Aldir Blanc

Rattled Debra Galant, 2007-04-03 Set in the fictional subdivision of Galapagoes Estates, Rattled is a very funny look at what happens when soccer moms, animal rights activists, dishonest real estate developers and, of course, rattlesnakes get together and fight for ascendancy in the rapidly developing New Jersey suburbs. Heather Peters is anxious to move to the newly minted development. All she wants there is a nice house. Well, a nice house and a nice piece of land. And of course a basement gym, a master bath with radiant heat, Jacuzzi and his-and-her toilets. She could make do without a media room if she had to. After all, the pioneers hadn't had plasma TV, and they'd survived. Heather is not your average suburban housewife—or maybe she is. Her fortuitous meeting with a endangered species of rattlesnake sets this first novel in motion. You may find yourself feeling sorry for the snake.

The Imperfect Mom Therese J. Borchard, 2007-12-18 The supermom is a suburban legend. At some point, we've all forgotten to pack a lunch, yelled at our kids, or been late to soccer practice. This book is for every mom who has ever gotten angry at being interrupted from a consecutive five hours of sleep, or who has ever hid in the bathroom just to get a few moments of peace. In this collection of thirty-six original essays, award-winning novelists, famous columnists, and bestselling

authors tell it like it is, covering a plethora of confessions to reassure any mother. Gail Belsky writes about the emotional torture that led to the secret circumcision of her son. Andrea Buchanan talks about the pile of dirty laundry that saved her son's life. Muffy Mead-Ferro confesses to her slacker summer, three months without one organized activity. Judith Newman recounts the game of Torpedo that landed her and her twins in the emergency room. Jacquelyn Mitchard shares how she was expelled from the carpool for showing up late one too many times. Together, their stories provide an entertaining, affirming, and sometimes surprising look at the perils and pleasures of motherhood. Poignant and amusing, *The Imperfect Mom* is a refreshing look at mistakes we all make in mothering and a consoling and hilarious testimony to parents who don't have it all figured it out.

The Home for Wayward Supermodels Pamela Redmond, 2007-08-17 America's thirst for all things model related will be quenched with this juicy novel about a young Wisconsin girl who is discovered during a graduation trip to New York City, by the author of the hit novel-turned TV show *Younger*. *The Reasons Amanda's Graduation Trip to New York City is About to Change Her Life Forever*: 1. Back home in Eagle River, Wisconsin, you don't see many Hideously Ugly Hooker Shoes. 2. Here in Manhattan, you might just be walking down the street and get offered a top modeling contract -- on your very first day! 3. Her girlfriend Desi knows all the hippest vintage clothing stores -- and where to buy a Marc Jacobs knock-off bag for \$20. 4. Cannoli, cappuccino, tapas, knishes, gnocchi, chimichangas, samosas, and several hundred other unpronounceable but thoroughly delicious foods you can only eat when you're six feet tall. 5. Her sweetheart of a boyfriend, Tom, secretly promises they'll get married as soon as she comes home -- but she's suddenly not sure when that will be. 6. She discovers that her mom (who owns Patty's House O' Pies in Eagle River) knows how to speak French -- and isn't saying where she learned how. 7. She finds out that the man she thought was her dad isn't her dad.... With the skewering eye and sharp humor of *The Devil Wears Prada*, Pamela Satran's wonderful Midwest-girl-in-the-Big-City novel is a delightful fairy-tale tour of Manhattan's modeling world -- and a poignant adventure of self-discovery.

Always Too Soon Allison Gilbert, 2010-02-24 While the death of a parent is always painful, losing both is life-altering. When author Allison Gilbert lost both parents at age 32, she could not find any books that spoke to her with the same level of compassion and reassurance that she found in the support group she belonged to, so she decided to write one of her own. The result is a sensitive and candid portrayal of loss that brings together experiences from famous and ordinary grief-stricken sons and daughters that explores the regrets, heartache and sometimes, relief, that accompanies pain and healing. *Always Too Soon* provides a range of intimate conversations with those, famous and not, who have lost both parents, providing readers with a source of comfort and inspiration as they learn to negotiate their new place in the world. Contributors include Hope Edelman, Geraldine Ferraro, Dennis Franz, Barbara Ehrenreich, Yogi Berra, Rosanne Cash, and Ice-T, as well as those who lost parents to the Oklahoma City bombing, the World Trade Center bombings, drunk driving, and

more.

Real Women Eat Beef Tracy McArdle, 2007-01-09 New and improved -- now with added goats! Welcome to advertising executive Jill Campbell's life, version 2.0. Gone are the cheating ex-husband and the chaos of New York. Brand-new features include a prestigious job at a Boston ad agency, a stronger father-daughter relationship, and a gorgeous old farmhouse. It's bliss -- until a snazzy car account evaporates, leaving her branding...beef. Un-snazzy, un-sexy beef -- which she hasn't eaten in twenty years. Talk about false advertising. Owning a two-hundred-year-old house in a one-store hamlet is not the nirvana Jill imagined, even with the addition of a dog, two needy goats, and unexpected encounters with the town's most eligible -- and probably only -- bachelor. Peace of mind sold separately. Wondering how she sold herself on this new existence, Jill forms an unlikely bond with Sarah Watson, a feisty twelve-year-old with an aversion to training bras, makeup, and all the trappings that supposedly make sixth grade worthwhile. While Sarah teaches Jill the basics of home maintenance and animal husbandry, Jill helps Sarah deal with impending womanhood. And as men start to complicate matters, every idea Jill ever had about love and advertising gets turned on its head. Suddenly, her life looks nothing like the picture on the box, but it could turn out to be exactly what she didn't know she needed.

Personal Effects Nancy Caronia, Edvige Giunta, 2014-10-15 Celebrating one of the most important Italian American female authors of our time, *Personal Effects* offers a lucid view of Louise DeSalvo as a writer who has produced a vast and provocative body of memoir writing, a scholar who has enriched our understanding of Virginia Woolf, and a teacher who has transformed countless lives. More than an anthology, *Personal Effects* represents an author case study and an example for modern Italian American interdisciplinary scholarship. *Personal Effects* examines DeSalvo's memoirs as works that push the boundaries of the most controversial genre of the past few decades. In these works, the author fearlessly explores issues such as immigration, domesticity, war, adultery, illness, mental health, sexuality, the environment, and trauma through the lens of gender, ethnic, and working-class identity. Alongside her groundbreaking scholarship, DeSalvo's memoirs attest to the power and influence of this feminist Italian American writer.

Rabid Pamela Redmond Satran, 2012-12-20 Dogs now dominate the \$55-billion-a-year pet business in the US. Dog products, dog services, dog admiration - okay, let's call it dog worship - has become totally over the top, with doggie treadmills, dog swimming pools, caffeine-free doggie coffee, doggie massage, dog perfume, aromatherapy, hair coloring, and yes, doggie tattoos that would have seemed outlandish a generation ago when applied to your everyday household Rover. But Rover isn't called Rover anymore, he's called Rufus. Or Lola, according to the Tumblr Hipster Puppies. In fact, all Top Ten Dog Names are people names. And the canine Rufus doesn't stay home alone all day; he goes to Doggie Daycare. Eats brightly-frosted martini-shaped doggie treats. Wears designer tutus. Gets married on the beach. Has... Well, you'll see. With hilarious full-color photos throughout, *Rabid* holds a humorous mirror up to our dog-centered society, helping us laugh at our

own behavior and at the even-more-insane antics of all those other dog people.

Super Mom Saves the World Melanie Lynne Hauser, 2007-03-06 “Forget the laundry, forget the dishes, escape into the world of Super Mom for a few hours . . . You’ll be glad you did.”—Meg Cabot, author of *The Princess Diaries* and *Queen of Babble* Astro Park’s fearless maternal dynamo is back, battling evildoers—and her own panic, as her daughter learns how to drive and her son gears up for his first date. The action never stops for Birdie Lee, divorced mother of two who became a super-powered suburban avenger after a Horrible Swiffer Accident. Busily fundraising for a brand-new stadium where the kids can play ball, she’s also planning a wedding to her very own Super Man. But soon her Super Mom Sense warns her that something’s wrong with the new stadium. And when she investigates, a shadowy figure tries to toss Super Mom out of the game for good.

Still Thinking of You Adele Parks, 2006-11-28 *THE WHOLE TRUTH* . . . Rich has always been skeptical about falling in love. Natasha has always fully expected to. And when these two find each other, they win the entire True Love package -- tenderness and hot sex and open-eyed kisses. Long weekends in bed and talk of marriage and babies. The kind of love where there's no room for secrets. That, after all, is what Tash says will keep them going strong: total and complete honesty. . . . AND NOTHING BUT? Now Rich and Tash are engaged, and Rich's old school friends crash into their love cocoon with big plans for celebrating, along with spouses and significant others, on a trip to a stunning French ski resort. But a lot can happen in a week that's meant to capture the free-spirited fun they all shared a decade ago. And in the glare of a whiteout on the slopes, Tash crosses paths with the one secret Rich should have kept: his colorful, vivacious, needy ex-lover, Jayne. . . .

The Department of Lost & Found Allison Winn Scotch, 2009-10-13 From a New York Times bestseller, a “profound and moving” novel of a woman who receives a lifechanging diagnosis that rocks her love life and her career (Booklist). It didn’t start out as the worst day of Natalie Miller’s life. . . . As the top aide to New York’s powerful woman senator, Natalie’s moving rapidly up the political ladder. She works hard, stays late, and enjoys every bit of it. Then her neglected boyfriend announces he’s leaving. But that’s only the beginning. Her doctor gives her the worst news any woman can hear, and suddenly the life Natalie needs to change is her own. The time has come for her to overcome her strange obsession with *The Price Is Right* and take a tough look at the choices she’s made. She’ll start by tracking down the five loves of her life in order to assess what went wrong. And by revisiting her past, Natalie just might discover exciting new paths to unexplored places—and learn how to stop barreling through life long enough to really embrace it. “Allison Winn Scotch is the real deal and *The Department of Lost and Found* is one you absolutely won’t want to miss.” —Johanna Edwards, author of *The Next Big Thing* “Funny, touching, tender, true. . . . I loved it.” —Pamela Redmond Satran, New York Times bestselling author of *Younger* “Engrossing.” —Valerie Frankel, author of *Smart Vs. Pretty* “Allison Winn Scotch’s thoroughly engaging and optimistic debut novel simply sparkles!” — Claire Cook, New York Times bestselling author of *Life’s A Beach* “Smart and

well-written.” —Marie Claire “A light, fast and fun read on a serious topic.” —Philadelphia Inquirer

How Not to Act Old Pamela Redmond Satran, 2009-08-04 How to be cool when you're afraid you've forgotten how . . . Sure, you can try to stay younger by exercising, coloring your hair, and wearing stylish clothes—but how do you respond when someone asks, Do you Twitter? *How Not to Act Old* gives you simple ways to come back from over the hill and to act as young as you look. Covering everything from old-people entertainment (cancel that dinner party!) to old-people communication (it's called a voice mail, not a message, and no one leaves or listens to them anyway), Pamela Redmond Satran decodes the behaviors, viewpoints, and cultural touchstones that separate you from the hip young person you wish you still were. This irreverent guide is essential for anyone who doesn't want to embarrass their kids—or themselves.

Babes in Captivity Pamela Redmond, 2010-05-11 They've satisfied their biological clocks. They met six years ago in a mom's group. Deirdre, Juliette, Anne, and Lisa are each living *The Dream* in the suburbs outside of New York City: beautiful wedding, big house, picture perfect family. What more could a woman want? Plenty, though none of them has ever admitted it. Out loud, anyway. It all starts with Deirdre....When she learns that her ex-lover, musician Nick Ruby, has moved back East, she confides in her girlfriends that she regrets her lost singing career, and her lost love affair with Nick. And since there doesn't seem to be a what's next in her life, she's more than a little curious about what if...? So what's that ticking sound? Deirdre's confession -- and her plan to revive her dreams and make them reality -- has a startling ripple effect. It turns out none of the four is as happy as she seems: Anne fears her marriage is in jeopardy. Juliette desperately wants to have another baby but can't. And Lisa's facing decisions that her life -- literally -- depends on. The doors swing wide when these babes start breaking out...but at what price? There's no satisfaction guarantee for any one of them, but taking chances together sure beats going it alone.

The Possibility of You Pamela Redmond, 2012-02-21 New York Times bestselling author Pamela Redmond delivers a beautifully written novel about three generations of women in New York City and the experiences that shape and connect them to each other. *The Possibility of You* weaves together three interlocking stories involving three women dealing with issues of pregnancy and motherhood at key moments in history of the last century: On the brink of the First World War and the dawn of the modern age; as the liberalism of the '60s and '70s gave way to Reagan's 1980s; and during the autumn of Barack Obama's election. Contemporary heroine Cait, an African-American journalist raised by white adoptive parents, goes on a search for her birth mother inspired by her own unplanned pregnancy. Orphan Billie travels from her hippie upbringing in San Francisco to discover the upscale New York grandmother she never knew existed. And Irish nanny Bridget loses the boy she cares for and loves in the 1916 polio epidemic, only to try and replace him with a child of her own. Delving into the complex emotions that lie at the heart of unplanned pregnancy, motherhood, and the definition of family, this sweeping inter-generational saga illuminates the struggles of these very different women—and shows how the search for belonging is a

connection that remains universal.

Accidental It Girl Libby Street, 2006-10-10 What comes around... Photographer Sadie Price is known for her thick skin and infallible instincts. A lofty education has made her skilled in her craft, and a fear of poverty -- and love for Jimmy Choo -- has made her one of the East Coast's most savvy paparazzi. She keeps her exhilarating but sometimes hectic life manageable by staying on the right side of the razor-thin line between celebrity photographers and the stalkerazzi. But all that changes when Sadie locks horns with one of Hollywood's hottest bachelors. ...goes around. Something about Ethan Wyatt's charisma and startling good looks throws Sadie off her game. Something about Sadie's dogged determination -- and a very compromising picture she snaps -- throws Ethan off his. Hatching a scheme befitting the silver screen that made him famous, Ethan sets out to give Sadie a taste of her own medicine. And when her life almost instantly becomes as frenzied as those of the It Girls she follows, Sadie starts to see her career, her love life, and Ethan Wyatt in ways she never had before....

Keep Your Mouth Shut and Wear Beige Kathleen Gilles Seidel, 2009-05-01 Darcy van Aiken is doing very well, thank you. She's an ICU nurse with an 'amicable' divorce from ex-husband, Mike, two great kids, and a prescription for Ritalin. Then her older son, Jeremy, gets engaged to Cami Zander-Brown - daughter of a wealthy New York family - and her world turns upside down. The source of the trouble is not Cami's elegant and accomplished mother, Rose. Nor is it in the form of Guy, her charismatic and wildly successful literary agent father. Instead, lurking in the shadows of Mike's new life, is the beautifully dressed and highly manipulative Claudia. The Zander-Browns have money. Lots of money. The plans for their daughter's dream wedding grow more fabulous by the day, and Claudia is loving every minute of it. With her perfect taste, she can't help thinking she'd make a much better mother of the groom than Darcy. This wedding gives her the opportunity to entrench herself in Mike's life, and take credit for the two sons Darcy has raised. It's a battle for supremacy, and it takes all of Darcy's courage and determination to outwit the determined Claudia. What emerges is a wonderfully delicious, hilarious and touching read about family, friendship and human behaviour.

When people should go to the ebook stores, search establishment by shop, shelf by shelf, it is truly problematic. This is why we allow the book compilations in this website. It will certainly ease you to see guide **Suburbanistas** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you mean to download and install the Suburbanistas, it is no question easy then, in the past currently we extend the join to purchase and create bargains to download and install Suburbanistas appropriately simple!
