Please Tell Jessie, 2009-12-10 Written and illustrated by a girl who was sexually molested by a family member, this book reaches out to other children by carrying Jessie's message "It's o.k. to tell; help can come when you tell. Written and illustrated by a young girl who was sexually molested by a family member, this book reaches out to other children in a way that no adult can, Jessie's words carry the message, It's o.k. to tell; help can come when you tell. This book is an excellent tool for therapists, counselors, child protection workers, teachers, and parents dealing with children affected by sexual abuse. Jessie's story adds a sense of hope for what should be, and the knowledge that the child protection system can work for children. Simple, direct, and from the heart, Jessie gives children the permission and the courage to deal with sexual abuse. Please Tell! is a beautifully simple book with a profoundly important message for children who have been sexually abused: the abuse wasn't their fault. Written and illustrated by Jessie, herself a pre-teen survivor of sexual abuse, it tells kids just what to do to get the help they need. Kristin A. Kunzman, abuse therapist and author of The Healing Way: Adult Recovery from Childhood Sexual Abuse

The Lost Prince Michael Mewshaw, 2019-02-26 "In The Lost Prince Michael Mewshaw sets down one of the most gripping stories of friendship I've ever read." —Daniel Menaker, author of *My Mistake: A Memoir* Pat Conroy was America's poet laureate of family dysfunction. A larger-than-life character and the author of such classics as *The Prince of Tides* and *The Great Santini*, Conroy was remembered by everybody for his energy, his exuberance, and his self-lacerating humor. Michael

Mewshaw's *The Lost Prince* is an intimate memoir of his friendship with Pat Conroy, one that involves their families and those days in Rome when they were both young—when Conroy went from being a popular regional writer to an international bestseller. Family snapshots beautifully illustrate that time. Shortly before his forty-ninth birthday, Conroy telephoned Mewshaw to ask a terrible favor. With great reluctance, Mewshaw did as he was asked—and never saw Pat Conroy again. Although they never managed to reconcile their differences completely, Conroy later urged Mewshaw to write about “me and you and what happened . . . i know it would cause much pain to both of us. but here is what that story has that none of your others have.” *The Lost Prince* is Mewshaw's fulfillment of a promise.

Literary Legacies of the South African TRC Francesca Mussi, 2020-05-18 Since the 1970s, truth and reconciliation commissions have become increasingly popularised as options for addressing historical injustices, especially within the context of dictatorial regimes. Of the many truth commissions to date, the South African TRC has been the one that has captured public attention throughout the world, providing a model for subsequent truth commissions. The South African TRC has also constituted and still constitutes an intriguing source for writing. *Literary Legacies of the South African TRC* explores the capacities of fiction for providing the TRC and people's testimonies with a productive afterlife, for challenging definitions of trauma, truth and reconciliation, for inviting readers to keep the dialogue about the past open, and to think actively about the strategies adopted in addressing that past and their implications in the present. It explores these capabilities as evidenced in the work of a wide range of writers, some known to international Anglophone readers, including J.M. Coetzee and Nadine Gordimer, some less well-known, including Afrikaans-language novelist Marlene van Niekerk, and others from a new generation including Marli Roode, Kopano Matlwa, and Thando Mggolozana. The book aims to contribute to discourses of trauma, truth-telling, and reconciliation from a literary perspective, as well as placing emphasis on the profound interconnection between fiction, history, and trauma in conflict and post-conflict areas such as South Africa.

Dog Smart Jennifer S. Holland, 2024-05-21 This cutting-edge science narrative, chock-full of heartwarming case studies, is one woman's quest to learn the true meaning of dog intelligence. This delightful narrative takes readers on a powerful

search to unlock the secrets of dog cognition, based on evidence from trainers, owners, behaviorists, and the animals themselves. With in-depth reporting and more than a few personal adventures, bestselling author Jennifer S. Holland digs into what intelligence really means. Readers will meet a pack of genius dogs, each of whom embodies a particular kind of smarts. Holland spends time with Cat Warren, who trains cadaver dogs, to learn about nose intelligence.” To unpack emotional intelligence, she examines an unlikely dog friendship; to unpack task learning ability, she seeks out an agility trainer. She interviews police-dog trainers (volunteering to be attacked by one in the name of science), service-dog trainers, and trainers who rehabilitates bad dogs. And she gets to know breeds that are considered especially intelligent—border collies, cattle dogs, and German shepherds—to discover whether they are truly smarter, or just more in tune with humans. In between field experiences, Holland spends time with dogs in a variety of settings—a rescue center, a dog park, a boarding facility— while pondering the lessons they teach us about ourselves. And she’ll pose entrancing philosophical questions: How do we define intelligence in another being? Where do instinct and intelligence meet and diverge? Both surprising and heartwarming, this book is one woman’s quest to understand the world’s smartest dogs—and how they got that way.
