## Francis Peter LeBuffe

**The Hound of Heaven** Francis Thompson, 2019-11-21 'The Hound of Heaven' has been called the greatest ode (poem) in the English language. Such was the contemporary verdict of some of the most respected critics of the time, and the conviction of its justness deepens with the passing of years. Recall the writers of great odes, Milton, Dryden, Pope, Gray, Collins, Wordsworth, Keats, Shelley, Coleridge,—the best they have done will not outstare the Hound of Heaven. Where shall we find its equal for exaltation of mood that knows no fatigue from the first word to the last? The motion of angelic hosts must be like the movement of this ode, combining in some marvellous and mysterious way the swiftness of lightning with the stately progress of a pageant white with the blinding white light of an awful Presence...

**The Hound of Heaven** Robert Hale Ives Gammell, Brigid M. Boardman, Francis Thompson, 1994 The following notes are by no means intended as a rule of thought by which nurses can teach themselves to nurse, still less as a manual to teach nurses to nurse. They are meant simply to give hints for thought to women who have personal charge of the health of others. Every woman, or at least almost every woman, in England has, at one time or another of her life, charge of the personal health of somebody, whether child or invalid, -in other words, every woman is a nurse. Every day sanitary knowledge, or the knowledge of nursing, or in other words, of how to put the constitution in such a state as that it will have no disease, or that it can recover from disease, takes a higher place. It is recognized as the knowledge which every one ought to have—distinct from medical knowledge, which only a profession can have

**The Hound of Heaven** Brian Oxley, Sally Oxley, Sonja Peterson, Devin Brown, 2015-05-12 When Jesus told his followers how much we all need God's love, it was not a theological treatise. Instead, he told a story: There once was a man who had two sons... The simplicity of this famous parable belies some richly profound truths. The story Francis Thompson tells in his classic poem *The Hound of Heaven* works in exactly this way--stirring our hearts with a yearning we may not fully understand. Something comes through the poem that we cannot quite put our finger on... This book actually contains two versions of the poem, the original and a modern adaptation. Despite the depth and beauty of the poem, it is written in a vernacular difficult to understand. Our rationale for the adaptation of this masterpiece is to reveal its timeless beauty and

insights for a broad, modern audience.

**Surprised by Oxford** Carolyn Weber,2013-02-04 When Carolyn Weber set out to study Romantic literature at Oxford University, she didn't give much thought to God or spiritual matters—but over the course of her studies she encountered the Jesus of the Bible and her world turned upside down. Surprised by Oxford chronicles her conversion experience with wit, humor, and insight into how becoming a Christian changed her. Carolyn Weber arrives at Oxford a feminist from a loving but broken family, suspicious of men and intellectually hostile to all things religious. As she grapples with her God-shaped void alongside the friends, classmates, and professors she meets, she tackles big questions in search of truth, love, and a life that matters. From issues of fatherhood, feminism, doubt, doctrine, and love, Weber explores the intricacies of coming to faith with an aching honesty and insight echoing that of the poets and writers she studied. Surprised by Oxford is: The witty memoir of a skeptical agnostic who comes to a dynamic personal faith in God Rich with illustration and literary references Gritty, humorous, and spiritually perceptive An inside look at Oxford University Weber eloquently describes a journey many of us have embarked upon, grappling with tough questions and doubts about the meaning of faith—and ultimately finding it in the most unlikely of places.

*Journal of a Solitude* May Sarton,2014-07-22 The poet and author's "beautiful . . . wise and warm" journal of time spent in her New Hampshire home alone with her garden, her books, the seasons, and herself (Eugenia Thornton, Cleveland Plain Dealer). "Loneliness is the poverty of self; solitude is richness of self." —May Sarton May Sarton's parrot chatters away as Sarton looks out the window at the rain and contemplates returning to her "real" life—not friends, not even love, but writing. In her bravest and most revealing memoir, Sarton casts her keenly observant eye on both the interior and exterior worlds. She shares insights about everyday life in the quiet New Hampshire village of Nelson, the desire for friends, and need for solitude—both an exhilarating and terrifying state. She likens writing to "cracking open the inner world again," which sometimes plunges her into depression. She confesses her fears, her disappointments, her unresolved angers. Sarton's garden is her great, abiding joy, sustaining her through seasons of psychic and emotional pain. *Journal of a Solitude* is a moving and profound meditation on creativity, oneness with nature, and the courage it takes to be alone. Both uplifting and cathartic, it sweeps us along on Sarton's pilgrimage inward. This ebook features an extended biography of May Sarton.

**The Lily of the Field and the Bird of the Air** Søren Kierkegaard,2018-04-03 A masterful new translation of one of Kierkegaard's most engaging works In the Sermon on the Mount, Jesus tells his followers to let go of earthly concerns by

considering the lilies of the field and the birds of the air. Søren Kierkegaard's short masterpiece on this famous gospel passage draws out its vital lessons for readers in a rapidly modernizing and secularizing world. Trenchant, brilliant, and written in stunningly lucid prose, *The Lily of the Field and the Bird of the Air* (1849) is one of Kierkegaard's most important books. Presented here in a fresh new translation with an informative introduction, this profound yet accessible work serves as an ideal entrée to an essential modern thinker. *The Lily of the Field and the Bird of the Air* reveals a less familiar but deeply appealing side of the father of existentialism—unshorn of his complexity and subtlety, yet supremely approachable. As Kierkegaard later wrote of the book, Without fighting with anybody and without speaking about myself, I said much of what needs to be said, but movingly, mildly, upliftingly. This masterful edition introduces one of Kierkegaard's most engaging and inspiring works to a new generation of readers.

Single Hound Emily Dickinson, 2018-10-09 When Emily Dickinson died in 1886, having published only a tiny selection of her verse anonymously in journals and newspapers, she left behind a chest containing almost 1,800 poems written on notebooks and loose sheets. Her family members, starting with her sister Lavinia, began editing and compiling them for publication, and one of the most celebrated collections, *The Single Hound*, was prepared by her niece Martha Dickinson Bianchi and published in 1914. This volume, containing some of Dickinson's most original and poignant pieces, helped cement her reputation as one of America's most important poets. Sparse and experimental, yet accessible and intimate, the compositions included in *The Single Hound* provide an ideal introduction to Dickinson's genius.

Falling Awake Alice Oswald, 2016-07-07 Winner of the 2017 Griffin Prize Winner of the 2016 Costa Poetry Award Shortlisted for the 2016 T. S. Eliot Award Shortlisted for the 2016 Forward Prize A Daily Telegraph / Guardian / Herald / New Statesman / Sunday Times / Times Literary Supplement Book of the Year Alice Oswald's poems are always vivid and distinct, alert and deeply, physically, engaged in the natural world. Mutability - a sense that all matter is unstable in the face of mortality - is at the heart of this new collection and each poem is involved in that drama: the held tension that is embodied life, and life's losing struggle with the gravity of nature. Working as before with an ear to the oral tradition, these poems attend to the organic shapes and sounds and momentum of the language as it's spoken as well as how it's thought: fresh, fluid and propulsive, but also fragmentary, repetitive. These are poems that are written to be read aloud. Orpheus and Tithonus appear at the beginning and end of this book, alive in an English landscape, stuck in the clockwork of their own speech, and the Hours - goddesses of the seasons and the natural apportioning of Time - are the presiding figures. The persistent conditions are flux and falling, and the lines are in constant motion: approaching, from daring new angles, our experience of being human, and coalescing into poems of simple, stunning beauty.

**This Wound Is a World** Billy-Ray Belcourt, 2019-09-03 The new edition of a prize-winning memoir-in-poems, a

meditation on life as a queer Indigenous man—available for the first time in the United States “i am one of those hopeless romantics who wants every blowjob to be transformative.” Billy-Ray Belcourt’s debut poetry collection, *This Wound Is a World*, is “a prayer against breaking,” writes trans Anishinaabe and Métis poet Gwen Benaway. “By way of an expansive poetic grace, Belcourt merges a soft beauty with the hardness of colonization to shape a love song that dances Indigenous bodies back into being. This book is what we’ve been waiting for.” Part manifesto, part memoir, *This Wound Is a World* is an invitation to “cut a hole in the sky / to world inside.” Belcourt issues a call to turn to love and sex to understand how Indigenous peoples shoulder their sadness and pain without giving up on the future. His poems upset genre and play with form, scavenging for a decolonial kind of heaven where “everyone is at least a little gay.” Presented here with several additional poems, this prize-winning collection pursues fresh directions for queer and decolonial theory as it opens uncharted paths for Indigenous poetry in North America. It is theory that sings, poetry that marshals experience in the service of a larger critique of the coloniality of the present and the tyranny of sexual and racial norms.

**Sky, Wind, and Stars** Dongju Yun ,2003 Born and raised in northern Manchuria during the colonial period of Korea, Yun Dong-ju was a poet of the utmost purity, beauty, and sincerity. His posthumously published collection of poems under the title *Sky, wind, stars, and poems* is one of the all-time favorites of Korean readers. Wishing not to have so much as a speck of shame toward heaven until the day I die, I suffered, even when the wind stirred the leaves. (From Foreword) In simple diction and straightforward expressions, his poems sing of his love for his people, his compassion for the poor and destitute, and his hopes for freedom and independence. These themes still resonate deep within the hearts of the Korean people. His imprisonment and eventual death in 1945 in a Japanese prison lend great poignancy to his work.

*Sir Gawain and the Green Knight* R. A. Waldron,1970 Chrysanthemum loves her name, until she starts going to school and the other children make fun of it.

The Best Man that Ever was Annie Freud,2007 *The Best Man That Ever Was* announces Annie Freud as one of the most startlingly original poets to have emerged for many years. With the imaginative risks she takes, Freud might be called an experimental poet, were her poetry not so effortlessly successful. These wise, funny, sly, erotic, and lightning-witted poems all find their marks with unerring accuracy. From the astonishing and highly discomfiting dramatic monologue of the title poem, through love poems of great worldly tenderness, to a soliloquy from the inventor of the individual fruit pie, the reader is both challenged and royally entertained from first to last. *The Best Man That Ever Was* is one of the most important poetic debuts of the last decade.
