Who Killed My Father Édouard Louis, 2019-02-21 Who Killed My Father is the story of a tough guy - the story of the little boy I never was. The story of my father. 'What a beautiful book' MAX PORTER In Who Killed My Father, Édouard Louis explores key moments in his father's life, and the tenderness and disconnects in their relationship. Told with the fire of a writer determined on social justice, and with the compassion of a loving son, the book urgently and brilliantly engages with issues surrounding masculinity, class, homophobia, shame and social poverty. It unflinchingly takes aim at systems that disadvantage those they seek to exclude - those who have their expectations, hopes and passions crushed by a society which gives them little thought. 'Édouard Louis is the vanguard of France's new generation of political writers' Evening Standard

First They Killed My Father Loung Ung, 2017-09-26 A major film, co-written and directed by Angelina Jolie Until the age of five, Loung Ung lived in Phnom Penh, one of seven children of a high-ranking government official. She was a precocious child who loved the open city markets, fried crickets, chicken fights and being cheeky to her parents. When Pol Pot's Khmer Rouge army stormed into Phnom Penh in April 1975, Loung's family fled their home and were eventually forced to disperse to survive. Loung was trained as a child soldier while her brothers and sisters were sent to labour camps. The surviving siblings were only finally reunited after the Vietnamese penetrated Cambodia and started to destroy the Khmer Rouge. Bolstered by the bravery of one brother, the vision of the others and the gentle kindness of her sister, Loung forged on to create for herself a courageous new life. First They Killed My Father is an unforgettable book told through the voice of the young and fearless Loung. It is a shocking and tragic tale of a girl who was determined to survive despite the odds.

My Mother She Killed Me, My Father He Ate Me Kate Bernheimer, 2010-09-28 The fairy tale lives again in this book of forty new stories by some of the biggest names in contemporary fiction, science fiction, fantasy, and magical realism. Neil Gaiman, "Orange" Aimee Bender, "The Color Master" Joyce Carol Oates, "Blue-bearded Lover" Michael Cunningham, "The Wild Swans" These and more than thirty other stories by Francine Prose, Kelly Link, Jim Shepard, Lydia Millet, and many other extraordinary writers make up this thrilling celebration of fairy tales—the ultimate literary costume party. Spinning houses and talking birds. Whispered secrets and borrowed hope. Here are new stories sewn from old skins, gathered by visionary editor Kate Bernheimer and inspired by everything from Hans Christian Andersen's "The Snow Queen" and "The Little Match Girl" to Charles Perrault's "Bluebeard" and "Cinderella" to the Brothers Grimm's "Hansel and Gretel" and

“Rumpelstiltskin” to fairy tales by Goethe and Calvino and from China, Japan, Vietnam, Russia, Norway, and Mexico. Fairy tales are our oldest literary tradition, and yet they chart the imaginative frontiers of the twenty-first century as powerfully as they evoke our earliest encounters with literature. This exhilarating collection restores their place in the literary canon.

How I Killed My Father. Theriso, 2017-03-27 Daily writings of a young girl who lost her father. How she rationalizes the death, how her day-to-day life after the passing of her father goes. Ultimately how she killed her father.

Kill the Father Sandrone Dazieri, 2017-12-19 In this fascinatingly complex thriller, two people, each shattered by their past, team up to solve a series of killings and abductions—unspeakable crimes that turn out to be merely the surface of something far more sinister. When a woman is beheaded in a park outside Rome and her six-year-old son goes missing, the police arrest the woman’s husband and await his confession. But the city’s Chief of Major Crimes has his doubts and assigns two of Italy’s top analytical minds to the case: Deputy Captain Colomba Caselli, a fierce, warrior-like detective still reeling from a horrific mass killing she survived, and Dante Torre, a man who spent his childhood trapped inside a concrete silo. Fed through the gloved hand of a masked kidnapper who called himself “the Father,” Dante emerged from his ordeal with crippling claustrophobia but, also, with an unquenchable thirst for knowledge. All evidence suggests that the Father is back at work and wants a reunion with Dante. But when Colomba and Dante begin unraveling the truth, they find themselves wanted for murder. Now Dante and Colomba must travel down a number of dark tunnels, both literal and figurative, as they confront the question that may solve it all: what lies beneath the water in a remote Italian quarry? And what might that revelation mean for ten children who have recently gone missing? *Kill the Father* boasts a brilliantly layered plot that offers new and more haunting revelations at every turn. Not since Thomas Harris’s *The Silence of the Lambs* has there been as intriguing a pairing of hard-charging female detective and “damaged” savant, and not since Jo Nesbo has there been a foreign thriller talent as promising.

Lucky Child Loung Ung, 2010-06-30 After enduring years of hunger, deprivation, and devastating loss at the hands of the Khmer Rouge, ten-year-old Loung Ung became the lucky child, the sibling chosen to accompany her eldest brother to America while her one surviving sister and two brothers remained behind. In this poignant and elegiac memoir, Loung recalls her assimilation into an unfamiliar new culture while struggling to overcome dogged memories of violence and the deep scars of war. In alternating chapters, she gives voice to Chou, the beloved older sister whose life in war-torn Cambodia so easily could have been hers. Highlighting the harsh realities of chance and circumstance in times of war as well as in times of peace, *Lucky Child* is ultimately a testament to the resilience of the human spirit and to the salvaging strength of family bonds.

History of Violence Édouard Louis, 2018-06-14 ** Shortlisted for the 2020 International Dublin Literary Award ** The radical, urgent new novel from the author of *The End of Eddy* - a personal and powerful story of violence. I met Reda on

Christmas Eve 2012, at around four in the morning. He approached me in the street, and finally I invited him up to my apartment. He told me the story of his childhood and how his father had come to France, having fled Algeria. We spent the rest of the night together, talking, laughing. At around 6 o'clock, he pulled out a gun and said he was going to kill me. He insulted me, strangled and raped me. The next day, the medical and legal proceedings began. *History of Violence* retraces the story of that night, and looks at immigration, class, racism, desire and the effects of trauma in an attempt to understand a history of violence, its origins, its reasons and its causes. 'It stays with you' *Times* 'A heartbreaking novel' John Boyne

When Dad Killed Mom Julius Lester, 2003-06-01 A brother and sister cope with loss and trauma—and fight to keep what's left of their family together—in a “compelling” novel by a Newbery Honor Medal winner. Jenna and Jeremy knew their parents' marriage was in trouble. That was pretty obvious. But no one who knew the family could have predicted what would come next. One afternoon, Jenna and Jeremy are pulled from class and given horrifying news: their father, a college psychologist, has just shot their mother to death on a public street. Now, Mom is dead, Dad is in jail, and a fifth-grade boy and his fourteen-year-old sister have a lot to reconcile. Not only grief, anger, confusion, and guilt—but their dad's motive, the secrets in their mother's diary, and shifting loyalties that are driving Jenna and Jeremy even further apart. With their fragile new lives in free fall, and their father about to stand trial, they're now going to have to confront the unimaginable. From an author who has been a finalist for the National Book Award, among numerous other honors, this is “a compelling story suffused with raw and honest emotion” (*Kirkus Reviews*) and “a taut psychological mystery” (*Publishers Weekly*).

After They Killed Our Father Loung Ung, 2012-11-02 In 1980, at the age of ten, Loung Ung escaped a devastated Cambodia and flew to the US as a refugee. She and her eldest brother, with whom she escaped, left behind their three surviving siblings, and her book is alternately heart-wrenching and heart-warming, as it follows the parallel lives of Loung and her closest sister, Chou, during the 15 years it took for them to be reunited. Their two worlds were very different, and Loung's depiction of the contrast between her life in the affluent West and that of her sister, who navigated her way through landmine-strewn fields and survived raids by the Khmer Rouge, is laced with the guilt she feels about being the lucky one. This powerful story helps us to understand what happens when a family is torn apart by politics, adversity and war. It is also the compelling and inspirational tale of a remarkable woman.

The End of Eddy Édouard Louis, 2017-05-02 An autobiographical novel about growing up gay in a working-class town in Picardy. “Every morning in the bathroom I would repeat the same phrase to myself over and over again . . . Today I'm really gonna be a tough guy.” Growing up in a poor village in northern France, all Eddy Bellegueule wanted was to be a man in the eyes of his family and neighbors. But from childhood, he was different—“girlish,” intellectually precocious, and attracted to other men. Already translated into twenty languages, *The End of Eddy* captures the violence and desperation of life in a French factory town. It is also a sensitive, universal portrait of boyhood and sexual awakening. Like Karl Ove Knausgaard or

Edmund White, Édouard Louis writes from his own undisguised experience, but he writes with an openness and a compassionate intelligence that are all his own. The result—a critical and popular triumph—has made him the most celebrated French writer of his generation.

The Little Friend Donna Tartt, 2011-09-30 _____ 'In a literary age of diet and dearth, Tartt invites us to feast ... the opening tragedy strikes a note of rich, flamboyant Southern Gothic that resonates throughout' - Independent 'You will rarely have read better ... Because of Tartt's mastery of suspense, this book will grip readers all the way through to its bitter end' - Guardian 'Destined to become a special kind of classic - a book that precocious young readers pluck from their parents' shelves and devour with surreptitious eagerness, thrilled to discover a writer who seems at once to read their minds and to offer up the sweet-and-sour fruits of exotic, forbidden knowledge' - New York Times Book Review _____ A beautiful new limited edition paperback of *The Little Friend*, Donna Tartt's huge selling second novel, follow up to the worldwide bestseller *The Secret History*, published as part of the Bloomsbury Modern Classics list The sunlit rails gleamed like dark mercury, arteries branching out silver from the switch points; the old telegraph poles were shaggy with kudzu and Virginia creeper and, above them, rose the water tower, its surface all washed out by the sun. Harriet, cautiously, stepped towards it in the weedy clearing. Around and around it she walked, around the rusted metal legs. One day is never, ever discussed by the Cleve family. The day that nine-year-old Robin was found hanging by the neck from a tree in their front garden. Twelve years later the family are no nearer to uncovering the truth of what happened to him. Inspired by Houdini and Robert Louis Stevenson, twelve-year-old Harriet sets out to find her brother's murderer - and punish him. But what starts out as a child's game soon becomes a dangerous journey into the menacing underworld of a small Mississippi town.

Unconditional Love - My Father Killed My Mother... This is the True Story of How I Learnt to Forgive Him Natalia Aggiano, 2008-05-05 Elva Aggiano was murdered in 1997 by her husband Bruno. Of the four Aggiano children, three vowed never to speak to their father again. Remarkably, their daughter Natalia renewed her relationship with Bruno and became his friend and companion until his death in 2066. This is her astonishing story. Kind and loyal, Elva was a bright young woman from a typical English seaside town who was swept off her feet by an older, handsome Italian bodybuilder. It was all she had ever wanted; the promise of life as a loving mother and devoted wife. But a dark secret from her past left vulnerable to Bruno's brooding, possessive nature, and behind closed doors, Elva's family idyll turned into a reign of terror of both mental and physical abuse for her and her children. Their daughter Natalia speaks for the first time about how the family suffered, about her escape onto the streets aged 17 and her traumatic struggle to survive alone. Natalia finally persuaded Elva to run away along with her youngest son and for the first time, Elva found the happiness and confidence that had always eluded her. But it was not to last. Giving way to Bruno's request to see his young son, Elva returned to the marital home, where Bruno

mercilessly stabbed her to death. Against all odds, Natalia found the courage to stand by her father even after he'd ripped the family apart. During often harrowing visits to Rampton high-security psychiatric hospital, she learned to love Bruno for the first time. Her fascinating journey led Natalia to honour her mother's memory, finding a way to live forgiveness and unconditional love. 'Amazing' - Peter Andre 'An extraordinary young woman and so selfless' - Carol Vorderman

Dreams From My Father Barack Obama, 2008-11-20 An international bestseller which has sold over a million copies in the UK, *Dreams From My Father* is a refreshing, revealing portrait of a young man asking big questions about identity and belonging. The son of a Black African father and a white American mother, Barack Obama recounts an emotional odyssey, retracing the migration of his mother's family from Kansas to Hawai'i, then to his childhood home in Indonesia. Finally he travels to Kenya, where he confronts the bitter truth of his father's life and at last reconciles his divided inheritance. Written nearly fifteen years before becoming president, *Dreams from My Father* is an unforgettable read. It illuminates not only Obama's journey, but also our universal desire to understand our history and what makes us who we are.

Lulu in the Sky Loung Ung, 2012-04-17 Concluding the trilogy that started with the bestselling memoir *First They Killed My Father*, Loung Ung describes her college experience and her first steps into adulthood, revealing her struggle to reconcile with her past while moving forward towards happiness. After the violence of the Khmer Rouge and the difficult assimilation experience of a refugee, Loung's daily struggle to keep darkness, anger, and depression at bay will finally find two unexpected allies: the empowering call of activism, and the redemptive power of love. *Lulu in the Sky* is the story of Loung's journey to a Cambodian village to reconnect with her mother's spirit; to a vocation that will literally allow her to heal the landscape of her birth; and to the transformative influence of a supportive marriage to a loving man.

In My Father's Name Mark Arax, 1996 Two decades after his father's unsolved murder, Mark Arax uprooted his family and returned to Fresno under an assumed name, determined to put the past to rest. This vivid memorial to the incidental victims of homicide (Rosellen Brown, *New York Times Book Review*) presents a compelling record of how circumstances shape us, the way a single event can redirect our lives (David Ulin, *Newsday*).
