*The Great Pearl of Wisdom* Bangambiki Habyarimana, 2015-10-04 Miscellaneous thoughts and insights on life that come to me when I am alone gazing at the starry sky at night, walking by the sea, through the wood, watching people at a party, going to the market, by a chance encounter or when my sleep fails me. It's an intimate conversation with myself, trying to make sense of anything my mind is brought to think about as I plunge deep inside the farthest corners of my mind looking for that evasive Truth which the wizards of old have tried to capture in vain.

This book is a love letter - Dolly Alderton

**Nothing Special** Charlotte Joko Beck, Steve Smith, 2009-03-11 The Zen master and author of *Everyday Zen* shares the simple, essential wisdom of embracing the ordinary in life. Zen is life itself, nothing added. But for many of us, pursuing a spiritual path involves fantasies about our future lives—fantasies that separate us from ourselves and leave us anxious to achieve a resolution that is constantly receding just past the horizon of reality. In *Nothing Special*, Charlotte Joko Beck reveals how living in the knowledge that “things are always just as they are” is not the counsel of despair but an invitation to joy. Author of the Zen classic, *Everyday Zen*, Charlotte Joko Beck now shows readers how to awaken to daily life and discover the ideal in the everyday, finding riches in our feelings, relationships, and work. *Nothing Special* offers the rare and delightful experience of learning in the authentic Buddhist tradition with a wonderfully contemporary Western master.

If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. They have an amazing capacity to lighten physical, emotional, and mental

burdens by simply being there. Life can be awful. Life can be ugly. And still there are those who smile at the darkness, anticipating the beauty of an eventual sunrise. Yes, love is a super power.
