Sitting in Santa's Lap S.E. Law, S.C. Adams, The camera caught me wriggling in Santa's lap, and soon, I was pregnant with the jolly gentleman's baby! Cleo: I agreed to help an old family friend. Brody's a professional photographer who said his usual elf bailed at the last minute. So I offered to take her place, figuring it wouldn't be a big deal to take pictures of kids at the mall. But never underestimate Santa because beneath that big red suit and white beard is a man with washboard abs, devilish blue eyes, and a smile that makes my thighs clench as my insides go hot. Even more, Brody's got a HUGE surprise that hangs all the way down to his knee! It swings and dangles, with a Christmas ornament that lights up in its own way at the end. Soon, I was sitting in Santa's lap, but we weren't just smiling for the crowd. Instead, the camera caught us in some naughty poses that were NEVER supposed to be captured on film. The best part? That no one could tell while I squirmed and panted breathlessly with my skirt flipped up in back. (At least, I don't think so!) But now, the jolly gentleman's left me with a gift because after Christmas break ends, I learn that the stork's coming ... with a special surprise for Brody and me! This is a follow-up to Three Weeks of Hedonism where we meet the sassy girl who was bullied for *allegedly* letting Santa take her while she posed in his lap. Fair warning: never bring your kids to Christmas at the mall because if the elf's wearing a short skirt while gasping with a frozen smile, then it could really be happening! As always, high heat, no cheating, and no cliffhangers for my readers. HEA guaranteed.

Party Girls Die in Pearls Plum Sykes, 2017-06-01 Brideshead, bon-bons, cucumber sandwiches - and now a murder In the decadent world of Oxford University, c.1985, Pimms, punting and ball gowns are de rigeur. Ursula Flowerbutton, a studious country girl, arrives for her first term, anticipating nothing more sinister than days spent poring over history books - and, perhaps, an invitation to a ball. But when she discovers a body, Ursula is catapulted into a murder investigation. Determined to bag her first scoop for the famous student newspaper Cherwell, Ursula enlists the help of glamorous American student Nancy Feingold to unravel the case. While navigating a whirl of black-tie parties and secret dining societies, the girls discover a surfeit of suspects. From broken-hearted boyfriends to snobby Sloanes, lovelorn librarians to dishy dons, none can be presumed innocent. Clueless meets Agatha Christie in this wickedly funny tale of high society, low morals and a middle class girl, the first book in Plum Sykes' irresistible new series.

Power, Politics, and Organizational Change David Buchanan, Richard Badham, 2008-02-19 `Many books on management are sanitized, cleanly technical accounts of the unreality of managerial life and work. Politics hardly feature. This book tells it like it is: it dishes the dirt, gets low-down, into the funky and fascinating politics of organizational life' - Stewart Clegg, Aston Business School and University of Technology, Sydney Combining a practical and theoretical guide to the politics of organizational change, this book provides an exceptional resource to students of change management, and organizational behaviour. Buchanan and Badham show how the change agent who is not politically skilled will fail, and that it is necessary to be able and willing to intervene in the political processes of the organization. This revised edition includes a range of excellent new material and features, including: - a new chapter on gender in approaches to organization politics - a full range of teaching materials including case studies, incident reports, self-assessments, and more - Each chapter recommends a feature film (or DVD) to illustrate aspects of organization politics - fresh research evidence - recent literature on the nature of entrepreneurial politics; - a model of political expertise, and how that can be developed This lively and engaging book is key to MBA and other Masters degree candidates taking courses in change management, and organizational behaviour. It will also be valuable for practising managers on tailored executive programmes in organization politics.

What Do We Need Men For? E. Jean Carroll, 2019-07-16 A darkly funny and very personal attempt to answer the question by America's longest running advice columnist When E. Jean Carroll—possibly the liveliest woman in the world and author of Ask E. Jean in Elle Magazine — realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Criss-crossing the country with her blue-haired poodle Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: What Do We Need Men For? E. Jean gave her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called “The Most Hideous Men of My Life,” and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana

University? Or as the fearless journalist, television host and eventual advice columnist she became? E. Jean intertwines the stories of the outspoken people she meets on her road trip with her own history of bad behavior (from mafia bosses, media titans, boyfriends, husbands, a serial killer, and others) creating a decidedly dark yet hopeful, hilarious and thrilling narrative. Her answer to the question What Do We Need Men For? will shock men and delight women.

Big Friendship Aminatou Sow, Ann Friedman, 2020-07-14 A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast Call Your Girlfriend, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, Big Friendship will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

The American Fraternity Cynthia Robinson, 2018 The American Fraternity is a photobook that provides an intimate and provocative look at Greek culture on college campuses by combining contemporary photographs with scanned pages from a

wax-stained 60 year old ritual manual. This book will shed new light on the peculiarities of the fraternal orders which count seventy-five percent of modern U.S. presidents, senators, justices, and executives among their members. These mysterious campus organizations are filled with arcane oaths and ceremonies and this book attempts to capture within its pages some of this dark power--Publisher's website, January 23, 2019.

Becoming Abolitionists Derecka Purnell, 2021-10-05 A NONAME BOOK CLUB PICK Named a Kirkus Reviews Best Book of 2021 *Becoming Abolitionists* is ultimately about the importance of asking questions and our ability to create answers. And in the end, Purnell makes it clear that abolition is a labor of love—one that we can accomplish together if only we decide to. —Nia Evans, Boston Review For more than a century, activists in the United States have tried to reform the police. From community policing initiatives to increasing diversity, none of it has stopped the police from killing about three people a day. Millions of people continue to protest police violence because these solutions do not match the problem: the police cannot be reformed. In *Becoming Abolitionists*, Purnell draws from her experiences as a lawyer, writer, and organizer initially skeptical about police abolition. She saw too much sexual violence and buried too many friends to consider getting rid of police in her hometown of St. Louis, let alone the nation. But the police were a placebo. Calling them felt like something, and something feels like everything when the other option seems like nothing. Purnell details how multi-racial social movements rooted in rebellion, risk-taking, and revolutionary love pushed her and a generation of activists toward abolition. The book travels across geography and time, and offers lessons that activists have learned from Ferguson to South Africa, from Reconstruction to contemporary protests against police shootings. Here, Purnell argues that police can not be reformed and invites readers to envision new systems that work to address the root causes of violence. *Becoming Abolitionists* shows that abolition is not solely about getting rid of police, but a commitment to create and support different answers to the problem of harm in society, and, most excitingly, an opportunity to reduce and eliminate harm in the first place.

Never Sweeter Charlotte Stein, 2016-04-19 Second chances are sweeter than ever in Charlotte Stein's steamy *Dark Obsession* series—perfect for fans of Katy Evans—as a self-reliant college girl falls for a reformed bully who's desperate to make up for lost time. Letty Carmichael can't believe her eyes when she catches a glimpse of her high school tormenter, wrestling champ Tate Sullivan, on campus. College was supposed to be her escape from Tate's constant ridicule. Now he's in her classes again, just waiting for his chance to make her life hell. But when Letty and Tate are partnered up for an assignment—on sex in cinema, of all things—she starts to see a kinder, gentler side of him. And when she realizes Tate knows more about sex than she could ever guess at, he soon starts making her blush in a whole new way. Tate Sullivan is haunted by regret over his cruelty toward Letty. So when she agrees to work with him, he seizes his chance to make amends. He can't blame her for not believing he's for real, but soon Tate starts to break down her wall. She wants to know about passion, desire, lust—topics he is well versed in. And in return she offers the one thing he always wanted: the chance to be more than

just a jock. Letty is shocked by how sensitive Tate can be. Still, desiring him feels ludicrous. Loving him is impossible. Craving him is beyond all reason. So why can't she stop? Praise for Never Sweeter "A gorgeous, lush story full of angst and heartbreak with dark, tormented characters and mind-blowing sex. I got blisters from turning the pages so fast."—USA Today bestselling author Jamie K. Schmidt "A delightfully sweet romance with just the right amount of angst."—The Good, The Bad, and The Unread "One of the sweetest romances I've read in a long time."—The Romance Reviews "A beautiful story, with a beautiful message."—The Jeep Diva Includes an excerpt from another Loveswept title.
