Make Your Bed Admiral William H. McRaven, 2017-04-04 Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons should be read by every leader in America (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. Powerful. --USA Today Full of captivating personal anecdotes from inside the national security vault. --Washington Post Superb, smart, and succinct. --Forbes

1,600 Quotes & Pieces of Wisdom That Just Might Help You Out When You're Stuck in a Moment (and Can't Get Out of It!) Gary P. Guthrie, 2003-03 John Lennon said, Life is what happens to you while you're busy making other plans. Sometime today while you're busy following your plan, something may happen that puts you in a funk or motivates you to make a change. Something that could leave you stuck in a moment. But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. When those moments sneak up on you, you can run to counseling, look yourself in the mirror, crawl over to your favorite self-pity corner or you can open Stuck in a Moment and find wisdom to help you understand and, possibly, turn your mood around. Precise in nature, Stuck... takes you straight to the heart of life's customary stumbling blocks: your relationships, your job life, your frame of mind and your desire to have the life you dream of. To some, it's an express self-help book; to others, a travel guide for their life. Whether you're following the 12 Steps, looking for an honest, encouraging companion or a fan of inspirational quotes, you'll find 1,600 opportunities to gain new insights in this book - a book of rationale and challenge that you will want to keep handy or gift to someone for those

everyday moments.

Wild Swans Jung Chang,2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao’s impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord’s concubine; her mother’s struggles as a young idealistic Communist; and her parents’ experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a “barefoot doctor,” a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

On Grief and Grieving Elisabeth Kübler-Ross,David Kessler,2014-08-12 Ten years after the death of Elisabeth Kübler-Ross, this commemorative edition of her final book combines practical wisdom, case studies, and the authors' own experiences and spiritual insight to explain how the process of grieving helps us live with loss. Includes a new introduction and resources section. Elisabeth Kübler-Ross's *On Death and Dying* changed the way we talk about the end of life. Before her own death in 2004, she and David Kessler completed *On Grief and Grieving*, which looks at the way we experience the process of grief. Just as *On Death and Dying* taught us the five stages of death--denial, anger, bargaining, depression, and acceptance--*On Grief and Grieving* applies these stages to the grieving process and weaves together theory, inspiration, and practical advice, including sections on sadness, hauntings, dreams, isolation, and healing. This is a fitting finale and tribute to the acknowledged expert on end-of-life matters (Good Housekeeping).

Let's Pretend This Never Happened Jenny Lawson,2012-04-17 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspably funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. American Wife Taya Kyle,Jim DeFelice,2015-05-04 The widow of "American Sniper" Chris Kyle shares their private story: an unforgettable testament to the power of love and faith in the face of war and unimaginable loss--and a moving tribute to a man whose true heroism ran even deeper than the legend. In early 2013, Taya Kyle and her husband Chris were the happiest they ever had been. Their decade-long marriage had survived years of war that took Chris, a U.S. Navy SEAL, away from Taya and their two children for agonizingly long stretches while he put his life on the line in many major battles of the Iraq War. After struggling to readjust to life out of the military, Chris had found new purpose in redirecting his lifelong dedication to service to supporting veterans and their families. Their love had deepened, and, most special of all, their family

was whole, finally. Then, the unthinkable. On February 2, 2013, Chris and his friend Chad Littlefield were killed while attempting to help a troubled vet. The life Chris and Taya fought so hard to build together was shattered. In an instant, Taya became a single parent of two. A widow. A young woman facing the rest of her life without the man she loved. Chris and Taya's remarkable story has captivated millions through Clint Eastwood's blockbuster, Academy Award-winning film *American Sniper*, starring Bradley Cooper as Chris and Sienna Miller as Taya, and because of Chris's bestselling memoir, in which Taya contributed passages that formed the book's emotional core. Now, with trusted collaborator Jim DeFelice, Taya writes in never-before-told detail about the hours, days, and months after his shocking death when grief threatened to overwhelm her. Then there were wearying battles to protect her husband's legacy and reputation. And yet throughout, friendship, family, and a deepening faith were lifelines that sustained her and the kids when the sorrow became too much. Two years after her husband's tragic death, Taya has found renewed meaning and connection to Chris by advancing their shared mission of "serving those who serve others," particularly military and first-responder families. She and the children now are embracing a new future, one that honors the past but also looks forward with hope, gratitude, and joy. *American Wife* is one of the most remarkable memoirs of the year -- a universal chronicle of love and heartbreak, service and sacrifice, faith and purpose that will inspire every reader.

The Hating Game Sally Thorne, 2016-08-09 Now a movie starring Lucy Hale and Austin Stowell, USA Today bestselling author Sally Thorne's hilarious and sexy workplace comedy all about that thin, fine line between hate and love. Nemesis (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quirkiness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream job...But the tension between Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or maybe this is just another game.

ME: I don't know, I'm - what's the word - depressed? Do I have to go into detail? Cheer Up Love Susan Calman,2016-05-05 'DEEPLY HONEST, SURPRISINGLY HILARIOUS AND UPLIFTING' The Pool 'HEART-WARMING: UNMISSABLE' Damian Barr, Metro Susan Calman is a much-loved comedian and writer who has

appeared on countless radio and television programmes from The News Quiz and Just a Minute to Armchair Detectives and Secret Scotland. She's hosted the podcast Mrs Brightside and stole the nation's hearts in Strictly Come Dancing. Her breakout solo stand up show, Susan Calman is Convicted, dealt with subjects like the death penalty, appearance and depression. It was the overwhelming and positive reaction to the show she wrote about mental health that made Susan want to write a more detailed account of surviving depression when you're the world's most negative and anxious person. The Crab of Hate is the personification of Calman's depression and her version of the notorious Black Dog. A constant companion all her life, the Crab has provided her with the best, and very worst of times. This is a very personal and affecting memoir of how, after many years and with a lot of help and talking, Susan has embraced her dark side and realised that she can be the most joyous sad person you'll ever meet. CHEER UP LOVE IS FUNNY, POIGNANT AND (HOPEFULLY) INFORMATIVE. IT'S ALWAYS GOOD TO TALK AND TO REALISE YOU ARE NOT ALONE. *If you loved Cheer Up Love, try Sunny Side Up, Susan's Calmanifesto of Happiness*

Curly Joan Howard Maurer, 2013-09-01 While the Three Stooges were the longest active and most productive comedy team in Hollywood, their artistic height coincided with the years Curly was with them, from 1932 to 1946. Famous for his high-pitched voice, his “nyuk-nyuk-nyuk” and “why, soitenly,” and his astonishing athleticism, Curly was a true natural, an untrained actor with a knack for improvisation. Yet for decades, little information about him was available. Then, in 1985, Joan Howard Maurer, the daughter of Moe Howard and the niece of Curly and Shemp, published this definitive biography. In addition to speaking at length with his relatives, friends, and colleagues, she amassed a wealth of Curly memorabilia, a mixture of written material and rare photographs of Curly’s family, films, and personal life. In Curly, she put it all together to come up with the first and only in-depth look at this crazy comedic genius. She included plenty of intimate details about his astonishing relationship with his mother, his three marriages, and his interactions with his daughters and friends. The result was a well-rounded portrait of the most unpredictable—and most popular—Stooge. Joan Howard Maurer is the daughter of Moe Howard, the leader of the Three Stooges. Her books include *The Three Stooges Scrapbook* (with Jeff and Greg Lenburg) and *The Three Stooges Book of Scripts*. Michael Jackson, now recognized as the most successful entertainer of all time, often spoke of his love for the Three Stooges.
