

Stephen King Books That Take Place In Maine

Stephen King

Empire Falls Richard Russo, 2017-01-05 WINNER OF THE PULITZER PRIZE FOR FICTION Miles Roby has been slinging burgers at the Empire Grill for 20 years, a job that cost him his college education and much of his self-respect. What keeps him there? It could be his bright, sensitive daughter Tick, who needs all his help surviving the local high school. Or maybe it's Janine, Miles' soon-to-be ex-wife, who's taken up with a noxiously vain health-club proprietor. Or perhaps it's the imperious Francine Whiting, who owns everything in town - and seems to believe that 'everything' includes Miles himself. In *Empire Falls* Richard Russo delves deep into the blue-collar heart of America in a work that overflows with hilarity, heartache, and grace.

[The Cider House Rules](#) John Irving, 2012-05-10 'The reason Homer Wells kept his name was that he came back to St Cloud's so many times, after so many failed foster homes, that the orphanage was forced to acknowledge Homer's intention to make St Cloud's his home.' Homer Wells' odyssey begins among the apple orchards of rural Maine. As the oldest unadopted child at St Cloud's orphanage, he strikes up a profound and unusual friendship with Wilbur Larch, the orphanage's founder - a man of rare compassion and an addiction to ether. What he learns from Wilbur takes him from his early apprenticeship in the orphanage surgery, to an adult life running a cider-making factory and a strange relationship with the wife of his closest friend...

Hearts in Suspension Stephen King, 2016 Includes a reprint of King's *Hearts in Atlantis*, the fictional story of a U. Maine freshman; an essay by King about his years at UM (1966-70); reprints of King's college newspaper column; personal narratives by King's fellow students and friends; and a gallery of photographs--

The Dark Tower Boxed Set Stephen King, 2017-09-05 For the first time ever as a complete ebook series, all of Stephen King's eight *Dark Tower* novels—one of the most acclaimed and popular series of all time. Special bonus: The ebook boxed set now includes *The Complete Concordance*, a user's guide to the *Dark Tower* world. Set in a world of ominous landscape and macabre menace, *The Dark Tower* series features one of Stephen King's most powerful creations—*The Gunslinger*—a haunting figure who embodies the qualities of the lone hero through the ages, from ancient myth to frontier Western legend. As Roland crosses a desert of damnation in a treacherous world that is a twisted image of our own, he moves ever closer to the *Dark Tower* of his dreams—and nightmares. This stunning, must-have collection includes: *The Dark Tower I: The*

Gunslinger; The Dark Tower II: The Drawing of the Three; The Dark Tower III: The Waste Lands; The Dark Tower IV: Wizard and Glass; The Dark Tower: The Wind Through the Keyhole; The Dark Tower V: Wolves of the Calla; The Dark Tower VI: Song of Susannah; and The Dark Tower VII: The Dark Tower. The perfect keepsake for Stephen King fans, The Dark Tower 8-Book Boxed Set is the most extraordinary and imaginative cycle of tales in the English language from “the reigning King of American popular literature” (Los Angeles Daily News).

Elevation Stephen King, 2018-10-30 From legendary master storyteller Stephen King, a riveting story about “an ordinary man in an extraordinary condition rising above hatred” (The Washington Post) and bringing the fictional town of Castle Rock, Maine together—a “joyful, uplifting” (Entertainment Weekly) tale about finding common ground despite deep-rooted differences, “the sign of a master elevating his own legendary game yet again” (USA TODAY). Although Scott Carey doesn’t look any different, he’s been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn’t want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King’s most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott’s lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant, but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott’s affliction bring out the best in people who have indulged the worst in themselves and others. “Written in masterly Stephen King’s signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences” (Booklist, starred review). *Elevation* is an antidote to our divisive culture, an “elegant whisper of a story” (Kirkus Reviews, starred review), “perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing” (Publishers Weekly, starred review).

Different Seasons Stephen King, 2016-01-01 Includes the stories “The Body” and “Rita Hayworth and Shawshank Redemption”—set in the fictional town of Castle Rock, Maine A “hypnotic” (The New York Times Book Review) collection of four novellas—including the inspirations behind the films *Stand By Me* and *The Shawshank Redemption*—from Stephen King, bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with “Rita Hayworth and the Shawshank Redemption,” in which an unjustly imprisoned convict seeks a strange and startling revenge—the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is “Apt Pupil,” the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In “The Body,” four rambunctious young boys plunge through the façade of a small town and come face-to-face with life, death, and intimations of their own

mortality. This novella became the movie Stand By Me. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method." "The wondrous readability of his work, as well as the instant sense of communication with his characters, are what make Stephen King the consummate storyteller that he is," hailed the Houston Chronicle about Different Seasons.

'Salem's Lot Stephen King,2008-12-11 Don't miss King's #1 chilling classic, now a major motion picture from Warner Bros. Pictures. Available in cinemas (UK and Germany) or stream on MAX from October 2024. 'Salem's Lot is a small New England town with white clapboard houses, tree-lined streets and solid church steeples. Of course there are tales of strange happenings - but no more than in any other such town. Ben Mears has returned to the Lot to write a novel and exorcise the terrors that have haunted him since childhood - since the event he witnessed at the Marsten House. He finds the house has been rented by a newcomer, a man who causes Ben some unease. And then things start to happen: a child disappears, a dog is brutally killed - nothing unusual, except the list keeps growing...

The Tommyknockers Stephen King,2016-08-30 Master storyteller Stephen King presents the classic, terrifying #1 New York Times bestseller about a terrifying otherworldly discovery and the effects it has on a small town. "Late last night and the night before, Tommyknockers, Tommyknockers, knocking at the door..." On a beautiful June day, while walking deep in the woods on her property in Haven, Maine, Bobbi Anderson quite literally stumbles over her own destiny and that of the entire town. For the dull gray metal protrusion she discovers in the ground is part of a mysterious and massive metal object, one that may have been buried there for millennia. Bobbi can't help but become obsessed and try to dig it out...the consequences of which will affect and transmute every citizen of Haven, young and old. It means unleashing extraordinary powers beyond those of mere mortals—and certain death for any and all outsiders. An alien hell has now invaded this small New England town...an aggressive and violent malignancy devoid of any mercy or sanity...

The Sun Dog Stephen King,2021-09-09 The No. 1 bestselling author Stephen King's novella The Sun Dog, published in his award-winning 1990 story collection Four Past Midnight, is now available as a standalone publication. It's mine - that was what he had thought when his finger had pushed the shutter-button for the first time. Now he found himself wondering if maybe he hadn't gotten that backward. Kevin Delevan wants only one thing for his fifteenth birthday: a Polaroid Sun 660. There's something wrong with his gift, though. No matter where Kevin aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, Castle Rock's sharpest trader, gets wind of this phenomenon, he devises a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, turns out to be a very dangerous investment.

Storm of the Century Stephen King,2024-12-03 For the first time in Stephen King's remarkable publishing history, the

master storyteller presents an all-new, original tale written expressly for the television screen. They're calling it the Storm of the Century, and it's coming hard. The residents of Little Tall Island have seen their share of nasty Maine Nor'easters, but this one is different. Not only is it packing hurricane-force winds and up to five feet of snow, it's bringing something worse. Something even the islanders have never seen before. Something no one wants to see. Just as the first flakes begin to fall, Martha Clarendon, one of Little Tall Island's oldest residents, suffers an unspeakably violent death. While her blood dries, Andre Linoge, the man responsible sits calmly in Martha's easy chair holding his cane topped with a silver wolf's head...waiting. Linoge knows the townsfolk will come to arrest him. He will let them. For he has come to the island for one reason. And when he meets Constable Mike Anderson, his beautiful wife and child, and the rest of Little Tall's tight-knit community, this stranger will make one simple proposition to them all: If you give me what I want, I'll go away.

Carrie; Christine Stephen King,2002-08-01

Reading Stephen King Brian James Freeman,2023 Stephen King has inspired millions of readers with his writing for more than four decades now, and this special volume of essays gathers together some of his high-profile fans to discuss why they love reading Stephen King. Many of these fans are acclaimed authors of fiction in their own right. Some of them have written insightful books about Stephen King's work, exploring how King's natural storytelling gift has allowed him to create stories that reach people in every language around the world. A few of them have even written, produced, and directed movie adaptations of King's most acclaimed works. Inside this book you will join Clive Barker, Stewart O'Nan, Richard Chizmar, Frank Darabont, Stephen Spignesi, Justin Brooks, Tony Magistrale, Michael R. Collings, Rocky Wood, Robin Furth, Kevin Quigley, Hans-Åke Lilja, Billy Chizmar, Jack Ketchum, Bev Vincent, Mick Garris, and Jay Franco as they discuss their love of reading Stephen King.--Page 4 of cover.

Carrie Stephen King,2011-08-30 #1 NEW YORK TIMES BESTSELLER • 50TH ANNIVERSARY EDITION WITH A NEW INTRODUCTION BY MARGARET ATWOOD • Stephen King's legendary debut, the bestselling smash hit that put him on the

map as one of America's favorite writers • In a world where bullies rule, one girl holds a secret power. Unpopular and tormented, Carrie White's life takes a terrifying turn when her hidden abilities become a weapon of horror. Stephen King's first novel changed the trajectory of horror fiction forever. Fifty years later, authors say it's still challenging and guiding the genre. —Esquire “A master storyteller.” —The Los Angeles Times • “Guaranteed to chill you.” —The New York Times • Gory and horrifying. . . . You can't put it down. —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Desperation, the Regulators Stephen King, 1996

Stephen King's Maine Sharon Kitchens, 2024-05-20 Much of Western Maine reads like a Stephen King novel. The dense dark woods and backcountry ponds. The century-old houses with gravel driveways and immense flower gardens, acres of farmland miles from a highway. Serpentine country roads dotted with farmstands, and picturesque main streets lined with battered pickups. Places where—especially during the dark and rainy days of October and November—things can get downright spooky. Author Sharon Kitchens identifies the locations that serve as the basis for King's fictional towns of Castle Rock, Jerusalem's Lot, Derry, and Haven. Drawing on historical materials and conversations with locals and people who know King, the author sheds light on daily life in places that would become the settings for Carrie, Salem's Lot, The Dead Zone, Cujo, IT, and 11/22/63.

[The Stephen King Companion](#) George Beahm, 2015-10-06 The Stephen King Companion is an authoritative look at horror author King's personal life and professional career, from Carrie to The Bazaar of Bad Dreams. King expert George Beahm, who has published extensively about Maine's main author, is your seasoned guide to the imaginative world of Stephen King, covering his varied and prodigious output: juvenalia, short fiction, limited edition books, bestselling novels, and film adaptations. The book is also profusely illustrated with nearly 200 photos, color illustrations by celebrated Dark Tower artist Michael Whelan, and black-and-white drawings by Maine artist Glenn Chadbourne. Supplemented with interviews with friends, colleagues, and mentors who knew King well, this book looks at his formative years in Durham, when he began writing fiction as a young teen, his college years in the turbulent sixties, his struggles with early poverty, working full-time as an English teacher while writing part-time, the long road to the publication of his first novel, Carrie, and the dozens of bestselling books and major screen adaptations that followed. For fans old and new, The Stephen King Companion is a comprehensive look at America's best-loved bogeyman.

Stephen King Tony Magistrale,2009-12-21 This analysis of the work of Stephen King explores the distinctly American fears and foibles that King has celebrated, condemned, and generally examined in the course of his wildly successful career. *Stephen King: America's Storyteller* explores the particular American-ness of Stephen King's work. It is the first major examination to follow this defining theme through King's 40-year career, from his earliest writings to his most recent novels and films made from them. Stephen King begins by tracing Stephen King's rise from his formative years to his status as a one of the most popular writers in publishing history. It then takes a close look at the major works from his canon, including *The Shining*, *The Stand*, *It*, *Dolores Claiborne*, and *The Dark Tower*. In these works and others, author Tony Magistrale focuses on King's deep rooted sense of the American experience, exemplified by his clear-eyed presentation of our historical and cultural foibles and scars; his gallery of unlikely friendships that cross race, age, and class boundaries; and his transcendent portrayals of uniquely American survival instincts, fellowship, and acts of heroism from the least likely of sources.

The Hidden World of Wysteria Book One: The Paperback Writer of Central Park Owl Willows,2018-09-25 It's the early nineties, and Elizabeth is homeless in New York City. She sleeps in hostels when she can while barely surviving. Writing her novel keeps her going, and when it is published her life changes forever. Along with Brit punk friend Sarah, she starts a writer's group for other indie authors. It is in that group that she meets River, a New Age hippie in whom she finds true love and a kindred spirit. The couple face both joy and tragedy in the city that never sleeps before moving to a cottage in Mystic, Connecticut to begin a new life together and to open a used bookstore. It is behind the bookcase in their cottage that they discover a castle and the wizard who lives there. Zeferaus is a kind but grumbly wizard who loves to drink tea. He befriends River and Elizabeth, and takes them into the world of Wysteria, a land of calming rain and willows. In return for their friendship and a place within Wysteria to live, Zeferaus asks for their aid in a very important matter.

Stephen King from A to Z George Beahm,Beahm,1998-09 Contains hundreds of alphabetically arranged entries that provide information about various aspects of the life and work of popular novelist Stephen King.
