*The Persecution of the Jews and Muslims of Portugal* François Soyer,2007-10-31 In 1496-7, King Manuel I of Portugal forced the Jews of his kingdom to convert to Christianity and expelled all his Muslim subjects. Portugal was the first kingdom of the Iberian Peninsula to end definitively Christian-Jewish-Muslim coexistence, creating an exclusively Christian realm. Drawing upon narrative and documentary sources in Portuguese, Spanish and Hebrew, this book pieces together the developments that led to the events of 1496-7 and presents a detailed reconstruction of the persecution. It challenges widely held views concerning the impact of the arrival in Portugal of the Jews expelled from Castile in 1492, the diplomatic wrangling that led to the forced conversion of the Portuguese Jews in 1497 and the causes behind the expulsion of the Muslim minority.

Parents of Poor Children in England 1580-1800 Patricia M. Crawford,2010-02-18 The first sustained study of the mothers and fathers of poor children in early modern England, drawing upon a wide range of archival material, including quarter session records, petitions for assistance, applications for places in the London Foundling Hospital, and evidence from criminal trials in London's Old Bailey.

*Women Alone* Bridget Hill,2001-01-01 This book opens a window into the lives of British spinsters in the mid-seventeenth to mid-nineteenth centuries, assessing the opportunities open to them and the restrictions placed upon them within different social classes, occupations, and periods. Hill examines how often spinsters were able to earn enough money to live independently, She looks at the part single women played in religious organisations and the role of friendship and letter-

writing in their daily lives. She describes the nature of close relationships between women, some lesbian but many others not. Exploring the spinsters' possibilities of escape from restrictive lives, particularly by emigration or crossdressing, she discusses how successful these were. She provides details about the degree of surveillance single women suffered from the authorities and how often they were seen as a threat to social order. Finally she addresses the question of whether all spinsters of this era were suffering victims or potential viragoes, or neither.

*Equatoria* Richard Price, Sally Price, 2018-10-24 A postmodern romp through the rain forest, Equatoria is both travelogue and cultural critique. On the right-hand pages, the Prices chronicle their 1990 artifact-collecting expedition up the rivers of French Guiana, and on the left, stage an accompanying sideshow that enlists the help of Jonathan Swift, Joseph Conrad, Gabriel Garcia-Marquez, Alex Haley, James Clifford, Eric Hobsbawn, Germaine Greer, and even the noted anthropologist James Goodfellow. Charged with acquiring objects for a new museum, the Prices kept a log of their day-to-day adventures and misadventures, constantly confronting their ambivalence about the act of collecting, the very possibility of exhibiting cultures and the future of anthropology. Probing the nature of museums, collecting, and power relations between us and them, the Prices raise many troubling questions.

**On Friendship** Matteo Ricci, 2009-09-17 On Friendship, with its total of one hundred sayings, is the perfect gift for friends. Feng Yingjing, renowned scholar and civic official, 1601 Matteo Ricci (1552-1610) is best known as the Italian Jesuit missionary who brought Christianity to China. He also published a landmark text on friendship the first book to be written in Chinese by a European that instantly became a late Ming best seller. On Friendship distilled the best ideas on friendship from Renaissance Latin texts into one hundred pure and provocative Chinese maxims. Written in a masterful classical style, Ricci's sayings established his reputation as a great sage and the sentiments still ring true. Available for the first time in English, On Friendship matches a carefully edited Chinese text with a facing-page English translation and includes notes on sources and biographical, historical, and cultural information. Still admired in China for its sophistication and inspirational wisdom, On Friendship is a delightful cross-cultural work by a crucial and fascinating historical figure. It is also an excellent tool for learning Chinese, pairing a superb model of the classical language with an accessible and accurate translation.

**Medieval Heresy & the Inquisition** Arthur Stanley Turberville, 1920-01-01 The aim of this book is to provide, within a short space, and primarily for the general reader, an account of the heresies of the Middle Ages and of the attitude of the Church towards them. The book is, therefore, a brief essay in the history not only of dogma, but, inasmuch as it is concerned with the repression of heresy by means of the Inquisition, of judicature also. The ground covered is the terrain of H. C. Lea's

immense work, 'A History of the Inquisition of the Middle Ages'; but that was published more than thirty years ago, and since then much has been written, though not indeed much in English, on the mediæval Inquisition and cognate subjects. As the present work has been undertaken in the light of some of these more recent investigations, it is hoped that it may be of utility to rather closer students, as well as to the general reader, as a review of the subject suggested by the writings of Lea's successors, both partizans and critics. At the same time this book does not profess to be a history, even the briefest, of the mediæval Inquisition. Its main concern is with doctrine, and for that reason chapters on Averrhoism and on Wyclifitism and Husitism have been included, though they have little bearing on the Inquisition.
