**Consumption and Violence** Alexander Sedlmaier,2014-10-13 Reveals the relationship between the rise of political violence in West Germany to the unprecedented growth of consumption

**Sacrifice** Sharon Bolton,2013-02-05 On an isolated Scottish island, a doctor unearths a gruesome murder and a decades-long conspiracy in this debut gothic suspense thriller. Tora Hamilton is an outsider at her new home on the rocky, windswept Shetland Islands, a hundred miles from the northeastern tip of Scotland. Though her husband grew up here, it's the first time he's been back in twenty years. Digging in the peat on their new property, Tora unearths a human body: at first glance a centuries-old bog body, interesting but not uncommon. But realizing that the body is in fact much newer, that the woman's heart has been cut out and that she was killed within a few days of bearing a child, Tora, herself an obstetrician, becomes obsessed with finding out what happened to her—even when the police, her colleagues, and eventually her husband warn her against getting involved. Reading town records and researching local lore, Tora discovers a disturbing link to ancient Shetland legend and uncovers a collection of deep, dark secrets—the kind of secrets worth killing for . . . A bone-chilling, spellbinding debut *Sacrifice* is that will grip readers from its beginning to its startling end. BONUS CONTENT: This edition of *Sacrifice* includes a new introduction from the author and a discussion guide

Get Shorty Elmore Leonard,2009-10-13 “A Hollywood hit....Taut, inimitable prose and characters who could have only sprung from the mind of Elmore Leonard.” —Detroit News The Chicago Tribune has dubbed Elmore Leonard, “the coolest, hottest writer in America.” In the same league as the legendary great ones—John D. MacDonald, Dashiell Hammett, James M. Cain—the “King Daddy of crime writers” (Seattle Times) demonstrates his remarkable mastery with *Get Shorty*, one of the most adored of his forty-plus novels. The basis of the hit movie starring John Travolta and Danny DeVito, *Get Shorty* chronicles the over-the-top, sometimes violent Hollywood misadventures of a Florida mob loan shark who chases a deadbeat client all the way to Tinseltown and decides to stick around and make movies. *Get Shorty*'s shylock protagonist, Chili Palmer, is a truly inspired creation—as memorable as another unforgettable Leonard hero, U.S. Marshal Raylan Givens of the hit TV series *Justified*—and readers will relish his moves and countermoves in this electrifying, funny, bullet train-paced winner from “the greatest crime writer of our time, perhaps ever!” (New York Times Book Review)

**Prosthetic Memory** Alison Landsberg,2004 *Prosthetic Memory* argues that mass cultural forms such as cinema and

television in fact contain the still-unrealized potential for a progressive politics based on empathy for the historical experiences of others. The technologies of mass culture make it possible for anyone, regardless of race, ethnicity, or gender, to share collective memories--to assimilate as deeply felt personal experiences historical events through which they themselves did not live.

The Hidden Life of Trees: What They Feel, How They Communicate Peter Wohlleben, 2017-08-24 Sunday Times Bestseller 'A paradigm-smashing chronicle of joyous entanglement' Charles Foster Waterstones Non-Fiction Book of the Month (September) Are trees social beings? How do trees live? Do they feel pain or have awareness of their surroundings?

**Burned Bridge** Edith Sheffer, 2014 Examines Burned Bridge, the intersection between two sister cities in East and West Germany, and reveals how the daily adjustments of anxious residents shaped the barrier that divided them.

**The Austrian Resistance 1938-1945** Wolfgang Neugebauer, 2014

**India** Dietmar Rothermund, 2008 Synopsis: This collection features Dunbar's (1872-1906) previously unpublished dramatic works, short stories, essays, and poems-approximately 75 works in six genres. The dramatic works include plays, musicals, and musical lyrics and fragments. The essays discuss Dickens and Thackeray, England from the Black perspective, black life and society in Washington, higher education, plagiarism, the literary portrayal of black people, and Booker T. Washington. A chronology is included.-Annotation c. Book News, Inc.

*1914* Lyn Macdonald, 2014-11-13 Lyn Macdonald's acclaimed history *1914: The Days of Hope*, is not so much the story of war as the story of an army. In this vivid account of the first months of the First World War, Lyn Macdonald draws on personal accounts of surviving veterans, bringing to life the disillusionment, the questioning and the heroism of the men of the British Army. The officers and men of 1914 were prepared to fight and ready to lay down their lives because it was their job. These men believed they were fighting the War to end War. 'Once again Lyn Macdonald has collected an extraordinary mass of original accounts, some by old soldiers, some in the form of diaries and journals, even by French civilians . . . Her research has been vast, and in result is triumphant' Tablet 'These poignant voices from the past conjure up a lost innocence as well as a lost generation' Piers Brendon, Mail on Sunday 'A mammoth, vivid compendium of the first months of the war . . . What Lyn Macdonald captures is the extraordinary resilience of the British regulars faced with the brutal shattering of their expectations' Daily Mail Lyn Macdonald is one of the most highly regarded historians of the First World War. Her books tell the men's stories in their own words and cast a unique light on the experiences of the ordinary 'Tommy'. *The Roses of No Man's Land*, *Somme* and *They Called it Passchendaele* have been recently reissued by Penguin.

**Greetings from Bury Park** Sarfraz Manzoor, 2019-07-11 Now a major motion picture titled *Blinded by the Light*, directed by Gurinder Chadha, a charming memoir of growing up during the eighties as both a Pakistani Muslim and Bruce Springsteen fan 'Every detail rings so true ... Manzoor's warm, humane, unsensational voice ... makes you want to extend the

hand of friendship to him' Sunday Telegraph 'A richly humane, smile-inducing memoir' Observer Sarfraz Manzoor was two years old when his family emigrated from Pakistan to join his father in Bury Park, Luton. His teenage years were a constant battle to reconcile being both British and Muslim. But when his best friend introduced him to Bruce Springsteen, his life changed for ever. In this affectionate and timely memoir, Manzoor retraces his journey from the frustrations of his childhood to his reaction to the tragedies of 9/11 and 7/7. Original, darkly tender and wryly amusing, this is an inspiring tribute to the power of music to transcend race and religion and a moving account of a relationship between father and son.

*Civilizations in Dispute* Johann P. Arnason, 2021-12-13 The growing interest in civilizations, both on the level of political controversy (the clash of civilizations) and in the context of scholarly debates, calls for more theoretical reflection on the problems and perspectives central to this field of social inquiry. This book contains the first systematic and critical survey of classical and contemporary approaches to comparative civilizational analysis; it goes on to outline a theoretical model that draws on the work of historical sociologists as well as on comparative cultural and intellectual history. Civilizations are analyzed as multi-dimensional formations, with particular emphasis on cultural orientations, but also on the autonomous dynamics of political and economic institutions. The last chapter applies this line of argument to questions raised by critics of Eurocentrism and discusses the strengths and weaknesses of postcolonial theory.

**Jazz, Rock, and Rebels** Uta G. Poiger, 2000-03-03 This significant contribution to German history pioneers a conceptually sophisticated approach to German-German relations. Poiger has much to say about the construction of both gender norms and masculine and feminine identities, and she has valuable insights into the role that notions of race played in defining and reformulating those identities and prescriptive behaviors in the German context. The book will become a 'must read' for German historians.—Heide Fehrenbach, author of *Cinema in Democratizing Germany* Poiger breaks new ground in this history of the postwar Germanies. The book will serve as a model for all future studies of comparative German-German history.—Robert G. Moeller, author of *Protecting Motherhood* Jazz, Rock, and Rebels exemplifies the exciting work currently emerging out of transnational analyses. [A] well-written and well-argued study.—Priscilla Wald, author of *Constituting Americans*

**Rooms with a View** Sabine Rewald, 2011 Catalog of an exhibition held at the Metropolitan Museum of Art, New York, April 5-July 4, 2011.

**The Translatability of Cultures** Sanford Budick, Wolfgang Iser, 1996 These essays—which consider a wide variety of cultures from ancient Egypt to contemporary Japan— describe the conditions under which cultures that do not dominate each other may yet achieve a limited translatability of cultures.

*Post-war Planning ...* United States. National Resources Planning Board, 1942

*The Mahdist State in the Sudan 1881 - 1898* Peter M. Holt,1966

**Negotiations Between State Actors and Non-state Actors** Raymond Saner,M. Varinia Michalun,2009 With the end of the Cold War came a proliferation of actors partaking in disputes, be they at local, regional, national or international levels. This book takes a step closer to the reality of international conflicts by adding a special focus on the relations between state and non-state actors.

*Israel* Abraham Joshua Heschel,1997 A powerful and eloquent statement on the meaning of Israel in our time.

Trauma and Literature J. Roger Kurtz,2018-03-15 As a concept, 'trauma' has attracted a great deal of interest in literary studies. A key term in psychoanalytic approaches to literary study, trauma theory represents a critical approach that enables new modes of reading and of listening. It is a leading concept of our time, applicable to individuals, cultures, and nations. This book traces how trauma theory has come to constitute a discrete but influential approach within literary criticism in recent decades. It offers an overview of the genesis and growth of literary trauma theory, recording the evolution of the concept of trauma in relation to literary studies. In twenty-one essays, covering the origins, development, and applications of trauma in literary studies, Trauma and Literature addresses the relevance and impact this concept has in the field.

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, **Besetzung Von Sacrifice Todesopfer** .
