Ireland's Magdalen Laundries and the Nation's Architecture of Containment James M. Smith, 2007-09 The Magdalen laundries were workhouses in which many Irish women and girls were effectively imprisoned because they were perceived to be a threat to the moral fiber of society. Mandated by the Irish state beginning in the eighteenth century, they were operated by various orders of the Catholic Church until the last laundry closed in 1996. A few years earlier, in 1993, an order of nuns in Dublin sold part of their Magdalen convent to a real estate developer. The remains of 155 inmates, buried in unmarked graves on the property, were exhumed, cremated, and buried elsewhere in a mass grave. This triggered a public scandal in Ireland and since then the Magdalen laundries have become an important issue in Irish culture, especially with the 2002 release of the film *The Magdalene Sisters*. Focusing on the ten Catholic Magdalen laundries operating between 1922 and 1996, Ireland's Magdalen Laundries and the Nation's Architecture of Containment offers the first history of women entering

these institutions in the twentieth century. Because the religious orders have not opened their archival records, Smith argues that Ireland's Magdalen institutions continue to exist in the public mind primarily at the level of story (cultural representation and survivor testimony) rather than history (archival history and documentation). Addressed to academic and general readers alike, James M. Smith's book accomplishes three primary objectives. First, it connects what history we have of the Magdalen laundries to Ireland's architecture of containment that made undesirable segments of the female population such as illegitimate children, single mothers, and sexually promiscuous women literally invisible. Second, it critically evaluates cultural representations in drama and visual art of the laundries that have, over the past fifteen years, brought them significant attention in Irish culture. Finally, Smith challenges the nation--church, state, and society--to acknowledge its complicity in Ireland's Magdalen scandal and to offer redress for victims and survivors alike.

Roger Ebert's Movie Yearbook 2005 Roger Ebert,2004 Containing reviews written from January 2002 to mid-June 2004, including the films Seabiscuit, The Passion of the Christ, and Finding Nemo, the best (and the worst) films of this period undergo Ebert's trademark scrutiny. It also contains the year's interviews and essays, as well as highlights from Ebert's film festival coverage from Cannes.

Eclipsed Patricia Burke Brogan,1994 Historically compelling and vividly staged...alternately scalding and magical in its theatricality -Los Angeles Times. This all-woman play is set in one of the old Mary Magdalen laundries run by an order of nuns. It tells the woeful tale of a group

The Magdalen Girls V.S. Alexander,2016-12-27 Dublin, 1962. Within the gated grounds of the convent of The Sisters of the Holy Redemption lies one of the city's Magdalen Laundries. Once places of refuge, the laundries have evolved into grim workhouses. Some inmates are "fallen" women—unwed mothers, prostitutes, or petty criminals. Most are ordinary girls whose only sin lies in being too pretty, too independent, or tempting the wrong man. Among them is sixteen-year-old Teagan Tiernan, sent by her family when her beauty provokes a lustful revelation from a young priest. Teagan soon befriends Nora Craven, a new arrival who thought nothing could be worse than living in a squalid tenement flat. Stripped of their freedom and dignity, the girls are given new names and denied contact with the outside world. The Mother Superior, Sister Anne, who has secrets of her own, inflicts cruel, dehumanizing punishments—but always in the name of love. Finally, Nora and Teagan find an ally in the reclusive Lea, who helps them endure—and plot an escape. But as they will discover, the outside world has dangers too, especially for young women with soiled reputations. Told with candor, compassion, and vivid historical detail, *The Magdalen Girls* is a masterfully written novel of life within the era's notorious institutions—and an inspiring story of friendship, hope, and unyielding courage.

Ireland and the Magdalene Laundries Claire McGettrick, Katherine O'Donnell, Maeve O'Rourke, James M. Smith, Mari Steed, 2021-09-09 Between 1922 and 1996, over 10,000 girls and women were imprisoned in Magdalene Laundries, including those considered 'promiscuous', a burden to their families or the state, those who had been sexually abused or raised in the care of the Church and State, and unmarried mothers. These girls and women were subjected to forced labour as well as psychological and physical maltreatment. Using the Irish State's own report into the Magdalene institutions, as well as testimonies from survivors and independent witnesses, this book gives a detailed account of life behind the high walls of Ireland's Magdalene institutions. The book offers an overview of the social, cultural and political contexts of institutional survivor activism, the Irish State's response culminating in the McAleese Report, and the formation of the Justice for Magdalenes campaign, a volunteer-run survivor advocacy group. Ireland and the Magdalene Laundries documents the ongoing work carried out by the Justice for Magdalenes group in advancing public knowledge and research into Magdalene Laundries, and how the Irish State continues to evade its responsibilities not just to survivors of the Magdalenes but also in providing a truthful account of what happened. Drawing from a variety of primary sources, this book reveals the fundamental flaws in the state's investigation and how the treatment of the burials, exhumation and cremation of former Magdalene women remains a deeply troubling issue today, emblematic of the system of torture and studious official neglect in which the Magdalene women lived their lives. The Authors are donating all royalties in the name of the women who were held in the Magdalenes to EPIC (Empowering People in Care).

Origins of the Magdalene Laundries Rebecca Lea McCarthy, 2010-03-08 The convents, asylums, and laundries that

once comprised the Magdalene institutions are the subject of this work. Though originally half-way homes for prostitutes in the Middle Ages, these homes often became forced-labor institutions, particularly in Ireland. Examining the laundries within the context of a growing world capitalist economy, the work argues that the process of colonization, and of defining a national image, determined the nature and longevity of the Magdalene Laundries. This process developed differently in Ireland, where the last laundry closed in 1996. The book focuses on the devolution of the significance of Mary Magdalene as a metaphor for the organization: from an affluent, strong supporter of Jesus to a simple, fallen woman.

The Light In The Window June Goulding, 2012-05-31 'I promised that I would one day write a book and tell the world about the home for unmarried mothers. I have at last kept my promise.' In Ireland, 1951, the young June Goulding took up a position as midwife in a home for unmarried mothers run by the Sacred Heart nuns. What she witnessed there was to haunt her for the next fifty years. It was a place of secrets, lies and cruelty. A place where women picked grass by hand and tarred roads whilst heavily pregnant. Where they were denied any contact with the outside world; denied basic medical treatment and abused for their 'sins'; where, after the birth, they were forced into hard labour in the convent for three years. But worst of all was that the young women were expected to raise their babies during these three years so that they could then be sold - given up for adoption in exchange for a donation to the nuns. Shocked by the nuns' inhumane treatment of the frightened young women, June risked her job to bring some light into their dark lives. June's memoir tells the story of twelve women's experiences in this home and of the hardships they endured, but also the kindness she offered them, and the hope she was able to bring.

The Secret Scripture Sebastian Barry, 2008-06-12 Now a major motion picture starring Rooney Mara An epic story of family, love, and unavoidable tragedy from the two-time Booker Prize finalist and author of *Old God's Time* Sebastian Barry's novels have been hugely admired by readers and critics, and in 2005 his novel *A Long Long Way* was shortlisted for the Man Booker Prize. In *The Secret Scripture*, Barry revisits County Sligo, Ireland, the setting for his previous three books, to tell the unforgettable story of Roseanne McNulty. Once one of the most beguiling women in Sligo, she is now a resident of Roscommon Regional Mental Hospital and nearing her hundredth year. Set against an Ireland besieged by conflict, *The Secret Scripture* is an engrossing tale of one woman's life, and a poignant story of the cruelties of civil war and corrupted power. *The Secret Scripture* is now a film starring Rooney Mara, Eric Bana, and Vanessa Redgrave.

The Magdalen Martyrs Ken Bruen, 2007-04-01 *The Magdalen Martyrs*, the third Galway-set novel by Edgar, Barry, and Macavity finalist and Shamus Award-winner Ken Bruen, is a gripping, dazzling story that takes the Jack Taylor series to explosive new heights of suspense. Jack Taylor is walking the delicate edge of a sobriety he doesn't trust when his phone rings. He's in debt to a Galway tough named Bill Cassell, what the locals call a hard man. Bill did Jack a big favor a while back; the trouble is, he never lets a favor go unreturned. Jack is amazed when Cassell simply asks him to track down a

woman, now either dead or very old, who long ago helped his mother escape from the notorious Magdalen laundry, where young wayward girls were imprisoned and abused. Jack doesn't like the odds of finding the woman, but counts himself lucky that the task is at least on the right side of the law. Until he spends a few days spinning his wheels and is dragged in front of Cassell for a quick reminder of his priorities. Bill's goons do a little spinning of their own, playing a game of Russian roulette a little too close to the back of Jack's head. It's only blind luck and the mercy of a god he no longer trusts that land Jack back on the street rather than face down in a cellar with a bullet in his skull. He's got one chance to stay alive: find this woman. Unfortunately, he can't escape his own curiosity, and an unnerving hunch quickly turns into a solid fact: just who Jack's looking for, and why, aren't nearly what they seem.

The Quest for Mary Magdalene Michael Haag, 2016-05-24 "A well-researched and page-turning history . . . a narrative as clue-rich as a thriller" from the international bestselling author of *The Templars* (Ben Wilson, Sunday Times). Mary Magdalene is a larger figure than any text, larger than the Bible or the Church; she has taken on a life of her own. She has been portrayed as a penitent whore, a wealthy woman, Christ's wife, an adulteress, a symbol of the frailty of women, and an object of veneration. And, to this day, she remains a potent and mysterious figure. In the manner of a quest, this book follows Mary Magdalene through the centuries, explores how she has been reinterpreted for every age, and examines what she herself reveals about woman and man and the divine. It seeks the real Mary Magdalene in the New Testament and in the gnostic gospels, where she is extolled as the chief disciple of Christ. It investigates how and why the Church recast her as a fallen woman, traces her story through the Renaissance when she became a goddess of beauty and love, and looks at Mary Magdalene as the feminist icon she has become today. "Haag—by dint of a heady combination of pure zest, great imagination and refreshing irreverence . . . drags Mary Magdalene, kicking and screaming, into the very heart of the Biblical narrative." —Nicola Barker, *Spectator* "Mirroring the title and scope of Albert Schweitzer's *The Quest of the Historical Jesus*, Haag pushes back legend and myth to uncover the real Mary Magdalene. . . . A thought-provoking re-examination of a misunderstood heroine of the Bible" —Kirkus Reviews

The Rock Cries Out Steve Stockman, 2004 Steve Stockman, author of the international hit *Walk On: The Spiritual Journey of U2*, explores the music of twelve artists who haven't necessarily professed a Christian faith but whose work is undergirded with issues, questions and insights that are very much biblical. If you look closely, their music is saturated with spiritual context and redemptive messages that can teach life-changing truth to the believer and spiritual seeker alike. Is God speaking through these unlikely prophets? If so, are you listening? Book jacket.

Hollywood Under Siege Thomas R Lindlof,2008-08-08 In 1988, director Martin Scorsese fulfilled his lifelong dream of making a film about Jesus Christ. Rather than celebrating the film as a statement of faith, churches and religious leaders immediately went on the attack, alleging blasphemy. At the height of the controversy, thousands of phone calls a day flooded the Universal switchboard, and before the year was out, more than three million mailings protesting the film fanned out across the country. For the first time in history, a studio took responsibility for protecting theaters and scrambled to recruit a field crisis team to guide The Last Temptation of Christ through its contentious American openings. Overseas, the film faced widespread censorship actions, with thirteen countries eventually banning the film. The response in Europe turned violent when opposition groups sacked theaters in France and Greece and caused injuries to dozens of moviegoers. Twenty years later, author Thomas R. Lindlof offers a comprehensive account of how this provocative film came to be made and how Universal Pictures and its parent company MCA became targets of the most intense, unremitting attacks ever mounted against a media company. The film faced early and determined opposition from elements of the religious Right when it was being developed at Paramount during the last year the studio was run by the celebrated troika of Barry Diller, Michael Eisner, and Jeffrey Katzenberg. By the mid-1980s, Scorsese's film was widely regarded as unmakeable—a political stick of dynamite that no one dared touch. Through the joint efforts of two of the era's most influential executives, CAA president Michael Ovitz and Universal Pictures chairman Thomas P. Pollock, this improbable project found its way into production. The making of The Last Temptation of Christ caught evangelical Christians at a moment when they were suffering a crisis of confidence in their leadership. The religious right seized on the film as a way to rehabilitate its image and to mobilize ordinary citizens to attack liberalism in art and culture. The ensuing controversy over the film's alleged blasphemy escalated into a full-scale war fought out very openly in the media. Universal/MCA faced unprecedented calls for boycotts of its business interests, anti-Semitic rhetoric and death threats were directed at MCA chairman Lew Wasserman and other MCA executives, and the industry faced the specter of violence at theaters. Hollywood Under Siege draws upon interviews with

many of the key figures—Martin Scorsese, Paul Schrader, Michael Ovitz, Jeffrey Katzenberg, Jack Valenti, Thomas P. Pollock, and Willem Dafoe—to explore the trajectory of the film from its conception to the subsequent epic controversy and beyond. Lindlof offers a fascinating dissection of a critical episode in the embryonic culture wars, illuminating the explosive effects of the clash between the interests of the media industry and the forces of social conservatism.

The New Scottish Cinema Jonathan Murray, 2015-03-31 From a near standing start in the 1970s, the emergence and expansion of an aesthetically and culturally distinctive Scottish cinema proved to be one of the most significant developments within late-twentieth and early twenty-first-century British film culture. Individual Scottish films and filmmakers have attracted notable amounts of critical attention as a result. *The New Scottish Cinema*, however, is the first book to trace Scottish film culture's industrial, creative and critical evolution in comprehensive detail across a forty-year period. On the one hand, it invites readers to reconsider the known - films such as *Shallow Grave*, *Ratcatcher*, *The Magdalene Sisters*, *Young Adam*, *Red Road* and *The Last King of Scotland*. On the other, it uncovers the overlooked, from the 1980s comedic film makers who followed in the footsteps of Bill Forsyth to the variety of present-day Scottish film making - a body of work that encompasses explorations of multiculturalism, exploitation of the macabre and much else in between. In addition to analysing an eclectic range of films and filmmakers, *The New Scottish Cinema* also examines the diverse industrial, institutional and cultural contexts which have allowed Scottish film to evolve and grow since the 1970s, and relates these to the images of Scotland which artists have put on screen. In so doing, the book narrates a story of interest to any student of contemporary British film.

I Couldn't Love You More Esther Freud, 2021-07-13 A sweeping story of three generations of women, crossing from London to Ireland and back again, and the enduring effort to retrieve the secrets of the past It's London, 1960, and Aoife Kelly—once the sparkling object of young men's affections—runs pubs with her brusque, barking husband, Cash. Their courtship began in wartime London, before they returned to Ireland with their daughters in tow. One of these daughters—fiery, independent-minded Rosaleen—moves back to London, where she meets and begins an affair with the famous sculptor Felix Lehmann, a German-Jewish refugee artist over twice her tender eighteen years. When Rosaleen finds herself pregnant with Felix's child, she is evicted from her flat, dismissed from her job, and desperate to hide the secret from her family. Where, and to whom, can she turn? Meanwhile, Kate, another generation down, lives in present-day London with her young daughter and husband, an unsuccessful musician and destructive alcoholic. Adopted and floundering to find a sense of herself in the midst of her unhappy marriage, Kate sets out to track down her birth mother, a search that leads her to a Magdalene Laundry in Ireland and the harrowing history that it holds. Stirring and nostalgic at moments, visceral and propulsive at others, *I Couldn't Love You More* is a tender, candid portrait of love, sex, motherhood, and the enduring ties of family. It is impossible not to fall under the spell of this tale of mothers and daughters, wives and muses, secrets and outright

lies. From Soho to London to Ireland, *I Couldn't Love You More* is a captivating novel that delves into the complexities of womanhood and feminism, earning it a spot among the best novels about women.
