*The Beatles Finally Let It Be* Bruce Spizer, 2021-08-08

**Let It Be** Beatles, 1987

*Get Back* Doug Sulpy, Ray Schweighardt, 1997 Two authors reconstruct thirty days in the lives of the Beatles as they work on the Let It Be album and try to put aside their differences, only to end up dissolving the band. 15,000 first printing.

**Beatle!** Pete Best, Patrick Doncaster, 2001 Before there was Ringo, there was Pete. Drummer with the Beatles from 1960 to 1962, Best played with the band in Liverpool and Hamburg, then was unceremoniously dropped on the eve of fame and fortune. In *Beatle!* he relates previously unknown anecdotes that form a fascinating look at the least-documented period of Beatles history.

**The Beatles' Let It Be** Steve Matteo, 2004-08-10 The recording sessions for Let It Be actually began as rehearsals for a proposed return to live stage work for the Beatles, to be inaugurated in a concert at a Roman amphitheatre in Tunisia. In this thoroughly researched book, Steve Matteo delves deep into the complex history of these sessions. He talks to a number of people who were in the studio with the Beatles, recording the sights and sounds of the band at work bringing to life a period in the Beatles' career that was creative and chaotic in equal measure.

**The Lyrics: 1956 to the Present (Vol. Two-Volume Set)** Paul McCartney, 2021-11-02 #1 NEW YORK TIMES BESTSELLER A Washington Post Notable Book Excerpted in The New Yorker A work of unparalleled candor and splendorous beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive

literary and visual record of one of the greatest songwriters of all time.

**The Beatles Recording Reference Manual** Jerry Hammack,2020-11-17 The fifth and final book of this critically acclaimed series, *The Beatles Recording Reference Manual: Volume 5: Let It Be through Abbey Road (1969 - 1970)* follows The Beatles as they get back to where they once belonged.... Not once, but twice. With *Let It Be*, they attempted to recapture the spontaneity of their early years and recordings, while *Abbey Road* was a different kind of return - to the complexity, finish and polish that they had applied to their work beginning with *Revolver* and through to *The Beatles*. From the first take to the final remix, discover the making of the greatest recordings of all time. Through extensive, fully-documented research, these books fill an important gap left by all other Beatles books published to date and provide a unique view into the recordings of the world's most successful pop music act. The collection and analysis of hundreds of recordings (takes, outtakes, remixes and released versions), books, magazine articles, photos, film and video evidence, and interviews with key engineers who worked on the sessions filter out the noise of myth and conflicting fact to arrive at an accurate telling of the creation of The Beatles' classic recordings. Book features: Commercial releases during the period (albums, singles and extended play (EP) discs) Song-by-song narratives of work during the period in order of first recording (Each narration includes an introduction to the song, information on the technical team responsible for production and a description of the construction of the song from the first take to the final remix, detailing the entire recording process.). An easy to follow diagram of the recording process. A year-by-year overview of the recording studios used by the band, including the available equipment configurations. A year-by-year overview of the instruments and amplifiers used by the band. A session-by-session breakdown of every technical component used in the creation of the songs (listing the session date, location, work completed, technical staff, musicians, instruments used, amplifiers used, recording equipment, microphones and studio effects used). A listing of mono and stereo master remixes, their dates of creation and their release versions (for UK release). Tables outlining the use during the period of electric and acoustic guitars, basses, drums, percussion, keyboards and other instruments, amplifiers, EMI Studios outboard equipment and microphones. An explanation of technical equipment in relation to The Beatles recording sessions. A glossary of terms. A complete bibliography. The recording of each song is described step-by-step, revealing the backing tracks, overdubs, edits, and remixes that led to the final release versions the world knows and loves. Easy to follow diagrams offer insight into the recording process at each major milestone. Detailed appendices expose the behind the scenes work accomplished in each session and reveal every piece of gear and studio equipment used to create

their landmark recordings. Song by song and session by session, discover the musicians and technicians, studios, gear, and techniques used by The Beatles to create their musical masterpieces.

**Recording the Beatles** Kevin Ryan, Brian Kehew, 2006 A detailed look at every piece of studio gear used, full explanations of effects and recording processes, and an inside look at how specific songs were recorded.

Counting Down the Beatles Jim Beviglia, 2017-03-02 The Beatles loom large over the musical landscape even now that nearly a half-century has passed since the four men from Liverpool played their last notes together. While the story of their stunning rise and brief but brilliant time together on top of the pop music world is undoubtedly fascinating, it would ring hollow without the scores of incredible songs that accompanied each milestone. These songs are the focus of rock writer Jim Beviglia's latest foray into the catalogs of rock royalty. Counting Down the Beatles: Their 100 Finest Songs features Beviglia's list of the best songs in the band's unparalleled oeuvre. Ranked in descending order from #100 to #1, each song is accompanied by a lengthy essay providing information on the song's writing and recording, context on where it falls within the band's timeline, and the author's analysis and explanation why it deserves its position in this hallowed canon. Every fan of the Beatles, from attendees at their first U.S. tour to the newest generation's devotees, will find this collection an informative, insightful, and entertaining adventure. Not only will it reveal little-known facts, but it just may start some arguments and settle a few debates.

The Beatles Bob Spitz, 2012-06-25 The definitive biography of The Beatles, hailed as irresistible by the New York Times, riveting by the Boston Globe, and masterful by Time. As soon as The Beatles became famous, the spin machine began to construct a myth -- one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving -- the highs and the lows, the love and the rivalry, the awe and the jealousy, the drugs, the tears, the thrill, and the magic to never be repeated. In this vast, revelatory, exuberantly acclaimed, and bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited.

**Leadership Lessons with The Beatles** Shantha Mohan,2022-05-03 Leadership has gone through many changes in the last couple of decades. We have realized that outstanding leadership is not about being authoritarian and exercising control. It is not only about the intelligence quotient (IQ) but also about emotional intelligence. To be an exceptional leader, you need several essential skills, all of which you can learn. The skills are nuanced with emotional intelligence, which you can gain. This book is unique: the author weaves leadership ideas with the song titles of The Beatles, making this book fun, playful, thoughtful, and valuable. Each chapter is organized with the key message on a leadership attribute prompted by a Beatles' song title, tips on becoming better on the topic, a practice suggestion, questions to ask yourself to think about the message, and resources for more reading. The author begins each chapter with how and why she chose the song and includes fun facts. It's an engaging book that blends the words of perhaps the greatest rock band ever—The Beatles—with the basic principles for becoming a better leader.

**The Beatles from A to Zed** Peter Asher,2019-10-29 “At last, I finally understand the alphabet! I also love this book: secret Beatles knowledge from one of the closest insiders.” —Steve Martin Peter Asher met the Beatles in the spring of 1963, the start of a lifelong association with the band and its members. He had a front-row seat as they elevated pop music into an art form, and he was present at the creation of some of the most iconic music of our times. Asher is also a talented musician in his own right, with a great ear for what was new and fresh. He was asked by Paul McCartney to help start Apple Records; the first artist Asher discovered and signed up was a young American singer-songwriter named James Taylor. Before long he would be not only managing and producing Taylor but also working with Linda Ronstadt, Neil Diamond, Robin Williams, Joni Mitchell, and Cher, among others. *The Beatles from A to Zed* grows out of his popular radio program “From Me to You” on SiriusXM’s The Beatles Channel, where he shares memories and insights about the Fab Four and their music. Here he weaves his reflections into a whimsical alphabetical journey that focuses not only on songs whose titles start with each letter, but also on recurrent themes in the Beatles’ music, the instruments they played, the innovations they pioneered, the artists who influenced them, the key people in their lives, and the cultural events of the time. Few can match Peter Asher for his fresh and personal perspective on the Beatles. And no one is a more congenial and entertaining guide to their music.

**We Are The Beatles** Zoë Tucker,2021-01-12 This inspiring picture book tells the story of the friendship between Ringo, Paul, George, and John, and how their unique talents came together to make something brilliant. In 1957, a boy named Paul met a boy named John. John was funny and confident, while Paul was quiet and steady, but one thing they had in common was a love and talent for songwriting. When they were joined by George and Ringo, they formed the band whose name would soon be known across the world: The Beatles. Together, the Fab Four became the world’s best-loved band, drawing huge crowds to packed-out stadiums. But even they got nervous sometimes, and in those times they knew they could rely on each

other. Through the power of friendship, The Beatles made their biggest dreams come true and still bring joy to the lives of millions. *Friends Change the World* is a series of picture books that celebrates the power of friendship. From musical greats to sports champions, scientists and explorers to artists and activists, these are the true stories of real friends who achieved amazing things. Whether best friends since school or thrown together by a chance encounter, they supported and inspired each other to make their shared dreams come true. This charming series shows 4- to 7-year-olds how togetherness, respect, and friendship can make the world a better place.

**The Beatles** Craig Cross,2005-05 *The Beatles: Day-by-Day, Song-by-Song, Record-by-Record* is a comprehensive diary of the legendary band's entire career, including the recording history and story behind every single song, and a complete UK and US discography--in one volume!

**The Fifth Beatle: The Brian Epstein Story Limited Edition** Vivek J. Tiwary,2013-11-19 *The Fifth Beatle* is the untold true story of Brian Epstein, the visionary manager who discovered and guided the Beatles — from their gigs in a tiny cellar in Liverpool to unprecedented international stardom. Yet more than merely the story of The Man Who Made the Beatles, *The Fifth Beatle* is an uplifting, tragic, and ultimately inspirational human story about the struggle to overcome seemingly insurmountable odds. Brian himself died painfully lonely at the young age of thirty-two, having helped the Beatles prove through Sgt. Pepper's Lonely Hearts Club Band that pop music could be an inspirational art form. He was homosexual when it was a felony to be so in the United Kingdom, Jewish at a time of anti-Semitism, and from Liverpool when it was considered just a dingy port town. This limited edition of this groundbreaking graphic novel features a signed tip-in sheet by creators Vivek J. Tiwary, Andrew C. Robinson, and Kyle Baker, along with a bonus section including unique Beatles and Brian Epstein memorabilia and behind-the-scenes sketches, a unique, textured cover, and a slipcase. Limited to 1500 signed and numbered copies.

*How Change Happens* Duncan Green,2016 Drawing on the global experience of Oxfam, one of the world's largest social justice INGOs, this book tests ideas on 'How Change Happens' and sets out the latest thinking on how citizens and others can drive progressive change.
