

Worst Cooks In America Drag Queens

Antoni Porowski, Tan France, Jonathan Van Ness, Bobby Berk, Karamo Brown

RuPaul's Drag Race and the Shifting Visibility of Drag Culture Niall Brennan, David Gudelunas, 2017-10-05 This book identifies and analyzes the ways in which RuPaul's Drag Race has reshaped the visibility of drag culture in the US and internationally, as well as how the program has changed understandings of reality TV. This edited volume illustrates how drag has become a significant aspect of LGBTQ experience and identity globally through RuPaul's Drag Race, and how the show has reformed a media landscape in which competition and reality itself are understood as given. Taking on lenses addressing race, ethnicity, geographical origin, cultural identity, physicality and body image, and participation in drag culture across the globe, this volume offers critical, non-traditional, and first-hand perspectives on drag culture.

The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner) Jill Conner Browne, 2004-11-30 They're wild, beloved, and all-around fabulous, but with the Sweet Potato Queens, there're just never enough good times—or enough good eats. Well, now all fabulous women everywhere can have their own mountains of royal fun and food, because bestselling author and Boss Queen Jill Conner Browne is revealing her big-ass top secret recipes—and the events that inspired them—in The Sweet Potato Queens' Big-Ass Cookbook (and Financial Planner). And, of course, she's dishing up plenty of hilarious stories, including: • Queenly adventures in mothering • The tiniest bit of plastic surgery • The all-true story of the Cutest Boy in the World And, oh yes, as promised: Sound financial planning. Tip number one: Hope that Daddy lives forever.

Queer Eye Antoni Porowski, Tan France, Jonathan Van Ness, Bobby Berk, Karamo Brown, 2018-11-15 From the Fab Five - the beloved hosts of Netflix's viral hit Queer Eye - comes a book, and an official guide, that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. Feeling your best is about far more than deciding what colour to paint your accent wall or how to apply nightly moisturiser. It's also about creating a life that's well-rounded, filled with humour and understanding and most importantly, that suits you. At a cultural moment when we are all craving people to admire, Queer Eye offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. Above all else, Queer Eye aims to help you create a happy and healthy life, rooted in self-love and authenticity.

The Unforgettable Queens of Islam Shahla Haeri,2020-03-26 In this landmark study, Shahla Haeri offers the extraordinary biographies of several Muslim women rulers and leaders who reached the apex of political systems of their times. Their stories illuminate the complex and challenging imperatives of dynastic succession, electoral competition and the stunning success they achieved in medieval Yemen and India, and modern Pakistan and Indonesia. The written history of Islam and the Muslim world is overwhelmingly masculine, having largely ignored women and their contributions until well into the 20th century. Religious and legal justifications have been systematically invoked to justify Muslim women's banishment from politics and public domains. Yet this patriarchal domination has not gone on without serious challenges by women - sporadic and exceptional though their participation in the battle of succession has been. The Unforgettable Queens of Islam highlights lives and legacies of a number of charismatic women engaged in fierce battles of succession, and their stories offer striking insights into the workings of political power in the Muslim world.

The Secret Diary of Adrian Mole Aged 13 3/4 Sue Townsend,2012-01-19 'My comfort read. The best diaries ever written' ADAM KAY, GUARDIAN 'Every child in the country should receive a copy on their thirteenth birthday' CAITLIN MORAN 'One of literature's most endearing figures. Mole is an excellent guide for all of us' OBSERVER **In 2022 Sue Townsend was awarded the Legacy Achievement Award by the Comedy Women in Print prize** AS SEEN IN THE TIMES _____ Friday January 2nd I felt rotten today. It's my mother's fault for singing 'My Way' at two o'clock in the morning at the top of the stairs. Just my luck to have a mother like her. There is a chance my parents could be alcoholics. Next year I could be in a children's home. Meet Adrian Mole, a hapless teenager providing an unabashed, pimples-and-all glimpse into adolescent life as he writes candidly about the dog, his parents' marital troubles and life as a tortured poet and 'misunderstood intellectual.' Forty years after it first appeared, Sue Townsend's comic masterpiece continues to be rediscovered by new generations of readers. _____ 'The UK's bestselling fiction book of the eighties and one of the great comic creations of the past half-century. Impeccable comic timing, evergreen comic writing. I had more pure reading pleasure than from any other book I read this year' John Self, The Times 'Reading The Secret Diary of Adrian Mole when I was 14 felt quite like an awakening' GREG DAVIES, Sunday Times 'Townsend has held a mirror up to the nation and made us happy to laugh at what we see' SUNDAY TELEGRAPH 'One of Britain's most celebrated comic writers' GUARDIAN

Tragedy of Titus Andronicus William Shakespeare,1897

The Ladies' Book of Etiquette Florence Hartley,2017-03-17 This charmingly instructive 1860 guide offers timeless advice for proper behavior in every situation, from traveling abroad and hosting a dinner party to choosing clothes and attending a wedding.

Fast Food Nation Eric Schlosser,2001 An exploration of the fast food industry in the United States, from its roots to its long-term consequences.

Difficult Men Brett Martin,2013-06-27 The 10th anniversary edition, now with a new preface by the author A wonderfully smart, lively, and culturally astute survey. - The New York Times Book Review Grand entertainment...fascinating for anyone curious about the perplexing miracles of how great television comes to be. - The Wall Street Journal I love this book...It's the kind of thing I wish I'd been able to read in film school, back before such books existed. - Vince Gilligan, creator of Breaking Bad and co-creator of Better Call Saul In the late 1990s and early 2000s, the landscape of television began an unprecedented transformation. While the networks continued to chase the lowest common denominator, a wave of new shows on cable channels dramatically stretched television's narrative inventiveness, emotional resonance, and creative ambition. Combining deep reportage with critical analysis and historical context, Brett Martin recounts the rise and inner workings of this artistic watershed - a golden age of TV that continues to transform America's cultural landscape. *Difficult Men* features extensive interviews with all the major players - including David Chase (*The Sopranos*), David Simon and Ed Burns (*The Wire*), David Milch (*NYPD Blue*, *Deadwood*), Alan Ball (*Six Feet Under*), and Vince Gilligan (*Breaking Bad*, *Better Call Saul*) - and reveals how television became a truly significant and influential part of our culture.

The Condition of the Working-Class in England in 1844 Frederick Engels,2019-09-25 Reproduction of the original: *The Condition of the Working-Class in England in 1844* by Frederick Engels

All the Young Men RUTH COKER. BURKS,2021-08-05

Mr Know-It-All John Waters,2019-09-05 No one knows more about everything - especially everything rude, clever, and offensively compelling - than John Waters. The man in the pencil-thin mustache, auteur of the transgressive movie classics *Pink Flamingos*, *Polyester*, the original *Hairspray*, *Cry-Baby*, and *A Dirty Shame*, is one of the world's great sophisticates, and in *Mr. Know-It-All* he serves it up raw: how to fail upward in Hollywood; how to develop musical taste from *Nervous Norvus* to *Maria Callas*; how to build a home so ugly and trendy that no one but you would dare live in it; more important, how to tell someone you love them without emotional risk; and yes, how to cheat death itself. Through it all, Waters swears by one undeniable truth: Whatever you might have heard, there is absolutely no downside to being famous. None at all. Studded with cameos of Waters's stars, from *Divine* and *Mink Stole* to *Johnny Depp*, *Kathleen Turner*, *Patricia Hearst*, and *Tracey Ullman*, and illustrated with unseen photos from Waters's personal collection, *Mr. Know-It-All* is Waters's most hypnotically readable, upsetting, revelatory book - another instant Waters classic. 'Waters doesn't kowtow to the received wisdom, he flips it the bird . . . [Waters] has the ability to show humanity at its most ridiculous and make that funny rather than repellent' Jonathan Yardley, *The Washington Post* 'Carsick becomes a portrait not just of America's desolate freeway nodes - though they're brilliantly evoked - but of American fame itself' Lawrence Osborne, *The New York Times Book Review*

Results Gary L. Neilson,2005 For anyone who's ever said, Wow, that's a great idea, but it'll never happen here or Whew, we pulled it off again, but I'm tired of all this sprinting, *Results* provides robust, practical ideas for becoming and remaining a

resilient business.--BOOK JACKET.

The Queens of England Agnes Strickland,2023-11-21 Agnes Strickland's 'The Queens of England' is a comprehensive and meticulously researched historical account of the lives of various queens who have shaped the history of England. Written in a clear and engaging style, the book provides detailed biographies of each queen, delving into their personal lives, political influences, and contributions to society. Strickland's work is considered a landmark in the field of royal biography, offering a balanced portrayal of these influential women within the broader context of English history. From the fierce reign of Queen Elizabeth I to the tragic story of Queen Anne, the book covers a wide range of queens and their impact on the monarchy. Strickland's vivid and detailed descriptions bring these historical figures to life, making 'The Queens of England' a captivating read for history enthusiasts and scholars alike. Agnes Strickland's dedication to researching and documenting the lives of these influential women shines through in this timeless classic, making it a must-read for anyone interested in the fascinating world of English royalty.

A Taste of Power Elaine Brown,2015-05-20 Profound, funny ... wild and moving ... heartbreaking accounts of a lonely black childhood.... Brown sees racial oppression in national and global context; every political word she writes pounds home a lesson about commerce, money, racism, communism, you name it ... A glowing achievement.” —Los Angeles Times Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words: “I have all the guns and all the money. I can withstand challenge from without and from within. Am I right, Comrade?” It was August 1974. From a small Oakland-based cell, the Panthers had grown to become a revolutionary national organization, mobilizing black communities and white supporters across the country—but relentlessly targeted by the police and the FBI, and increasingly riven by violence and strife within. How Brown came to a position of power over this paramilitary, male-dominated organization, and what she did with that power, is a riveting, unsparing account of self-discovery. Brown’s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school, where she first sensed what it meant to be black, female, and poor in America. She describes her political awakening during the bohemian years of her adolescence, and her time as a foot soldier for the Panthers, who seemed to hold the promise of redemption. And she tells of her ascent into the upper echelons of Panther leadership: her tumultuous relationship with the charismatic Huey Newton, who would become her lover and her nemesis; her experience with the male power rituals that would sow the seeds of the party's demise; and the scars that she both suffered and inflicted in that era’s paradigm-shifting clashes of sex and power. Stunning, lyrical, and acute, this is the indelible testimony of a black woman’s battle to define herself.

The Golden Chersonese and the Way Thither Isabella Lucy Bird,1883

The History and Present State of Virginia Robert Beverley,2014-05-13 While in London in 1705, Robert Beverley wrote and published The History and Present State of Virginia, one of the earliest printed English-language histories about

North America by an author born there. Like his brother-in-law William Byrd II, Beverley was a scion of Virginia's planter elite, personally ambitious and at odds with royal governors in the colony. As a native-born American--most famously claiming I am an Indian--he provided English readers with the first thoroughgoing account of the province's past, natural history, Indians, and current politics and society. In this new edition, Susan Scott Parrish situates Beverley and his History in the context of the metropolitan-provincial political and cultural issues of his day and explores the many contradictions embedded in his narrative. Parrish's introduction and the accompanying annotation, along with a fresh transcription of the 1705 publication and a more comprehensive comparison of emendations in the 1722 edition, will open Beverley's History to new, twenty-first-century readings by students of transatlantic history, colonialism, natural science, literature, and ethnohistory.

Global Appetites Allison Carruth,2013-05-31 This literary study explores how agribusiness, industrial agriculture and countercultural food movements underpin modern American conceptions of global power.

Architecture for the Poor Hassan Fathy,2010-02-15 Architecture for the Poor describes Hassan Fathy's plan for building the village of New Gourn, near Luxor, Egypt, without the use of more modern and expensive materials such as steel and concrete. Using mud bricks, the native technique that Fathy learned in Nubia, and such traditional Egyptian architectural designs as enclosed courtyards and vaulted roofing, Fathy worked with the villagers to tailor his designs to their needs. He taught them how to work with the bricks, supervised the erection of the buildings, and encouraged the revival of such ancient crafts as claustra (lattice designs in the mudwork) to adorn the buildings.

Transgender Warriors Leslie Feinberg,1996 In this fascinating personal journey through history, the author uncovers persuasive evidence that there have always been people who crossed the cultural boundaries of gender.
