Laspas, USA Well, Genevieve, I never had much time for 'Magic' and all this spiritual guff but you should be proud to hear you have made a believer out of a sceptic - Rajeev Marney, UK Now, in response to huge reader demand, this latest addition to my magical Course in Manifesting series turns to the subject of money. In Becoming Rich, you'll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you. You'll also have the chance of winning a sizeable donation to your chosen favourite charity - but I'll get to this in a moment. So, why Magic? Only a few years ago I lived in a tiny flat, working twelve hours a day in a factory for minimum wage. Today, I live in a beautiful home by the sea, often earning more in one month than I used to in an entire year. In this book you will discover the steps that enabled me to turn my financial life around in this amazing, life-changing way. The change in my financial circumstances was so dramatic, it makes more sense to describe it as involving Magic than anything else. And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists. Yet my finances were actually the last thing I mastered 'magically'. I felt cursed, blocked, financially stuck for ages. But having got things right once or twice, I went on to discover that, even after a lifetime of poverty, money turned out to be the very easiest thing of all to manifest using Magic. And I went on to bring an unbelievable amount of money into my life. If you're jaded by the whole New Age Law of Attraction idea, or have become bored by its failure to deliver... this book is for you. Because this is a practical book, offering concrete techniques and instructions for bringing wonderful things into your life. You're looking at this book because you need money, and it's now time to bring that money into your life. The plan is to build your knowledge slowly, gradually, building on what has gone before, moving on to more complex techniques only once the basics are mastered. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, trying to manifest huge sums of money off the bat ... but making very simple yet crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is just a load of nonsense. Then they give up, declaring it just doesn't work. But I'm telling you it does work. And you can make it work. This book will show you how. My intention is make sure that Becoming Rich will allow you to become a true creator of your own financial life, reawakening and rekindling your belief and interest in The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it. I prefer simply to call it Magic. But there's a bit more magic to come... Why? Because this time, I'm giving a huge slice of the book's profits back to you! (Or, at least, to those you care about.) For every copy sold, I will put \$1 into a fund, to be awarded to the favourite chosen charity of one lucky reader on 21st December 2015. The more copies sold, the bigger the donation will be. Full details for entering the draw can be found inside the book. Read Becoming Rich and you'll believe in Magic, too!

Automatic Wealth III William Walker Atkinson, Joseph Murphy, Neville, 2007-03 Automatic Wealth III: The Attractor Factor - Including: The Power of Your Subconscious Mind, How to Attract Money by Joseph Murphy, The Law of Attraction AND Feeling Is The Secret The Power of Your Subconscious Mind by Dr. Joseph Murphy I have seen miracles happen to men and women in all walks of life all over the world. Miracles will happen to you, too-when you begin using the magic power of your subconscious mind. This book is designed to teach you that your habitual thinking and imagery mold, fashion, and create your destiny; for as a man thinketh in his subconscious mind, so is he. Why is one man sad and another man happy? Why is one man joyous and prosperous and another man poor and miserable? Why is one man fearful and anxious and another full of faith and confidence? Why does one man have a beautiful, luxurious home while another man lives out a meager existence in a slum? Why is one man a great success and another an abject failure? Why is one speaker outstanding and immensely popular and another mediocre and unpopular? Why is one man a genius in his work or profession while the other man toils and moils all his life without doing or accomplishing anything worthwhile? Why is one man healed of a so-called incurable disease and another isn't? Why is it so many good, kind religious people suffer the tortures of the damned in their mind and body? Why is it many immoral and irreligious people succeed and prosper and enjoy radiant health? Why is one woman happily married and her sister very unhappy and frustrated? Is there an answer to these questions in the workings of your conscious and subconscious minds? There most certainly is. It is for the express purpose of answering and clarifying the above questions and many others of a similar nature that motivated me to write this book. How to Attract Money by Dr. Joseph Murphy It is your right to be rich. You are here to lead the abundant life, and to be happy, radiant, and free. You should, therefore, have all the money you need to lead a full, happy, prosperous life. There is no virtue in poverty; the latter is a mental disease, and it should be abolished from the face of the earth. You are here to grow, expand, and unfold - spiritually, mentally, and materially. You have the inalienable right to fully develop and express yourself along all lines. You

should surround yourself with beauty and luxury. Thought Vibration or the Law of Attraction in the Thought World by William Walker Atkinson In this New Thought classic, Atkinson looks at the law of attraction in the thought world. He points out the similarities between the law of gravitation and the mental law of attraction. He explains that thought vibrations are as real as those manifesting as light, heat, magnetism and electricity. The difference is in the vibratory rate which also explains the fact that thought vibrations cannot usually be perceived by our 5 senses. Feeling Is The Secret by Neville THIS book is concerned with the art of realizing your desire. It gives you an account of the mechanism used in the production of the visible world. It is a small book but not slight. There is a treasure in it, a clearly defined road to the realization of your dreams.
