Incest, Murder and a Miracle Cheryl Cuccio,Robert Cuccio,Morgan St. James,2016 This inspiring-and sometimes

shocking-TRUE story is about love, trust, incest, murder and, yes, an actual miracle. The producer of the 2017 Discovery ID TV episode featuring Cheryl Cuccio says, I laud Cheryl Pierson Cuccio and Rob Cuccio for blazoning their traumatic pasts and valiant love story so that others who suffer in silence might be emboldened to seek help. Like so many, I was first drawn to their story for its spectacle, but have come through it deeply humbled and indebted. In 1986 Cheryl Pierson was a sixteen year old abuse and incest victim. Day after day her father placed the fear in her no one would believe her if she revealed their dirty secret. But Cheryl had made a promise to her mother, as she lay in her coffin, to protect her eight year old sister from the monster Cheryl's father had become. To honor this promise and end the daily hell she endured, the distraught teenager hired a classmate to murder her father. The name Cheryl Pierson was in the national media for years, filled with assumptions and fabrications surrounding the murder, but her side of the story was never truly covered from her perspective. The one interview she did give to a reporter was while she was still in shock from what had transpired. Now, after thirty years, Cheryl has come out of the shadows to tell her true story--what really happened behind the doors at 293 Magnolia Drive, and what the life she and Rob have shared has been like. She is a strong survivor and hopes to inspire courage in those who walk in her shoes, and to promote abuse and incest awareness with this book. That strength was called into action in 2012 and the result was a miracle!

Cultivating Canada Ashok Mathur, Mike DeGagné, Jonathan Dewar, 2011 From this simple principle we proceed to much complexity. The subjects of historical wrongdoings and redress, healing, and reconciliation have many localized variants, among them the internment of Japanese Canadians during the Second World War and the demolition of Africville in the 1960s, for examples. Those who have arrived in Canada from places of colonization, war, genocide, and devastation will very likely have valuable insights into historical trauma; their perspectives should be considered also.--from intro.

This Is Herman Cain! Herman Cain, 2011-10-04 Former CEO of Godfather's Pizza answers his most-asked question: Who is Herman Cain? When Herman Cain speaks, people listen. When he debates, he wins. If you care about the future of America, you have heard of the down-to-earth political newcomer running for president, the straight-talking man of the people with blunt assessments of what America needs. Originally overlooked by mainstream politicians and media, Herman Cain is truly a candidate from "outside the Beltway," but no longer one who is being ignored. BUT WHO IS HE? While Herman Cain has been the host of a popular conservative Atlanta-area radio talk show called The Herman Cain Show, a different name originally captured American interest. As CEO, Herman Cain transformed Godfather's Pizza from a company teetering on the verge of bankruptcy into a household word. Cain—as those with an interest in commonsense solutions to political problems will remember—is also famous for using the language and logic of everyday business to expose the fallacies inherent in Clinton assumptions about "Hillarycare" during a 1994 televised town hall meeting. WHAT IS HIS STORY? Herman Cain's rise is the embodiment of the American dream. His parents, Luther and Lenora Cain, made a living the only way black people could in the '40s and '50s. Luther held down three jobs, including being a chauffeur; Lenora cleaned houses. They had two big dreams: to buy a house and to see their sons graduate from college. With dedication and hard work, they made both these dreams come true. In this thrilling memoir, Herman Cain describes his past and present . . . and the future he is determined to create, a future that will put our country back on track. His message resonates because he describes the American reality, and his down-to-earth personal tale of hope and hard work is both unforgettable and inspirational. *** What is it in my DNA that years ago prompted me to forgo the ease of cruise control and take on the enormous challenge of doing my part toward making America a better place for my granddaughter and the generations to come? Why do I, a son of the segregated South, refuse to think of myself as a "victim" of racism? What is it that motivates me to insist on defining my identity in terms of "ABC"—as being American first, black second, and Conservative third? Just who is Herman Cain? And how did I get this way? Just a hint: it may have had something to do with lessons learned from my parents, Lenora and Luther Cain, Jr. —From This Is Herman

The Family Next Door John Glatt, 2019-08-06 From New York Times bestselling true crime author John Glatt comes the heartbreaking story of the Turpins: a seemingly normal family whose dark secrets would shock and captivate the world. On January 14, 2018, a seventeen-year-old girl climbed out of the window of her Perris, California home and dialed 911 with shaking fingers. Struggling to stay calm, she told the operator that she and her 12 siblings—ranging in age from 2 to 29—were being abused by their parents. When the dispatcher asked for her address, the girl hesitated. “I’ve never been out,” she stammered. To their family, neighbors, and online friends, Louise and David Turpin presented a picture of domestic bliss: dressing their thirteen children in matching outfits and buying them expensive gifts. But what police discovered when they entered the Turpin family home would eclipse the most shocking child abuse cases in history. For years, David and Louise had kept their children in increasing isolation, trapping them in a sinister world of torture, abuse, and near starvation. In the first major account of the case, investigative journalist and author John Glatt delves into the disturbing details and recounts the bravery of the thirteen siblings in the face of unimaginable horror.

My Story Elizabeth Smart, Chris Stewart, 2013-10-07 The harrowing true story of abduction and survival from the courageous young woman who lived it—now the subject of a Lifetime original movie, *I Am Elizabeth Smart*. In this memoir, Elizabeth Smart reveals how she survived and the secret to forging a new life in the wake of a brutal crime. On June 5, 2002, fourteen-year-old Elizabeth Smart, the daughter of a close-knit Mormon family, was taken from her home in the middle of the night by religious fanatic Brian David Mitchell and his wife, Wanda Barzee. Elizabeth was kept chained, dressed in disguise, repeatedly raped, and told she and her family would be killed if she tried to escape. After her rescue on March 12, 2003, she rejoined her family and worked to pick up the pieces of her life. With *My Story*, Elizabeth tells of the constant fear she endured every hour, her courageous determination to maintain hope, and how she devised a plan to manipulate her captors and convinced them to return to Utah, where she was rescued minutes after arriving. Smart explains how her faith helped her stay sane in the midst of a nightmare and how she found the strength to confront her captors at their trial and see that justice was served. In the years after her rescue, Smart transformed from victim to advocate, traveling the country and working to educate, inspire and foster change. She has created a foundation to help prevent crimes against children and is a frequent public speaker. She and her husband, Matthew Gilmour, now have two children.

including cameos by Abby and her kidnapper! Exclusively on Amazon, Audible and iTunes A true crime classic that made headlines around the world, shocking and moving everyone including some of the biggest celebrities -- among them tough guy crooner Frank Sinatra still pained by his own son's kidnapping a decade before. Compelling . . . an inspiration for others to reach out! -- Leeza Gibbons, NBC-TV. Utterly stunning . . . inspirational . . . riveting, -- readers' comments on Amazon. Long before the Cleveland house of horrors, readers were awed by this gripping, in-depth narrative of non fiction and suspense -- and now you can get the updated, second Kindle edition with a brand new cover, stunning new revelations, and eight pages of photographs! Trapped, chained and abused for months in her dismal underground cell at the age of 12 and then 13, courageous Abby hides a note identifying her kidnapper. She prays for a miracle -- but she despairs that her fate is sealed and is heartbreakingly realistic about her prospects. If I don't live through this, says her tear-stained plea. I would like my body to be cremated and the ashes poured all over my house on 1617 Barnet Highway. PS: If you find me dead, my killer is . . . He kidnapped me on the morning of March 10, 1976. I also died, if so, after my 13th birthday. Abby then stoically hides this note identifying her kidnapper in the lining of one of her boots, assuming it will eventually be found somewhere along the shoreline together with her lifeless body. Instead, readers will discover how everyone worked tirelessly to solve the mystery, including a self-proclaimed psychic who incredibly and almost exactly pinpointed Abby's whereabouts! Now years later, the author, who originally covered her improbable rescue as a newspaper reporter, collaborates with Abby to tell you her story, and explore the twisted mind of her abductor. In her own words, Abby describes how she was abused and starved during six months of solitary confinement as she lay helplessly captive less than half a block from home -- and how she has since survived her harrowing ordeal. In addition, you can now glimpse into the mind of a supposedly reformed kidnapper, who seeks freedom and expects Abby to forgive him. The kidnapper claims he has never abused anyone else and, incredibly, has numerous misguided supporters whom he continues to deceive almost to his final days -- when the awful truth finally comes out. But ultimately, through these shocking, deeply moving pages, there emerges an inspirational testimony to one young girl's gulp-inducing courage--and her indomitable will to triumph. Gripping . . .compelling, tightly written . . . flair for investigation, -- Paul Musgrove, The Vancouver Sun. A gripping story of real-life horror and suspense, written with Drover's co-operation, Cathleen Fillmore, Quill & Quire Magazine. Illuminating, highly commendable, good reading.
