**A Mountain Moving Faith** Matthew W. Morine, 2015-01-15 How will you climb to the spiritual heights God has envisioned for YOU? Mountain climbing is not for the faint of heart. It is a grueling process. You often feel like quitting, but if you persevere until you reach the summit, you earn the satisfaction of standing thousands of feet above the world. Faith is not for the faint of heart either. It requires you to make difficult choices that will dictate your actions as you strive to reach the ultimate summit. Fortunately for us, we have something climbers don't have. We have Jesus - the Rope reaching down from heaven to guide us, strengthen us and give focus to our lives. Matthew Morine uses his experience on the fourteeners of Colorado (mountains over 14,000 feet) to teach about faith. Geared specifically toward late high school and college-age students, *A Mountain Moving Faith* is sure to take your personal relationship with God to new heights.

*Moving Mountains* John Eldredge, 2016-02-16 New York Times best-selling author of *Wild at Heart* John Eldredge offers readers a step-by-step guide to effective Christian prayer. How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you. *Moving Mountains* is also available in Spanish, *Mueve montañas*. To dive deeper into the *Moving Mountains* message, the *Moving Mountains* study guide and video study are available now.

**Made to Move Mountains** Kristen Welch, 2020-03-03 Life is an incredible journey with ups and downs. We soar,

struggle, scale and stumble, and often stand at the edge of cliffs, afraid to step into the unknown, unsure of where we will land. But instead of running away, we are called by God to stand firm, muster up what faith we can, and take a step. Because we were made to move mountains. In this inspiring book, Kristen Welch calls you to step out in faith and climb the mountain in front of you--not because you are good enough or adequate or able, but because God makes a way where there is no way. With heartbreaking and hopeful personal stories, Scripture, and questions for contemplation, she draws you out of fear and into a holy confidence, showing you that the mountain in your path was put there on purpose, so that you could exercise--and grow--your faith.

**Dear Hero** Hope Bolinger, Alyssa Roat, 2025-01-21 Heroes and Villains are known for their dedication to one nemesis. But what do they do when they need a new one? Up-and-coming teen superhero Cortex is on top of the world--at least, until his villain dumps him. If he's going to save his reputation, he needs a new villain to fight, and fast. Meanwhile, the villainous Vortex has once again gotten a little overeager and taken out a hero prematurely. Will any young hero be able to keep up with her? Maybe she should work on finding a steady relationship with an enemy she won't kill in the first round. Enter Meta-Match, a nemesis pairing site for heroes and villains. The two match right away, and after throwing punches at each other behind coffee shops, practicing their fight choreography, and hiring henchmen to do their bidding (mostly just getting them coffee), they realize they have a lot more in common than names that annoyingly rhyme. After all, they're still rising through the ranks in their respective circles, and their reputations need good press. But not everything in the superhero world is as it seems. Can a hero really trust a villain to do the right thing? And can a villain trust a hero not to screw them over? As darkness from the past threatens them both, they may need each other for the fight to come--one with much higher stakes than their choreographed meet-ups on weekends. Told entirely through texts, transcriptions, and direct messages, this darkly humorous chat fiction rom-com goes behind the scenes of the superworld.

**The Faith That Moves Mountains** Arisnel Mesidor, 2017-08-21 The Faith That Moves Mountains: How to Have It, How to Use It, and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11:20-25. If you feel like you have a huge and intimidating mountain standing in front of you, if you feel like a huge wall prevents you from entering into your promised land, if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God-given destiny, this book is written for you. The purpose of the book is to reassure you that God has not forgotten you, even if it feels like so at times. That you have found yourself in precarious situations at one point or another in your life is not a result of God's indifference toward you. This book reminds you that even before God brought you into this world, he made provisions in order for you to be able to deal with such circumstances. You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it. In this book, I will teach you about the nature of the faith that moves mountains. I will try to

explain the nature of that faith how to have it, how to use it, and how to protect it. I want you to realize that you don't always have to put up with things that prevent you from moving forward in your life and toward your God-given destiny. I encourage you to keep this in mind: not knowing whether or not something negative is happening to you is part of how God is working in your life. You need to pray and make your desire known to God. As God's servant, you never need to hide your frustration from him and shy away from letting the one who loves you know what you need. My prayer is that, after realizing how powerful faith in God is, you may put yours into good use. God did not put us in this world without carefully equipping us for every challenge we would face. God has not created us either as simple tools he can use whenever or for whatever he wants. Rather, God has made us acting beings able to do things and in fact the things which he himself does. God created us in his image and has made us his associates in looking after everything he created. Discover the power of faith in God, and triumph over the mountains of life.

**The Power of Faith Can Move Mountains** J. Martin, Reverend, 2017-06-21 - Improve your health and well-being. - Remove the problems from your life - Increase the power of your faith In life, day-to-day problems come to us all, but if our faith is weak, even small problems can quickly grow to appear bigger than they really are. Doubt and worry are the most destructive forms of fear; they can cloud our vision blinding us from the truth. A mountain of doubt can cripple your life. Like a rabbit in headlights, you close your eyes and freeze, hoping the problem will go away when you have opened them. When it remains, you can be left dazed and confused not knowing what way to turn. All rational thought goes out the window. In a panic to get things back to the way they were; you can make all the wrong decisions. No one likes change, but it is much easier when you come from a place of strength; when it originates from a place of faith and not fear. Faith is like a muscle; like any muscle, it needs to be consistently exercised to have maximum power. When all is going smoothly, our faith can be easily neglected, although this is the time that we must use to maintain its strength. If you were asked to run a marathon tomorrow, unless you had put in the training, you might not even reach the half way point. How then can you expect to have the faith to remove the problems from your life if you do not first develop a level of faith that can do so? Faith is something that needs constant attention or thoughts of doubt will set in. In this book, I will share with you methods to increase your faith, and keep it at its highest level; so you are prepared for any problem or difficulty that may arise. When you nurture your faith, you will begin to see your life change in unusual ways. Things that once held you back will soon fade away. A simple change of perspective can make a mountain become level ground. Change your life today; increase the power within.

You Can Move Your Mountains Christine Davis Easterling,2017-07-03 Mountains have been revered for eons. These tall, extraordinary rock monuments were built by God so we might admire his craft and climb closer to him. This book is a detailed study of the role mountains have played throughout the Bible-from Mount Ararat, where Noah's Ark rested until the floodwaters receded; to Calvary, where Jesus made the ultimate sacrifice. These are some of the most sacred places in the Judeo-Christian tradition and deserve to be honored as such. In addition to reviewing the literal mountains mentioned in the Bible, this work discusses the figurative mountains in our society-challenges such as cancer, Alzheimer's disease, unemployment, domestic abuse, and poverty. Author Christine Davis Easterling argues that we may better understand how to scale the figurative mountains in our lives by seeing how Jesus conquered the literal ones. A mountain can be daunting when you're standing at its base, looking up. But with Jesus's guidance, you will find that no mountain is too tall to overcome. And reaching the tops of your personal mountains will bring you closer to the Lord.

Speak to Your Mountain! Kenneth E. Hagin,1993-07 Rev. Kenneth Hagin Jr shows how God has provided a way for Christians to remove the mountains -- hindrances and barriers -- that stand in the way of possessing all that God has for them in this life.

*Faith Moves Mountains* Sage Earthkeeper,AI,2025-02-27 Faith Moves Mountains offers a compelling interdisciplinary exploration, bridging Biblical Studies and Earth Sciences to examine the profound connection between faith and the natural world. It investigates how the biblical metaphor of moving mountains reflects an ancient awareness of the earth's dynamic geological forces, specifically tectonic shifts. The book uniquely interprets biblical texts through a geological lens, providing a novel scientific approach to understanding religious symbolism. The study presents evidence from detailed analyses of

biblical texts and geological data on Middle Eastern tectonic activity. By cross-referencing mentions of mountains and earth-shaking events in the Bible with tectonic plate data, the book argues this metaphor isn't just spiritual symbolism but an expression of human understanding of powerful geological transformations. The book progresses by introducing core concepts of biblical metaphor and tectonic theory, then develops themes including the geological context of biblical lands and the impact of natural events on ancient spiritual lives. This approach offers a fresh perspective, challenging conventional interpretations and enriching our comprehension of the interplay between nature, culture, and belief. It's valuable for those seeking a deeper understanding of the symbolic language of the Bible and the relationship between religious beliefs and the natural world, potentially informing contemporary discussions about environmental stewardship and the interpretation of sacred spaces.
