

Obedience To God Quotes

John Piper

Be Obedient (Genesis 12-25) Warren W. Wiersbe,2010-01-01 We are called to live a life obedient to God. But what does this look like? And how can we live in a way that's pleasing to Him? The answer is found in faith. Long considered the father of faith, Abraham sets the standard for what it means to be obedient. The book of Genesis holds the remarkable story of Abraham, a man who would give birth to a nation, and make the way for our Savior. Part of Dr. Warren W. Wiersbe's best-selling BE commentary series, *Be Obedient* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares insights and wisdom on pursuing an obedient life. You'll learn how to believe beyond your feelings, trust in spite of your circumstances, and place your complete confidence in Him.

A Long Obedience in the Same Direction Eugene H. Peterson,2019-04-02 Since Eugene Peterson first wrote this spiritual formation classic nearly forty years ago, hundreds of thousands of Christians have been inspired by Peterson's prophetic and pastoral wisdom and the call to deeper discipleship found in the Songs of Ascents (Psalms 120-134). This special commemorative edition includes a new preface taken from Leif Peterson's eulogy at his father's memorial service.

The Things of Earth Joe Rigney,2024-03-26 The world is full of good things. The Christian life is a journey in holiness: from one degree of glory to the next. But for too long there has been an unstated belief that as Christians grow in holiness, the things of earth will, as the hymn says, grow strangely dim. But Dr. Joe Rigney sees it differently. As the poet once said, The world is charged with the grandeur of God. The smile of a wife. Baseball in October. The Sawtooth Mountain Range. Toddlers' laughing. Meatballs in spaghetti. A very good whiskey. What are Christians to make of these earthly pleasures? In this book, Rigney offers relief to Christians wrongly burdened by anxious guilt that they might enjoy their stuff too much. There is another way besides Idolatry and Ingratitude. This book will instill a rich gratitude to the Father of Lights, the Giver of every good and perfect gift. Featuring a foreword by John Piper.

Walking with God through Pain and Suffering Timothy Keller,2013-10-10 The problem of pain is a perennial one; and for those who undergo particular sufferings it can often be the largest obstacle for trusting in a good and loving God. If such a God exists, why is there so much suffering in the world? And how do we deal with it when it comes into our lives? In his most fullest and most passionately argued book since 2008's bestseller THE REASON FOR GOD, New York pastor and church planter Tim Keller brings his authoritative teaching, sensitivity to contemporary culture and pastoral heart to this

pressing question, offering no easy answers but giving guidance, encouragement and inspiration.

The Insanity of Obedience Nik Ripken,2014-01-01 Wise Sheep Among the Wolves All Christian disciples have one thing in common: as they carry the gospel across the ocean and across the street, persecution will become the norm for those who choose to follow Jesus. How believers respond in the face of persecution reveals everything about their level of faith and obedience. The Insanity of Obedience is a bold challenge to global discipleship. Nik Ripken exposes the danger of safe Christianity and calls readers to something greater. The Insanity of Obedience challenges Christians in the same, provocative way that Jesus did. This book dares you—and prepares you—to cross the street and the oceans with the Good News of Jesus Christ. Some of Jesus’ instructions sound uncomfortable and are potentially dangerous. We may be initially encouraged by His declaration, “I am sending you out.” But how are we to respond when He then tells us that He is sending us out “like sheep among wolves? In light of the words of Jesus, how can modern day believers rest comfortably in the status quo? How can we embrace casual faith in light of the radical commands of Jesus which are anything but casual? Ripken brings decades of ministry experience in some of the most persecuted areas of the world to bear on our understanding of faith in Jesus. The Insanity of Obedience is a call to roll up your sleeves . . . and to follow and partner with Jesus in the toughest places on this planet. We have the high privilege of answering Jesus’ call to go, Ripken says. But let us be clear about this: we go on His terms, not ours. If we go at all, we go as sheep among wolves. Jesus gives us Himself. And He gives us the tools necessary for those who dare to journey with Him.

1001 Unforgettable Quotes About God, Faith, and the Bible Ron Rhodes,2011-04-01 Bible scholar and avid reader Ron Rhodes gathers his favorite quotes from classic and contemporary Christians about Scripture, belief, God, and life. For added spiritual insight, Rhodes provides Bible truths behind each presented quote. Topical selections can be read in order or as areas of interest arise for a reader. Attitude “If you can’t change circumstances, change the way you respond to them.” Tim Hansel (1941-2009), Seminar leader Bible Truth Behind the Quote: “For those who love God all things work together for good, for those who are called according to his purpose” (Romans 8:28). This recognition helps us to respond positively to our circumstances. This rich collection will be a must-have for home and church libraries and will be a great gift for those who love gathering words of wisdom for their Christian walk.

The Insanity of God Nik Ripken,Gregg Lewis,2013 An amazing story of a missionary couple's journey into the toughest places on earth is combined with stories about remarkable people of faith they encountered to challenge and inspire those curious about the sufficiency of God.

The Prodigal God Timothy Keller,2008-10-30 The New York Times bestselling author of The Prodigal Prophet uncovers the essential message of Jesus, locked inside his most familiar parable. Newsweek called renowned minister Timothy Keller a C.S. Lewis for the twenty-first century in a feature on his first book, The Reason for God. In that book, he offered a rational

explanation of why we should believe in God. Now, in *The Prodigal God*, Keller takes his trademark intellectual approach to understanding Christianity and uses the parable of the prodigal son to reveal an unexpected message of hope and salvation. Within that parable Jesus reveals God's prodigal grace toward both the irreligious and the moralistic. This book will challenge both the devout and skeptics to see Christianity in a whole new way.

The Pleasures of God John Piper, 2012-01-17 The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. "This is a unique and precious book that everybody should read more than once." —J.I. PACKER, Regent College, Vancouver, British Columbia

How to Worship a King Zach Neese, 2015-09 TRANSFORM EVERY AREA OF YOUR LIFE THROUGH WORSHIP. Worship is more than music. It is the impetus for everything we do as Christians. It is expressed through every action of our lives and helps us become more Christlike. When we learn to worship God through our life, we become better Christians, ministers, musicians, parents, and mechanics.

Hearing God Dallas Willard, 2021-12-07 How do we hear God's voice? How can we be sure that what we hear is not our own subconscious? What if what God says to us is not clear? In this Signature Collection edition of a beloved classic, bestselling author Dallas Willard offers rich spiritual insight into how we can hear God's voice clearly and develop an intimate partnership with him in the work of his kingdom.

Transforming Grace Jerry Bridges, 2017-10-03 Living Confidently in God's Unfailing Love Grace is amazing because it is God's provision for when we fall short of His standards. Unfortunately, too many of us embrace grace for our salvation but then leave it behind in our everyday lives. We base our relationship with God on our performance rather than on His love for us, even when we intuitively know that our performance cannot earn us the love we so desperately crave. Isn't it time to stop trying to measure up and begin accepting the transforming power of God's grace? The product of more than ten years of Bible study, Navigator author Jerry Bridges's *Transforming Grace* is a fountainhead of inspiration and renewal that will show you just how inexhaustible and generous God's grace really is. This edition includes the full study guide, which was formerly

available as a separate product (ISBN 9781600063046).

The Pursuit of God A. W. Tozer,2022-05-28 *The Pursuit of God* is a series of sermons by A.W. Tozer. They focus on fighting and staying clear from Satan while opening hearts and minds to the saving force of God.

The Heavenly Man Brother Yun,Paul Hattaway,2009 *The Heavenly Man* tells the true story of Liu Zhenying, also known as Brother Yun, who, for the past 30 years, has committed himself to bringing the gospel of Christ to all of China. Imprisoned, tortured, and separated from his family for his beliefs, Brother Yun shares his story.

A Man After God's Own Heart--A Devotional Jim George,2015-09 Growing as a man after God's own heart happens one step at a time. Bestselling author Jim George shares quick, focused devotions that will enable you to make every step count. You'll discover great advice for... making forward progress in your spiritual growth staying strong when life gets tough managing your responsibilities with wisdom leading and loving your wife and children living with maximum impact in all you do Along the way you'll experience the satisfaction that comes from living as the kind of man God designed you to be.

The Cost of Discipleship Bonhoeffer Dietrich,2015-11-02 Perhaps Dietrich Bonhoeffer's most radical book, this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years.

The Great Omission Dallas Willard,2009-10-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to make disciples of all the nations. But Christians have responded by making Christians, not disciples. This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. The word disciple occurs 269 times in the New Testament, writes Willard. Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

THE GLORY OF CHRIST JOHN OWEN,Rev Terry Kulakowski, Editor,2015-11-27

Passion and Purity Elisabeth Elliot,2021-03-16 In her classic book, Elisabeth Elliot candidly shares her love story with

Jim Elliot through letters, diary entries, and memories. She is honest about the temptations, difficulties, victories, and sacrifices of two young people whose commitment to Christ took priority over their love for each other. These revealing personal glimpses, combined with relevant biblical teaching, will remind readers that only by putting their human passion and desire through His fire can God purify their love. In a culture obsessed with dating, sex, and intimacy, the need for Elliot's freeing message is greater than ever. This beautifully repackaged edition will appeal to today's young people.

Answered Prayer E. M. Bounds, 2002-03-01 The utmost possibilities of prayer have rarely been realized. The promises of God are answered to those who truly pray. His promises to answer, to do, and to give "all things," "anything," "whatsoever," and "all things whatsoever" are so very large, so very great, and so exceedingly broad that it almost staggers our faith and causes us to hesitate with astonishment. All God asks is that, when we pray, we believe Him and trust that His promises in His Word are true.

Obedience To God Quotes Introduction

In today's digital age, the availability of Obedience To God Quotes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Obedience To God Quotes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Obedience To God Quotes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Obedience To God Quotes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact

associated with book production and transportation. Furthermore, Obedience To God Quotes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Obedience To God Quotes books and manuals, several platforms offer an extensive

collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Obedience To God Quotes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Obedience To God Quotes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Obedience To God Quotes books and manuals for download and embark on your journey of knowledge?
