**William O. Bearden, Thomas N. Ingram, Raymond W. LaForge**

**The Pampered Chef** Doris Christopher, 2005-07-05 At Berkshire Hathaway, we like companies that are easy to understand. Doris Christopher's "keep it simple" approach has a lot to teach anyone who is reaching for the American Dream. Frankly, if I can't understand a company's business, I figure their customers must have a pretty hard time figuring it out, too. I would challenge anyone on Wall Street to take \$3,000 and do what Doris Christopher has done: build a business from scratch into a world-class organization. But follow the simple steps in this book, and it just might happen. Come see me in Omaha when you've put together your own recipe for success; we pay cash and Berkshire's check will clear. In the meantime, read this book. Then, read it again. -- Warren Buffet from the foreword to *The Pampered Chef*

*The Pampered Chef* is Doris Christopher's extraordinary account of how she turned an innovative concept and \$3,000 investment into a business with annual sales approaching the billion-dollar mark. It is packed with real-life lessons and inspiring insights for small-business owners and aspiring entrepreneurs. In 1980 Doris Christopher, a former home economist and teacher, was itching to get back into the workforce after an eight-year hiatus as a stay-at-home mom. Drawing on her personal and professional expertise, and determined to make cooking easier and more convenient for families, she started selling high-quality kitchen tools through cooking demonstrations to groups of women in their homes. Today, the company she started in her basement, *The Pampered Chef*, is celebrating its twenty-fifth anniversary and has grown into a corporation with tens of thousands of independent kitchen consultants. Now owned by Berkshire Hathaway, *The Pampered Chef's* Kitchen Consultants present more than a million Kitchen Shows a year, attended by more than 12 million people. *THE PAMPERED CHEF* is the story of the vision, energy, hard work, and chutzpah that drove Christopher and her company to the height of success. She describes her early days as a "one-woman show," chronicles the company's gradual expansion, its challenges and growing popularity, and the process, offers invaluable advice and sound strategies on how to found and grow a business, including: Hard learned lessons for start-up entrepreneurs How to create a business concept and set your priorities Knowing when to expand and when to slow growth so that demand doesn't overwhelm your operations or supplies How to counter the naysayers and deal with adversity Today, as at the company's founding, achieving a better balance between work and family remains central to *The Pampered Chef's* mission. *THE PAMPERED CHEF* brings Christopher's recipe for success to women, and men, everywhere.

**Beyond The Flame** Carrie Collins,2021-09-03 The last thing Kristen Carleo expected when she left work was for the building to explode. That is, until she found out her no-good brother claimed she owned the building and now owes over a half million dollars to people he'd swindled. With only a few months to raise the money, Kristen is doing all she can to stay out of jail and hide from the people after her. Wasting time on men isn't on her schedule. Wondering why he can't catch the eye of Kristen, Martino Mancini finally gets his chance when he's called in for a rescue of a delicate nature. He's puzzled though because the closer they seem to get, the further away she pulls. Blaze knows she's hiding something, but he doesn't know what. All he wants is to help her, all she wants is to protect those she loves. Sparks fly, flames rage, can their relationship stand the heat?

This winning combination results in dishes that range from elegant Chicken Braised with Figs to soul-satisfying Cuban Black Bean Soup to to-die-for homemade Dulce de Leche. And then, of course, there are Daisy's Top Ten Hits--the recipes that, once you try them, are guaranteed to change the way you cook forever. In this first chapter, Daisy shows how simple flavor boosters, in addition to a few easy techniques, can make every meal mouthwateringly special. In Daisy's words, If you can season, cook, and dress pork chops and serve them alongside fragrant yellow rice in less than thirty minutes, I can't imagine why you'd eat anything from a cardboard carton! With ingredients that are found in almost every supermarket, equipment that every kitchen contains, and a little bit of adventurousness on your part, the recipes in this book will transform your mealtimes for good. So jump right in--it's time to get Daisy-fied!

**Traffick** Paulin Zavala,2016-03-03 “Why are you angry?” she said in a low but firm voice. “Because I can’t understand how you can be so calm about it!” “So I have to holler around and broke into hysteria so you consider me sane?” she frowned at him. “Anything, something!” he asked, “Cry, yell at me, hit me if you need to, but don’t remain so calm! It makes me nervous!” “I’m sorry, but I won’t” she closed her eyes again, “I’m sorry you got used to the drugged version of myself, but that’s not me.” What happens when the woman you're in love with is not who she think she is?
