Golf is Not a Game of Perfect Bob Rotella, 2007-09-17 Filled with insightful stories about golf, Dr. Bob Rotella's delightful book will improve the game of even the most casual weekend player. Dr. Bob Rotella is one of the hottest performance consultants in America today. Among his many professional clients are Nick Price (last year's Player of the Year), Tom Kite, Davis Love III, Pat Bradley, Brad Faxon, John Daly, and many others. Rotella, or "Doc," as most players refer to him, goes beyond just the usual mental aspects of the game and the reliance on specific techniques. What Rotella does here in this extraordinary book, and with his clients, is to create an attitude and a mindset about all aspects of a golfer's game, from mental preparation to competition. The most wonderful aspect of it all is that it is done in a conversational fashion, in a dynamic blend of anecdote and lesson. And, as some of the world's greatest golfers will attest, the results are spectacular. Golfers will improve their golf game and have more fun playing. Some of Rotella's maxims include: -On the first tee, a golfer must expect only two things of himself: to have fun, and to focus his mind properly on every shot. -Golfers must learn to love 'the challenge when they hit a ball into the rough, trees, or sand. The alternatives—anger, fear, whining, and cheating—do no good. -Confidence is crucial to good golf. Confidence is simply the aggregate of the thoughts you have about yourself. -It is more important to be decisive than to be correct when preparing to play any golf shot or putt. Filled with delightful and insightful stories about golf and the golfers Rotella works with, *Golf Is Not a Game of Perfect* will improve the game of even the most casual weekend player.

Be a Player Pia Nilsson, Lynn Marriott, 2017-06-06 Golf is a beloved yet technical game, so a sound swing and precise technique are essential. Most golfers who want to improve their skills go to the range and work painstakingly on their swings, not realizing it's often their performance state on the course that needs work, not their technique. Simple things such as awareness of your balance, tension, and tempo, as well as the ability to control mental, emotional, and social variables you encounter while playing can quickly take your game to a new performance level. Pia Nilsson and Lynn Marriott, founders of VISION54's ... golf program, are here to help--

Putting Out Of Your Mind Dr. Bob Rotella, 2008-12-26 'You drive for show, you putt for dough'. This old saying is familiar to all golfers and Bob Rotella, one of the foremost authorities on golf today, is a firm believer in its truth. In *Putting out of Your Mind* he reveals the unique mental approach that great putting requires and helps golfers of all levels master this

essential skill. Much like *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, *Putting out of Your Mind* is a resonant and informative guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can hit the ball further, Rotella encourages them to concentrate on their putting, the most crucial yet overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it. And of course mastery begins with an understanding of the attitude needed to be a better putter. Rotella's mental rules, which have helped some of the greatest golfers in the world to become champion putters can now work for golfers everywhere. With everything from true-life stories from some of the greats to dozens of game-changing practice drills, *Putting out of Your Mind* is the new bible of putting, and is sure to bring about immediate results for anyone who plays the game.

The Inner Game of Golf W Timothy Gallwey, 2014-12-15 How to improve your game and discover your true potential by increasing your concentration, willpower and confidence Every golfer, whether amateur or pro, who has ever picked up a club knows what it's like to get the yips - that feeling when you inexplicably lose control of your shot, and become overwhelmed by self-doubt, tension, fear of failure and anxiety. With a new introduction from golf performance pro Peter Hudson, the multi-million bestselling *The Inner Game of Golf* resolves this mental interference. It is not a book about how to play golf; it is a book about how to learn golf, and its lessons can be applied to any sport. Putting aside the mechanics of golfing technique and laborious debates about strategy, this classic handbook for golfers of all levels tackles the psychological aspects of the game and reveals how you can perform to your true potential for more than brief moments at a time. Using only his Inner Game principles, without taking a single lesson and playing only once a week, Timothy Gallwey knocked 15 strokes off his game in a year. There is no physical reason why you can't hit perfect drives or sink long putts more consistently. By applying the Inner Game approach to your own game, you too can see phenomenal improvements to your scorecard.

Extraordinary Putting Fred Shoemaker, Jo Hardy, 2007-01-02 The co-author of the classic Extraordinary Golf offers an innovative approach to improving the overall game by focusing on putting, which accounts for more than one third of the strokes in a typical round. Not just a tips-and-techniques book, Extraordinary Putting features a series of illustrated exercises that will help golfers: - Develop the inner freedom to trust themselves and recognize self-imposed barriers - Find the peace of mind that comes from letting go of mental chatter and self-judgments - Increase awareness, allowing golfers to pay attention to their experiences - Understand the differences in those experiences from stroke to stroke - Master the art of self-coaching

Every Shot Must Have a Purpose Pia Nilsson, Lynn Marriott, Ron Sirak, 2005-09-22 Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, Every Shot Must Have a Purpose offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure. Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, Every Shot Must Have a Purpose is inspiration for life, not just the links.

Fearless Golf Dr. Gio Valiante, 2013-07-11 As Jack Nicklaus once observed, fear is the golfer's greatest enemy. It can

turn you from a brilliant shot-maker on the practice range into an incompetent hack on the course. Most golfers understand this, but do not have the tools to overcome it. That's where pioneering sports psychologist Dr Gio Valiante comes in. Having studied the sources of an athlete's fear and its physiological and neurological impact on performance, he has developed a groundbreaking programme for conquering it. Emphasising the need to replace a fixation-on-results with a commitment to mastery of one's body and one's mind, Valiante's approach will help golfers reach their true potential. Through concrete confidence and mastery drills, he presents specific ways to break free of fear's grasp and perform at your best - even under the most extreme pressure. Fearless Golf is the ultimate guide to the mental game.

companion version & not the original book. Sample Book Insights: #1 The dreams I want to hear about are the emotional fuel that helps people take control of their lives and be what they want to be. They are the goals and aspirations of golfers who are passionate about the game. #2 I heard something similar from Byron Nelson recently. He had always dreamed of owning a ranch, and golf was the only way he was going to get it. He was all but done as a competitive player when he got that ranch paid for. #3 Golfing potential depends on a player's attitude. It is the well-being of a player with the wedges and the putter, and how well he thinks. It is not dependent on a player's physical characteristics. #4 The champions I've worked with have a strong will, and they all have dreams. They make a long-term commitment to pursue those dreams. It can be difficult for a person with potential to become great if everyone around them expects them to win all the time.
