Carlos Ruiz Zafon

El precio de la pasión Gabriel Rolón,2019-10-01 El nuevo libro de Gabriel Rolón echa anclas en las aguas profundas de la pasión. Esa fuerza primitiva que grita en nosotros desde el principio de los tiempos, y nos lleva a un límite en el que la distancia entre el placer y el dolor es nada más que una respiración. Un territorio habitado por dioses y demonios, por héroes épicos que han dado batallas antológicas, y esos otros cotidianos y de a pie, héroes anónimos que dan pelea poniendo en juego su piel con la misma intensidad, con el mismo arrebató. Mitos e historias: hombres y dioses que caminan de la mano por ese borde en el que la razón trastabilla y pierde sus herramientas para explicar el mundo. Y es ahí, entonces, donde El precio de la pasión recurre a la mitología, la literatura, la música, el cine y, cómo no, al consultorio del analista para llevar algo de luz a la penumbra de ese abismo que nos atrae de manera irresistible. El amor, el desamor, la soledad, la desesperación, el deseo, la angustia, los celos, el duelo, el éxito, el fracaso y la felicidad se dan cita en este breve ensayo nocturno en el que Gabriel Rolón encuentra, una vez más, ese tono ajustado, preciso, siempre certero, para decirnos que cielo e infierno están muy cerca, pero que entre ellos hay toda una vida para sentir.

THE HOURS OF THE PASSION OF OUR LORD JESUS CHRIST LUISA PICCARRETA,2023-02-28 In 1914, Luisa writes in a letter to the now Saint, Annibale M. di Francia: "I am finally sending you this handwritten copy of The Hours of the Passion of Our Lord Jesus Christ. May it all be for His greater Glory. I have also enclosed a few pages where I describe the effects and the beautiful promises that Jesus makes to everyone who meditates these Hours of the Passion. I believe that if whoever meditates on them is a sinner, he will convert; if he is imperfect, he will become perfect; if he is holy, he will become holier; if he is tempted, he will find victory; if suffering, he will find strength, medicine, and comfort in these Hours; if weak and poor, he will find a spiritual food and a mirror in which to look at himself continually and so become beautiful and similar to Jesus, our model".

Outlive Your Life Max Lucado,2012-04-23 Dear Friend, May I share a story that is very dear to my heart? It's a story of hillbillies and simple folk, net casters and tax collectors. A story of a movement that exploded like a just-opened fire hydrant out of Jerusalem and spilled into the ends of the earth: into the streets of Paris, the districts of Rome, and the ports of Athens, Istanbul, Shanghai, and Buenos Aires. A story so mighty, controversial, head spinning, and life changing that two millennia later we wonder: Might it happen again? Heaven knows we hope so. These are devastating times: 1.75 billions people are

desperately poor; one billion are hungry. Lonely hearts indwell our neighborhoods and attend our schools. In the midst of it all, here we stand: you, me, and our one-of-a-kind lives. We are given a choice ... an opportunity to make a big difference during a difficult time. What if we did? What if we rocked the world with hope? Worth a try, don't you think? - Max Lucado
One hundred percent of the author's royalties from Outlive Your Life products will benefit children and families through World Vision and other ministries of faith-based compassion.

The Passion for Souls Oswald J. Smith, 1984 DR. SMITH'S book, The Passion for Souls, for its size is the most powerful plea for Revival I have ever read. He has truly been led by the Spirit of God in preparing it. To his emphasis for the need of a Holy Spirit Revival I can give the heartiest amen. What I saw of Revival in Korea and in China is in fullest accord with the Revival called for in this book. It is most timely that DR. Smith has called attention to man effort and man method in modern Revival. If we all had faith to wait upon God in intense believing prayer there would be genuine Holy Ghost Revival, and the living God would get all the glory. In Manchuria and China, when we did nothing else than give the address and let the people pray, and kept out of sight as far as possible, we saw the mightiest manifestations of Divine power. Had I the wealth of a millionaire I would put The Passion for Souls in every Christian home on this continent and confidently look for a Revival which would sweep round the world.

Instrumental James Rhodes, 2015-05-25 James Rhodes' passion for music has been his absolute lifeline. It has been the thread that has held him together through a life that has encompassed pain, conflict and turmoil. Listening to Rachmaninov on a loop as a traumatised teenager or discovering an Adagio by Bach while in a hospital ward – such exquisite miracles of musical genius have helped him survive his demons, and, along with a chance encounter with a stranger, inspired him to become the renowned concert pianist he is today. This is a memoir like no other: unapologetically candid, boldly outspoken and surprisingly funny - James' prose is shot through with an unexpectedly mordant wit, even at the darkest of moments. An impassioned tribute to the therapeutic powers of music, *Instrumental* also weaves in fascinating facts about how classical music actually works and about the extraordinary lives of some of the great composers. It explains why and how music has the potential to transform all of our lives.

In this astonishingly frank and candid book, he explores the ways in which this extraordinary emotion can alter the whole course of your life. Most of us are

unable to develop our capacities for love on the only level that really counts—a love that is compounded of maturity, self-knowledge, and courage. Learning to love, like other arts, demands practice and concentration. Even more than any other art it demands genuine insight and understanding. In this classic work, Fromm explores love in all its aspects—not only romantic love, steeped in false conceptions and lofty expectations, but also love of parents, children, brotherly love, erotic love, self-love, and the love of God.

Perfume Patrick Süskind, 2015-06-25 An erotic masterpiece of twentieth century fiction - a tale of sensual obsession and bloodlust in eighteenth century Paris 'An astonishing tour de force both in concept and execution' Guardian In eighteenth-century France there lived a man who was one of the most gifted and abominable personages in an era that knew no lack of gifted and abominable personages. His name was Jean-Baptiste Grenouille, and if his name has been forgotten today. It is certainly not because Grenouille fell short of those more famous blackguards when it came to arrogance, misanthropy, immorality, or, more succinctly, wickedness, but because his gifts and his sole ambition were restricted to a domain that leaves no traces in history: to the fleeting realm of scent . . .
