The Treasures of Darkness Debbie Vanderslice,2019-04-26 The Treasures of Darkness is an eight chapter nonfiction book that examines the various aspects of suffering and asks the question 'can anything good come from it?' Because we live in a tarnished world full of muck and mire, readers are more than familiar with different kinds of suffering and pain. The question is not if we will suffer in this life, but rather, to what degree. Instead of focusing believers and nonbelievers who will see firsthand that there really are benefits to our pain. There are truly treasures of darkness.

When Morning Gilds the Skies Joseph Barnby,2014-03 Molly Ijames delivers a compelling setting of this timeless hymn with a creative accompaniment that helps us visualize the sunrise. This anthem is one constant crescendo and closes with the amazing cry, May Jesus Christ be praised!
