Carl Ricketts, John Douglas

Nico James Young, 1994-05-01 Nico's keyboardist recounts her ill-advised eighties tour in this "funny memoir . . . A well-written black comedy" of life on the fringes of rock & roll (The New York Times). This is the story of the last "scene" of the art rock diva Nico, whose fifteen minutes of fame included her tenure with Andy Warhol's Factory, the films Chelsea Girls and La Dolce Vita, and a momentous stint with The Velvet Underground, singing on their debut album, The Velvet Underground & Nico. In 1982, Nico was living in Manchester, England, far from her "fifteen minutes" and interested only in feeding her heroin habit. Local promoter Dr. Demetrius saw an opportunity, hired musicians to back her, and set off on a disastrous tour of Italy. In a daze of chaotic live shows and countless heroin scores, Nico toured the world with assorted thrown-together bands, encountering a wild crew of personalities, including John Cale, Allen Ginsberg, John Cooper Clarke, and Gregory Corso. This story of Nico and the characters who orbited around her is "a funny and engaging chronicle that puts you right on the tour bus, amid the clutter of drums and drugs and unwashed bodies" (Kirkus Reviews).

Heritage Regimes and the State Bendix, Regina, Eggert, Aditya, Peselmann, Arnika, 2013-07-02 What happens when UNESCO heritage conventions are ratified by a state? How do UNESCO's global efforts interact with preexisting local, regional and state efforts to conserve or promote culture? What new institutions emerge to address the mandate? The contributors to this volume focus on the work of translation and interpretation that ensues once heritage conventions are ratified and implemented. With seventeen case studies from Europe, Africa, the Caribbean and China, the volume provides comparative evidence for the divergent heritage regimes generated in states that differ in history and political organization. The cases illustrate how UNESCO's aspiration to honor and celebrate cultural diversity diversifies itself. The very effort to adopt a global heritage regime forces myriad adaptations to particular state and interstate modalities of building and managing heritage.

Indigenous and Minority Placenames Luise Hercus, Laura Kostanski, 2014 This book showcases current research into Indigenous and minority placenames in Australia and internationally. Many of the chapters in this volume originated as papers at a Trends in Toponymy conference hosted by the University of Ballarat in 2007 that featured Australian and international speakers. The chapters in this volume provide insight into the quality of toponymic research that is being undertaken in Australia and in countries such as Canada, Finland, South Africa, New Zealand, and Norway. The research presented here draws on the disciplines of linguistics, geography, history, and anthropology. The book includes meticulous studies of placenames in central NSW and the Upper Hunter region; Gundungurra cave names; western Arnhem Land; Northern Cape York Peninsula and Mount Wheeler in Queensland; saltwater placenames around Mer in the Torres Strait; and the Kurna in South Australia.

An Outlaw and a Lady Jessi Colter,David Ritz,2017-04-11 Renowned songwriter, singer, and wife of Waylon Jennings writes an intimate, enormously entertaining memoir of American music, of life with Waylon and the Outlaws, and of faith lost and found. The daughter of a Pentecostal evangelist and a race-car driver, Jessi Colter played piano and sang in church before leaving Arizona to tour with rock-n-roll pioneer Duane Eddy, whom she married. Colter became a successful recording artist, appearing on American Bandstand and befriending stars such as the Everly Brothers and Chet Atkins, while her songs were recorded by Nancy Sinatra, Dottie West, and others. Her marriage to Eddy didn't last, however, and in 1969 she married the electrifying Waylon Jennings. Together, they made their home in Nashville which, in the 1970s, was ground zero for roots music, drawing Bob Dylan, Johnny Cash, Willie Nelson, Kris Kristofferson, Shel Silverstein, and others to the Nashville Sound. And Jessi was at the center of it all, the only woman on the landmark *Wanted: The Outlaws* album, therecord that launched the Outlaw Country genre and was the first country album to go platinum. She also tasted personal commercial success with the #1-single "I'm Not Lisa." But offstage, life was a challenge, as Waylon pursued his addictions and battled his demons. Having drifted from the church as a young woman, Jessi returned to her faith and found in it a source of strength in the turmoil of living with Waylon. In the 1980s, Waylon helped launch the super group The Highwaymen with Willie Nelson, Johnny Cash, and Kris Kristofferson, and the hits kept rolling, as did Waylon's reckless living. Amid it all, Jessi faithfully prayed for her husband until finally, at Thanksgiving 2001, Waylon found Jesus, just months before he died. *An Outlaw and a Lady* is a powerful story of American music, of love in the midst of heartache, and of faith that sustains.
