*East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More* Susan G. Davis,2019-12-13 East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More By: Susan G. Davis In 1995 Susan G. Davis (Nan is what Susan's 5 year old grandson called her) 5 year old grandson Clint gave her a journal for Christmas. He suggested "why don't you put all of those quotes you're collecting in that old notebook in this journal" So for 20 years Davis filled her journal. When Clint came home on leave from the Air Force and asked her about the journal, he was surprised that she had accumulated enough information to fill the entire journal! It was he who suggested she put together her collection and create this book for everyone to enjoy. Within the pages of *East Texas Nan's Favorite 1,000 Quotes on Inspiration, Wisdom, Humor, Texas & More*, Davis hopes that anyone can walk away with something that will enrich their daily lives.

Whether it be a ray of optimism, an answered question, inspiration when they need to be uplifted or when they need their funny bone tickled or and animal anecdote to tug at their heart strings or some Texas tidbit. This little book has something for everyone and can be read over and over.

**River Rose and the Magical Lullaby** Kelly Clarkson,2016-10-04 It's bedtime for River Rose in this brilliant debut picture book from superstar mum, Grammy Award-winner Kelly Clarkson, with beautiful illustrations by Laura Hughes.

*Faith and Fashion* Julie Cole,Graham Cole,2022-08-24 We all wear clothes. But are you concerned that your fashion choices are mere vanity or wasteful or environmentally harmful? The question is how to look our best in a responsible and wise way that avoids guilt, vanity, and immodesty. Jules and Graham Cole bring their expertise to bear on this question in this unique collaboration: Jules as a fashion designer and Graham as a theologian. This book pays attention to differences in body type and the challenge of best fit and does so in an environmentally sustainable way. In this work, you will find hints on how to dress and how to coordinate a wardrobe that is economically responsible and minimizes landfill. The book seeks to honor the God of the Bible who values beauty. The discussion culminates in considering the ultimate wardrobe change. Fashions come and go, but to be clothed with Christ is never out of date.

**I Do It with the Lights On** Whitney Way Thore,2016-05-31 From the star of TLC's My Big Fat Fabulous Life and the YouTube sensation "A Fat Girl Dancing" comes an empowering memoir about letting go of your limitations and living the life you deserve. Right now. Whitney Way Thore stands five feet two inches tall and weighs well over three hundred pounds, and she is totally, completely, and truly . . . happy. But she wasn't always the vivacious, confident woman you see on TV. Growing up as a dancer, Whitney felt the pressure to be thin, a desire that grew into an obsession as she got older. From developing an eating disorder as a teenager, to extreme weight gain in college, to her ongoing struggle with polycystic ovarian syndrome (PCOS), Whitney reveals her fight to overcome the darkest moments in her life. She holds nothing back, opening up about the depths of her depression as well as her resilience in the face of constant harassment and mistreatment. Now Whitney is on top of the world and taking no BS (Body Shame, of course). And she's sharing the steps she took to get there and the powerful message behind her successful No Body Shame campaign. She even reveals her favorite "F" word (it's probably not what you think), the thrill of doing it with the lights on, and the story behind the "Fat Girl Dancing" video that started it all. Exuberant and utterly honest, *I Do It with the Lights On* is the inspiring story of how Whitney finally discovered her fabulousness when she stepped off the scale and into her life, embracing herself unconditionally—body, heart, and soul. Advance praise for *I Do It with the Lights On* "Whitney's story is one of radical vulnerability. She is a vibrant example of what it means to choose confidence when insecurity beckons from every corner. She is cool, funny, and shameless—in the best possible way."—Kelsey Miller, author of *Big Girl: How I Gave Up Dieting & Got a Life* "Soaring above expectations, *I Do It with the Lights On* delves into the complicated relationship between a woman and her body. With her trademark charisma,

Whitney emerges triumphant, plucking from the mire some of the most important realizations one can hope to have. If you have a body, this memoir is a must-read.”—Linda Bacon, PhD

*Strategic Reinvention in Popular Culture* Richard Pfefferman,2013-12-11 Not all original works invoke the encore impulse in their audiences. Those that do generally spawn replications - sequels, spin-offs, or re-makes. This book presents a theory of why some replications succeed and others fail across genres and media.

*Pride* Caitlyn McNeill,2024-04-02 These thoughtfully selected quotations have been taken from throughout history, and from a variety of voices, celebrating everything the LGBTQIA+ community has achieved. Containing words of courage, hope, and pride, they focus on inclusivity and remind us that love is one of the world’s greatest powers. Featuring the vibrant colors of a contemporary illustrator, this is the perfect way for allies and community members alike to share their pride with energy, hope, and joy.

**Manufacturing Celebrity** Vanessa Díaz,2020-08-14 In *Manufacturing Celebrity* Vanessa Díaz traces the complex power dynamics of the reporting and paparazzi work that fuel contemporary Hollywood and American celebrity culture. Drawing on ethnographic fieldwork, her experience reporting for *People* magazine, and dozens of interviews with photographers, journalists, publicists, magazine editors, and celebrities, Díaz examines the racialized and gendered labor involved in manufacturing and selling relatable celebrity personas. Celebrity reporters, most of whom are white women, are expected to leverage their sexuality to generate coverage, which makes them vulnerable to sexual exploitation and assault. Meanwhile, the predominantly male Latino paparazzi can face life-threatening situations and endure vilification that echoes anti-immigrant rhetoric. In pointing out the precarity of those who hustle to make a living by generating the bulk of celebrity media, Díaz highlights the profound inequities of the systems that provide consumers with 24/7 coverage of their favorite stars.

*Stuck Is Not a Four-Letter Word* Deborah Johnson,2013-07 You may be facing bankruptcy, a broken marriage, a dead-end career, unemployment, or a health crisis. You may feel none of the breaks are going your way and that the circumstances of life are all against you. Feeling stuck can leave you feeling alone, isolated, abandoned, and ultimately confused about the decision of your next life move. The good news is that you can take action to free yourself and start moving down a new path. Building on inspiring interviews, illustrations, and stories, author Deborah Johnson presents seven steps to getting un-stuck: - Define your trap. - Reassess your assets. - Reinvent yourself. - Eliminate distractions. - Play like you're in the major leagues. - Do the business. - Ask what you can give. *Stuck Is Not a Four-Letter Word* provides you with the direction you need to face your life with the courage that hope brings, and the bravery to take the necessary steps to move forward.

**We Oughta Know** Andrea Warner,2024-10-15 A lively collection of essays that re-examines the extraordinary legacies of the four Canadian women who dominated '90s music and changed the industry forever Fully revised and updated, with a

foreword by Vivek Shraya “A fascinating, fun, and infuriating read.” — Tegan Quin, Tegan and Sara In this of-the-moment essay collection, celebrated music journalist Andrea Warner explores the ways in which Céline Dion, Shania Twain, Alanis Morissette, and Sarah McLachlan became bonafide global superstars while revolutionizing '90s music. In an era when male-fronted musical acts dominated radio and were given serious critical consideration, these four women were reduced, mocked, and disparaged by the media and became pop culture jokes, even as their albums were topping the charts and demolishing sales records. With empathy, humor, and reflections on her own teenaged perceptions of Céline, Shania, Alanis, and Sarah, Andrea offers us a revised and expanded edition of her 2015 book, providing a new perspective on the legacies of the four Canadian women who dominated the '90s airwaves and influenced an entire generation of current day popstars with their voices, fashion, and advocacy. As the world is now reconsidering the treatment and reputations of key women in '90s entertainment, *We Oughta Know* is definitively entering the chat.

**One Hundred Lengths of the Pool** Julia Roberts, 2013-06-06 Julia Roberts was one of the first two faces to appear on QVC The Shopping Channel in 1993, and her warmth and honesty have encouraged millions to shop from the comfort of their own homes ever since. She was not, however, a stranger to television, having previously appeared in *Beadle's About*, *The Price is Right* and numerous advertisements, including the Woolwich Building Society where she famously asked, 'Can I help you?' None of this would have come about if she hadn't survived the killer disease polio in the 1950s. Not only did she survive but, against all the odds and the advice of her careers teacher at school, she became a professional dancer. That was the start of a long and varied career in the entertainment industry, unless you count appearing on the front cover of a cookery book at the age of ten. She has worked as a DJ, a singer, and actress and, for the last 24 years, a presenter; and it's all in her book *One Hundred Lengths of the Pool*. Each of the hundred lengths is associated with special moments from her life - some professional, some personal, some happy and some sad. However, there is an extra length of the pool that she didn't expect to swim and it has changed her life completely, testing her belief in her favourite saying, 'That which does not kill us, makes us stronger...'

Several years ago, Today show co-host Hoda Kotb began posting a variety of quotes on her Instagram page. Some were penned by a favorite writer; others offered a dose of love or laughter. She thought the quotes were meaningful only to her, but soon a funny thing started happening—reactions poured in from thousands of people who were just as moved. The quotes weren't only providing inspiration to Hoda, they were comforting and connecting people. So many of their comments read, “I really needed this today,” a phrase that inspired the

**The Joy of Coaching** Rebecca Frazier, 2020-08-06 The secrets of coaching excellence are already inside you Successful coaching has long been seen as a mental exercise—in order to do right by the teachers you serve, you put theory into practice, establish orderly processes, analyze data effectively, and implement externally mandated reforms. The truth, though, is that truly great coaches derive their success not just from what they do, but also from who they are. This groundbreaking book, based on research from an innovative mixed-methods study, provides a holistic approach to coaching that honors both mind and heart. As you explore the most important characteristics of the best instructional coaches—caring, authenticity, trustworthiness, flexibility, and more—you'll develop and hone those same characteristics in yourself. Features include: · A framework and structure for developing the characteristics of effective instructional coaches · Comprehensive analysis of each characteristic · Examples and stories of effective coaching in action · Activities, exercises, and action points · Resources for encouragement and renewal School coaches have the power to make a real difference in the lives and futures of teachers and students. By balancing your outward competencies with the inspirational application of your own inward growth, you'll bring new joy—and success—into your coaching relationships.

*The Man who Fell in Love with the Moon* Tom Spanbauer, 2000 The plot twists around the questions of humanity in a comic contemporary novel that portrays the trials of Shed, a half-breed, bisexual boy who works at a Victorian whorehouse in the old West.

*Grow Through What You Go Through* Fred Famble, 2018-01-22 *Grow Through What You Go Through*, was written to provide real life insight and scriptural encouragement for the times when life happens. Those times when we have done something (or something was done to us) that tests our faith in God, tries our faith in family and troubles our faith in friends to the brink of our emotional limits! Like walking through the park talking with a close friend, the author uses his unique writing style to keep you engaged and entertained. Along this walking path, there are four benches (sections) the author uses to get you to just sit and reflect: *Time for Some New Friends*, will encourage you to un-friend the guilt and shame associated with your pain. This will allow you to better heal and grow. *The Faith to Forgive*, will help you understand that forgiveness is giving up the hope that the past could have been any different... Oprah Winfrey. *Waiting Room: Taking Pain off Life Support*, will remind you that pain must be transformed rather than merely transferred. We must deliberately choose to no longer be incapacitated by it. *From Tears to Cheers: The Storm is Passing Over*, will inspire you during the aftermath of your emotional storm to perform needed cleanup to get ready for the relief efforts initiated and sent by God. It is the author's intent (and

sincere hope) that this writing will help you focus on the outcome rather than the obstacles of your painful situation. Blessings and Peace!
