Meetings with Death Botho Lejowa,2021-04-08 Meetings with Death is a story about a Southern African girl, Eana, with the unique ability to see Death. The story follows the evolution of her relationship with one of the oldest supernatural beings in existence. That relationship puts the spotlight on her in a power-hungry world of magic and forces her to fight for her life. She battles against an organisation of Shamans that has declared her family anathema. This organisation harbours the greatest wielder of dark magic, who is hell bent on capturing Eana for himself. She is forced into unlikely alliances and uncovers painful betrayals as she tries to make space in this new world for the creature that she is becoming. Her travels through the spiritual realm bring her face to face with beings that she believed only existed in myth and now she is forced to confront the idea that she might become one of them herself. The book follows the themes of spirituality, magic, taboo, rituals and the supernatural entities that are woven through African beliefs and twists them into a modern fantasy epic set in both the streets of our everyday lives and the realms of the ancestral and supernatural beings.

The Invitation Oriah Mountain Dreamer,2006-06 One night, after an unsatisfying evening at a party, the author sat down and wrote her heartfelt poem 'The Invitation'. Poems Hermann Hesse,2013-06-18 Few American readers seem to be aware that Hermann Hesse, author of the epic novels *Steppenwolf* and *Siddhartha*, among many others, also wrote poetry, the best of which the poet James Wright has translated and included in this book. This is a special volume—filled with short, direct poems about love, death, loneliness, the seasons—that is imbued with some of the imagery and feeling of Hesse's novels but that has a clarity and resonance all its own, a sense of longing for love and for home that is both deceptively simple and deeply moving.

I'll Fly Away Rudy Francisco,2020-12-08 2023 Midwest Book Awards Finalist 2021 Feathered Quill Book Awards Bronze Medal Winner 2021 Goodreads Choice Awards - Nominee Language so often fails us. In his highly anticipated follow up to *Helium*, Francisco has created his own words for the things we cannot give name to. English is the shiniest hammer I own, but it's also the only thing in my toolbox. Nolexi noun no-lex-i | \ nō-lek-si \ Definition of nolexi: 1 : a word or phrase that does not exist or has no direct translation in a particular language I'll Fly Away uses Francisco's invented lexicon as the palette to paint an intimate portrait of Black life in America — one that praises joy and grace without shying away from the hard truths confronting all of us today.

How To Fly A Horse Kevin Ashton,2015-01-29 WINNER OF THE 800-CEO-READ BUSINESS BOOK OF THE YEAR 2015 In the vein of Susan Cain's *QUIET* and Malcolm Gladwell's *DAVID AND GOLIATH*, *HOW TO FLY A HORSE* is a smart, empowering book that dispels the myths around genius and creativity. There is a myth about how something new comes to be; that geniuses have dramatic moments of insight where great things and thoughts are born whole. Symphonies are composed complete. Science is accomplished with eureka shrieks. Businesses are built by magic touch. The myth is wrong. Anyone can create. Acclaimed technology pioneer Kevin Ashton takes us behind the scenes of creation to reveal the true process of discovery and how 'new' comes to be. From Archimedes to Apple, from Kandinsky to the Coke can, from the Wright brothers - who set out to 'fly a horse' - to Woody Allen, he exposes the seemingly unremarkable individuals, gradual steps, multiple failures and countless ordinary and often uncredited acts that led to our most astounding breakthroughs.
