**Radical Self-Love** Gala Darling, 2016-02-09 Have you ever dreamed of a life full of laughter, love, and sequins ... but felt totally clueless about how to make it happen? You're not alone. Best-selling author and speaker Gala Darling spent years in soul-sucking jobs, battling depression, an eating disorder, and a preference for chaos and disaster—simply because she didn't know how to create the life she dreamed about. In *Radical Self-Love*, you'll discover exactly what makes you so magnificent, and you'll gain a litany of tools and techniques to help you manifest a life bursting with magic, miracles, bliss, and adventure! Featuring fun homework exercises and cool illustrations, this book will take you from learning to fall madly in love with yourself, to loving others, to making your world a more magical place through style, self-expression, and manifestation. When you love yourself, life is limitless. You can do anything you want. It's time to throw off the shackles of expectation and

judgment, and start living from your heart. It's time to astound yourself with how beautiful your life can be. It's time to treat every single day like a celebration! I believe that radical self-love can go hand in hand with a ruby-red lip. . . . that learning how to love yourself can be a party: streamers, disco balls, helium balloons, and all! xo, Gala Radical Self-Love should be on every woman's bookshelf. — Gabrielle Bernstein

**Learning to Love Yourself** Sharon Wegscheider-Cruse, 2012-05-01 We all come into this world full of promise and possibility. For some, when born into a healthy and highly functional family, the journey is quite easy, with guideposts and directions given freely. However, that is a very small population of people. Most of us were born into families that were in their own way struggling for independence, accomplishment, safety or security. For the millions of people who grew up in painful families, whether by absent parents, abusive parents, or those who were ill-equipped, noted therapist Sharon Wegscheider-Cruse shows that they do not have to follow a family tradition of compulsion or addiction. In the revised edition of the classic *Learning to Love Yourself*, Wegscheider-Cruse explains that it is possible to create our own self-worth at any time in our lives, even as adults. She guides readers on a journey to greater self-worth, explaining how to eliminate toxic self-defeating messages, how to choose healthier, new perspectives, and how to reinvent yourself each day open to a world of possibilities.

*Learning to Love Yourself* Gay Hendricks, 2011 An Invitation From Gay Hendricks I am thrilled and delighted to offer to you the new edition of *Learning To Love Yourself*. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how writing this book changed my life in every way. I first wrote it as an act of love,

to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.

Self Love Poetry Melody Godfred, 2020-10-28 Readers have called her work life changing, must read, powerful and part of my daily ritual. On Instagram, where she is known as MG, her poetry has gone viral, receiving millions of impressions due to its deeply emotional and relatable tone. Now, Melody Godfred, Self Love Philosopher, acclaimed speaker, and founder of global Self Love Movement Fred and Far is back with her second book, Self Love Poetry for Thinkers & Feelers, a collection of 200 thought-provoking self love poems. In Self Love Poetry for Thinkers & Feelers, Godfred explores concepts like authenticity, surrender, resilience, gratitude, believing in yourself, and of course, love, through 100 pairs of self love poems each dedicated to a central theme. On the left side of the book are poems that light up the analytical, literal, left side of the brain and on the right side are poems that bring your creative side to life. Combined, the poems electrify your mind, body and soul and inspire all of us to embrace all parts of ourselves. This empowering book will not only engage you to think and feel, but will encourage self-reflection, make you feel seen, empower you to love yourself, and inspire you to seek out the hope and beauty in the world... and in yourself. Melody is also the author of self love workbook The ABCs of Self Love. Learn more about her at [fredandfar.com](http://fredandfar.com) and on Instagram @fredandfar. Excerpts from Self Love Poetry for Thinkers & Feelers Left Brain - Thinkers I thought this would be the year I get everything I want. Now I know this is the year I appreciate everything I have. Right Brain - Feelers Expectation closed my eyes. Gratitude opened them. Fear closed my eyes. Trust opened them. Complaining closed my eyes. Appreciation opened them. Perfection closed my eyes. Authenticity opened them. Guilt closed my eyes. Self love opened them. Left Brain - Thinkers Instead of loving people who withhold their love, I'm loving myself and holding space to receive love from someone who wants to give it to me. Right Brain - Feelers I begged for your love. I bent for your love. I broke for your love. And all the while, all I did, was beg and bend and break.

*The Mastery of You* Renu S. Persaud, 2020-08 Knowing your inner Self better prepares you to appreciate the flaws and positive qualities of others. In taking time out for self-serving solitude, we become a selfless, more empathetic person. Thus, self-mastery is not only about creating inner power but it is also about attaining the strength and wisdom required to confront our flaws. Too often, we approach our existence with mastering skills for a sense of individual and professional achievement. Further, we seek to build and nurture those skills in order to feel productive and quell sentiments of complacency. The Mastery of You takes you on a self-discovering journey that provides the framework for developing inner self-confidence. The priority shifts from other-centric to self-centric. And, in the end, giving you the tools in order to be a healthier, happier and balanced individual.

*Self Love - Learn How to Love Yourself Unconditionally, Cultivate Self-Worth, Self-Compassion and Self-Confidence* Ingrid Lindberg, If somebody caught you checking out this book right now, peered over your shoulder and asked you, “so what do you want to buy?” how would you answer them? If you’re like most people, you might launch into an explanation that self love is having high self esteem, a roaring sense of self confidence, the belief that you can do anything you want, etc. You may say that you want this book because you want to feel better about who you are and to stop being so hard on yourself. Or, if you’re like me, you’ll say, “nothing!” and get a little red in the face. What could be more embarrassing than reading a self help book about learning to love yourself, right? Well - why? Why is it so strange a topic and why does this book even exist at all? Do you ever see books about, “how to love your wife/husband” or “how to love your kids”? My theory is that we live in a world where it’s completely normal to be hard on ourselves. Think about it for a minute. Every one of us has experienced

ruthless competitiveness, rejection from those we love and admire, disappointments in our abilities, and the constant message from the media that our lives, and by extension we ourselves, are just no good unless we're constantly buying the latest gadgets, dieting or accumulating wealth. We like to call this way of treating ourselves "realistic." Maybe we believe that it keeps us on our toes, always hungry to improve and "fix" ourselves. Maybe we just assume that love is something we have to earn – but only once we're awesome enough! Here, I'm going to ask you how much you love yourself. Be honest. Rate your self love on a scale of 1 to 10. One represents the feeling you reserve for dog poo on the bottom of your shoe or that particular wave of emotions directed at people who loudly crinkle packets in cinemas. Five is so-so. You don't have a massive crush on you or anything, but you wouldn't exactly invite you out for dinner. Ten is big, fat, extra-cheesy, extra gooey self love of the highest order (and yes, you'll be closer to that 10 by the time you reach the end of the 6 weeks) Here's how to use this book: The book is divided into 6 weeks covering the main pillars of self-love, and in each of those weeks you'll find 3 separate sections to sink your teeth into: 1. Introspection - My favorite section; here we'll do a guided self analysis. Self enquiry is the most powerful tool to personal growth. 2. A New Habit - Positive small habits add up over time. In this section we'll look at ways to taking the things you read and learn during these 6 weeks and making them actually come alive in your own life by developing new small and realistic habits. 3. Taking Action - After 7 days of trying on a new habit, you should be feeling pretty good. This section will be about making a single serious action or decision that reflects our new sense of self-love each day. ----- Keywords: self love books, self love workbook for women, self love club, self love for teen girls, self love workbook for teen girls, self love workbook for teens, self love journal, self awareness for women, self improvement books, confidence boosting

*Confidence and Self Love Workbook for Women* Roberta Sanders, 2021-03-30 Hello beautiful woman! Still struggling with self-confidence, self-esteem, feelings of self-worth and that pesky negative self-talk? Still struggling to feel empowered, worthy and inspired by your life... but you don't know where to start? When was the last time you looked in the mirror and loved the person staring back at you? Girl, I feel you! I know what it is like to be in that place of struggle wanting to find your purpose, longing to live a life you love and to truly love yourself but not knowing what steps to take to get there. I used to be that girl too This book will help you pinpoint what you must do to take back control of your life! But First, a Warning: Before we go further, let me make something abundantly clear: This book does not contain a magic wand that will bring you instant relief without having to do any work. What I'm about to share with you takes both time and effort and this only works for those who are willing look deep inside themselves and are committed to finding true happiness. So, with that said, let me tell you...
