The Gilded Seal James Twining,2009-05-22 It takes a thief to catch a killer . . . Once one of the world's foremost art thieves, Tom Kirk now operates on the other side of the law. But a grisly discovery at the site of the brazen theft of a Da Vinci painting—a crime that bears the unmistakable hallmark of an old nemesis—entangles him in a lethal weave of a mystery that blankets the globe . . . and reaches back through hundreds of years of European history. In Spain, a friend, a master forger, suffers a brutal, horrific death—while in New York the murder of a prominent attorney drags FBI agent Jennifer Browne into the murky world of high-end art forgery and the rotten heart of the global auction business. And for Kirk, vengeance may require him to cross the line once more—to uncover the devastating secrets hidden in the writings of a power-mad emperor . . . and behind the most famous smile in the world.

The Best Man Kristan Higgins,2013-02-26 Sometimes the best man is the one you least expect... Faith Holland left her hometown after being jilted at the altar. Now a little older and wiser, she's ready to return to the Blue Heron Winery, her family's vineyard, to confront the ghosts of her past, and maybe enjoy a glass of red. After all, there's some great scenery there... Like Levi Cooper, the local police chief—and best friend of her former fiancé. There's a lot about Levi that Faith never noticed, and it's not just those deep green eyes. The only catch is she's having a hard time forgetting that he helped ruin her wedding all those years ago. If she can find a minute amidst all her family drama to stop and smell the rosé, she just might find a reason to stay at Blue Heron, and finish that walk down the aisle.

Waiting on You Kristan Higgins,2014 When Lucas Campbell, who broke her heart ten years earlier, returns to town, bar owner Colleen O'Rourke is tempted to give him a second chance, but wary of being hurt again.

The Perfect Match Kristan Higgins,2013-10-29 After Honor Holland agrees to a marriage of convenience to help British professor Tom Barlow stay in the country, she begins to wonder if there isn't something more between them.

Red Love Maxim Leo, 2013-09-12 Winner of the European Book Prize The East isn't far away at all. It clings to me, it goes with me everywhere. It's like a big family that you can't shake off ... Tender, acute and utterly absorbing Anna Funder, author of *Stasiland* A wry and unheroic witness... an unofficial history of a country that no longer exists Julian Barnes *Growing up in East Berlin*, Maxim Leo knew not to ask questions. All he knew was that his rebellious parents, Wolf and Anne, with their dyed hair, leather jackets and insistence he call them by their first names, were a bit embarrassing. That there were some places you couldn't play; certain things you didn't say. Now, married with two children and the Wall a distant memory, Maxim decides to find the answers to the questions he couldn't ask. Why did his parents, once passionately in love, grow apart? Why did his father become so angry, and his mother quit her career in journalism? And why did his grandfather Gerhard, the Socialist war hero, turn into a stranger? The story he unearths is, like his country's past, one of hopes, lies, cruelties, betrayals but also love. In *Red Love* he captures, with warmth and unflinching honesty, why so many dreamed the GDR would be a new world and why, in the end, it fell apart. Tender, acute and utterly absorbing. In fine portraits of his family members Leo takes us through three generations of his family, showing how they adopt, reject and survive the fierce, uplifting and ultimately catastrophic ideologies of 20th-century Europe. We are taken on an intimate journey from the exhilaration and extreme courage of the French Resistance to the uncomfortable moral accommodations of passive resistance in the GDR. He describes these 'ordinary lies' and contradictions, and the way human beings have to negotiate their way through them, with great clarity, humour and truthfulness, for which the jury of the European Book Prize is delighted to honour *Red Love*. His personal memoir serves as an unofficial history of a country that no longer exists... He is a wry and unheroic witness to the distorting impact - sometimes frightening, sometimes merely absurd - that ideology has upon the daily life of the individual: citizens only allowed to dance in couples, journalists unable to mention car tyres or washing machines for reasons of state. Julian Barnes, European Book Prize With wonderful insight Leo shows how the human need to believe and to belong to a cause greater than ourselves can inspire a person to acts of heroism, but can then ossify into loyalty to a cause that long ago betrayed its people. Anna Funder, author of *Stasiland* *Heartbreaking*... This very personal account allows us to better understand the reality of a kafkaesque regime, and the blindness of its elite that allowed it to survive for so long. *La Tribune* The great charm of this book, about the gradual disintegration of the GDR, lies in the level-

headed but loving attitude with which it investigates the interweaving of the private and political [in Communist East Germany], revisiting a child's-eye view of the era. Frankfurter Allgemeine Zeitung A crucial book ... poignant ... a tragedy reminiscent of the great narrative poets, Dostoevsky or Koestler. Maxim Leo has earned his place alongside them. Sud Ouest A lyrical story about a family in a divided city Hamburger Abendblatt Maxim Leo was born in 1970 in East Berlin. He studied Political Science at the Free University in Berlin and at the Institut d'Etudes Politiques de Paris. Since 1997 he is Editor of the Berliner Zeitung . In 2002 he was nominated for the Egon-Erwin-Kisch Prize, and in the same year won the German-French Journalism Prize. He won the Theodor Wolff Prize in 2006. He lives in Berlin.

Pungent Sounds Edward Larkey, 1993 This book applies a flexible and fluid concept of tradition, conceived as an aesthetic alliance, to the historical analysis and description of diffusion of Anglo-American forms of popular music into Austria. The book covers the period from the mid-1950's to 1990, including forms such as rock and roll, beat music, folk, punk and new wave. It also discusses changes to the volkstümliche and Schlager genres. In addition, the book details the evolution of Austropop, a transitional, heterogeneous variety. The book analyzes creative responses, adaptations and accommodations by Austrian musicians, audiences and industry representatives to the diffusion.

The Position of the German Language in the World Ulrich Ammon, 2019-08-08 The Position of the German Language in the World focuses on the global position of German and the factors which work towards sustaining its use and utility for international communication. From the perspective of the global language constellation, the detailed data analysis of this substantial research project depicts German as an example of a second-rank language. The book also provides a model for analysis and description of international languages other than English. It offers a framework for strengthening the position of languages such as Arabic, Chinese, French, Portuguese, Spanish and others and for countering exaggerated claims about the global monopoly position of English. This comprehensive handbook of the state of the German language in the world was originally published in 2015 by Walter de Gruyter in German and has been critically acclaimed. Suitable for scholars and researchers of the German language, the handbook shows in detail how intricately and thoroughly German and other second-rank languages are tied up with a great number of societies and how these statistics support or weaken the languages' functions and maintenance.

The Evolution of Useful Things Henry Petroski,2010-12-01 How did the table fork acquire a fourth tine? What advantage does the Phillips-head screw have over its single-grooved predecessor? Why does the paper clip look the way it does? What makes Scotch tape Scotch? In this delightful book Henry, Petroski takes a microscopic look at artifacts that most of us count on but rarely contemplate, including such icons of the everyday as pins, Post-its, and fast-food clamshell containers. At the same time, he offers a convincing new theory of technological innovation as a response to the perceived failures of existing products—suggesting that irritation, and not necessity, is the mother of invention.

I Miss You, I Miss You! Peter Pohl,Kinna Gieth,1999 Thirteen-year-old Tina Dubois and her identical twin sister, Cilla, are extremely close and yet different personalities, and when Cilla is suddenly killed, Tina and her family struggle to come to terms with the loss.

Flowers Through Concrete Juliane Fürst,2021-03-11 Flowers through Concrete: Explorations in Soviet Hippieland takes the reader on a journey into the lives and thoughts of Soviet hippies. In the face of disapproval and repression, they created a version of Western counterculture, skillfully adapting to, manipulating, and shaping their late socialist environment. Flowers through Concrete takes its readers into the underground hippieland and beyond, situating the world of hippies firmly in late Soviet reality and offering both an unusual history of the last Soviet decades as well as a case study of transnational youth culture and East-West globalization. Flowers through Concrete is based on over a hundred interviews, declassified documents, and private archives hidden for many decades. It tells the almost forgotten story of how hippie communities sprang up across the Soviet Union in the late-60s, often under the tutelage of the rebellious offspring of privileged households at the heart of the Soviet establishment. It charts how these communities linked up to create an impressive network with elaborate customs and rituals, ensuring its survival for more than two decades. Flowers through Concrete recounts not only a compelling story of survival against the odds - hippies who were harassed by police, shorn of their hair by civilian guards, and confined in psychiatric hospitals by doctors who believed non-conformism was a symptom of schizophrenia - but also advances a surprising argument. It suggests that the land of Soviet hippies and the world of late socialism were not entirely incompatible, but in fact meshed surprisingly well. Ultimately, it was not the KGB but the arrival of capitalism in the 1990s that ended the Soviet hippie sistema.

Text Typology and Translation Anna Trosborg,1997-11-27 This book breaks new ground in translation theory and

practice. The central question is: In what ways are translations affected by text types? The two main areas of investigation are: A. What are the advantages of focusing on text types when trying to understand the process of translation? How do translators tackle different text types in their daily practice? B. To what extent and in what areas are text types identical across languages and cultures? What similarities and dissimilarities can be observed in text types of original and translated texts? Part I deals with methodological aspects and offers a typology of translations both as product and as process. Part II is devoted to domain-specific texts in a cross-cultural perspective, while Part III is concerned with terminology and lexicon as well as the constraints of mode and medium involving dubbing and subtitling as translation methods. Sonnets, sagas, fairy tales, novels and feature films, sermons, political speeches, international treaties, instruction leaflets, business letters, academic lectures, academic articles, medical research articles, technical brochures and legal documents are but some of the texts under investigation. In sum, this volume provides a theoretical overview of major problems and possibilities as well as investigations into a variety of text types with practical suggestions that deserve to be weighted by anyone considering the relation between text typology and translation. The volume is indispensable for the translator in his/her efforts to become a "competent text-aware professional".

Vienna Psychoanalytic Society Wiener Psychoanalytische Vereinigung, 2008 Wien und die Psychoanalyse stehen in einer engen Verbindung - nicht zuletzt aufgrund des Wirkens Sigmund Freuds in dieser Stadt. Das 100-jährige Bestehen der Wiener Psychoanalytischen Vereinigung ist ein willkommener Anlass, die Geschichte des Vereins anhand seiner Mitglieder erstmals ausführlich in einem Bildband zu dokumentieren. Die Vereinigung, die aus der mittlerweile als legendär zu bezeichnenden, 1902 gegründeten Mittwoch-Gesellschaft hervorging, wurde 1938 zerstört und nach dem Ende der NS-Herrschaft 1946 neu gegründet. Vorgestellt werden sämtliche Mitglieder; das Herzstück bilden die ausführlicheren Biografien der 149 Mitglieder bis 1938 - vor allem, um jene, die die nationalsozialistische Gewaltherrschaft nicht überlebten, dem Vergessen zu entreißen und zu würdigen, aber auch um denen zu danken, die die Wiener Psychoanalytische Vereinigung wieder zu einem festen Bestandteil in Wien machten.

Brothers in War Michael Walsh, 2011-09-30 *Brothers in War* is the immensely powerful and deeply tragic story of the Beechey brothers, and how they paid the ultimate price for King and country. All eight went to fight in the Great War on such far-flung battlefields as France, Flanders, East Africa and Gallipoli. Only three would return alive. Even amid the carnage of the trenches, it was a family trauma almost without parallel. Their wives and sweethearts were left bereft, their widowed mother Amy devastated. It is a tragedy that has remained forgotten and unmarked for nearly 90 years. Until now. Kept in a small brown case handed down by the brothers' youngest sister, Edie, were hundreds of letters sent home from the front by the Beechey boys: scraps of paper scribbled on in the firing line, heartfelt messages written from a deathbed, exasperated correspondences detailing the absurdities of life in the trenches. From it all emerges the remarkable tale of the lost brothers.

Tragic and moving, poetic in its intensity, Brothers in War reveals first-hand the catastrophe that was the Great War; all told through one family forced to sacrifice everything.
