

Foundation Of Israel State

Shlomo Avineri

The Creation of the State of Israel Myra Immell, 2009-10-16 Tensions in the Middle East are due to a number of reasons, with the creation of Israel being among them. Give readers a much-needed survey of several lively debates relating to the creation of the state of Israel. Essay sources include The Times of London, The Jerusalem Post, and The Higher Arab Committee. While essayist Jamal el-Husseini argues that Palestine should not be partitioned, Abba Hillel Silver argues that Palestine should be partitioned. Sequenced in the pro versus con format, these essays will activate your readers' critical thinking skills. Once seating reader's deeply in the debates, personal narratives are then shared, by those living with the issues of disharmony between Palestine and Israel. Narratives include a student celebrating the dawn of the Jewish state, and a young immigrant who joins the Haganah.

Dear Palestine Shay Hazkani, 2021-04-13 In 1948, a war broke out that would result in Israeli independence and the erasure of Arab Palestine. Over 20 months, thousands of Jews and Arabs came from all over the world to join those already on the ground to fight in the ranks of the Israel Defense Forces and the Arab Liberation Army. With this book, the young men and women who made up these armies come to life through their letters home, writing about everything from daily life to nationalism, colonialism, race, and the character of their enemies. Shay Hazkani offers a new history of the 1948 War through these letters, focusing on the people caught up in the conflict and its transnational reverberations. *Dear Palestine* also examines how the architects of the conflict worked to influence and indoctrinate key ideologies in these ordinary soldiers, by examining battle orders, pamphlets, army magazines, and radio broadcasts. Through two narratives--the official and unofficial, the propaganda and the personal letters--*Dear Palestine* reveals the fissures between sanctioned nationalism and individual identity. This book reminds us that everyday people's fear, bravery, arrogance, cruelty, lies, and exaggerations are as important in history as the preoccupations of the elites.

The Downfall of Abba Hillel Silver and the Foundation of Israel Ofer Shiff, 2014-05-27 In early February 1949, American Jewry's most popular and powerful leader, Abba Hillel Silver (1893-1963), had summarily resigned from all his official positions within the Zionist movement and had left New York for Cleveland, returning to his post as a Reform rabbi. During the second half of the 1940s, Silver was the most outspoken proponent of the founding of a sovereign Jewish state. He was the most instrumental American Jewish leader in the political struggle that led to the foundation of the State of Israel.

Paradoxically, this historic victory also heralded Silver's personal defeat. Soon after Israel's declaration of independence, Silver and many of his American Zionist colleagues were relegated to the sidelines of the Zionist movement. Almost overnight, the influential leader—one who had been admired and feared by supporters and opponents—was stripped of his power within both the Zionist and the American Jewish arenas. Shiff's book discerns the various aspects of the striking turnabout in Silver's political fate, describing the personal tragic story of a leader who was defeated by his own victory and the much broader intra-Zionist battle that erupted in full force immediately after the founding of Israel. Drawing extensively on Silver's own archival material, Shiff presents an enlightening portrait of a critical episode in Jewish history. This book is highly relevant for anyone who attempts to understand the complex homeland-diaspora relations between Israel and American Jewry.

Herzl Shlomo Avineri, 2013-12-12 The first biography in more than a generation of the father of modern political Zionism and in effect the state of Israel. Drawing extensively on his diaries as well as his published works, this intellectual biographical follows Herzl's transformation from a private person into the founder and leader of a political movement which made the quest for a Jewish state into a player in international politics. Contrary to the conventional view which saw the Dreyfus affair as the trigger for Herzl's loss of belief in the promise of Jewish emancipation, Avineri shows how it was the political crisis of the Austro-Hungarian Habsburg Empire, torn apart by contending national movements, which convinced Herzl of the need for a Jewish polity. In response to the wide resonance for his 1896 *THE JEWISH STATE*, Herzl convened the first Zionist Congress in Basel in 1897, which established the World Zionist Organization with its representative and elected institutions; this in turn became the foundation for Israel's democratic political system. In his efforts to gain international support for a Jewish state, Herzl met with the Ottoman Sultan, the German Emperor Wilhelm II, Pope Pius X, British, Russian and German ministers, as well as an enormous number of other government and public opinion leaders of most European countries. By the time of his early death in 1904 at the age of 44, Herzl succeeded in putting Zionism on the map of world politics, no longer an esoteric idea held by a small group of Jewish intellectuals in Eastern Europe.

A Short History of Zionism Israel Cohen, 2007-03 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said

and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is dependent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

A History of Palestine Gudrun Krämer,2011-02-22 Krämer focuses on patterns of interaction amongst Jews and Arabs (Muslim as well as Christian) in Palestine, an interaction that deeply affected the economic, political, social, and cultural evolution of both communities under Ottoman and British rule.

The Origins of Israel, 1882-1948 Eran Kaplan,Derek J. Penslar,2011-12-01 In 1880 the Jewish community in Palestine encompassed some 20,000 Orthodox Jews; within sixty-five years it was transformed into a secular proto-state with well-developed political, military, and economic institutions, a vigorous Hebrew-language culture, and some 600,000 inhabitants. *The Origins of Israel, 1882-1948: A Documentary History* chronicles the making of modern Israel before statehood, providing in English the texts of original sources (many translated from Hebrew and other languages) accompanied by extensive introductions and commentaries from the volume editors. This sourcebook assembles a diverse array of 62 documents, many of them unabridged, to convey the ferment, dissent, energy, and anxiety that permeated the Zionist project from its inception to the creation of the modern nation of Israel. Focusing primarily on social, economic, and cultural history rather than Zionist

thought and diplomacy, the texts are organized in themed chapters. They present the views of Zionists from many political and religious camps, factory workers, farm women, militants, intellectuals promoting the Hebrew language and arts—as well as views of ultra-Orthodox anti-Zionists. The volume includes important unabridged documents from the origins of the Arab-Israeli conflict that are often cited but are rarely read in full. The editors, Eran Kaplan and Derek J. Penslar, provide both primary texts and informative notes and commentary, giving readers the opportunity to encounter voices from history and make judgments for themselves about matters of world-historical significance. Best Special Interest Books, selected by the Public Library Reviewers Best Books for General Audiences, selected by the American Association of School Librarians

Citizen Strangers Shira Robinson, 2013-10-09 “A remarkable book . . . a detailed panorama of the many ways in which the Israeli state limited the rights of its Palestinian subjects.” —Orit Bashkin, H-Net Reviews Following the 1948 war and the creation of the state of Israel, Palestinian Arabs comprised just fifteen percent of the population but held a much larger portion of its territory. Offered immediate suffrage rights and, in time, citizenship status, they nonetheless found their movement, employment, and civil rights restricted by a draconian military government put in place to facilitate the colonization of their lands. *Citizen Strangers* traces how Jewish leaders struggled to advance their historic settler project while forced by new international human rights norms to share political power with the very people they sought to uproot. For the next two decades Palestinians held a paradoxical status in Israel, as citizens of a formally liberal state and subjects of a colonial regime. Neither the state campaign to reduce the size of the Palestinian population nor the formulation of citizenship as a tool of collective exclusion could resolve the government’s fundamental dilemma: how to bind indigenous Arab voters to the state while denying them access to its resources. More confounding was the tension between the opposing aspirations of Palestinian political activists. Was it the end of Jewish privilege they were after, or national independence along with the rest of their compatriots in exile? As Shira Robinson shows, these tensions in the state’s foundation—between privilege and equality, separatism and inclusion—continue to haunt Israeli society today. “An extremely important, highly scholarly work on the conflict between Zionism and the Palestinians.” —G. E. Perry, Choice

Decolonizing Israel, Liberating Palestine Jeff Halper, 2021-01-20 What if our understanding of Israel/Palestine has been wrong all along?

A State at Any Cost Tom Segev, 2019-08-27 The definitive biography of Israel's founder by one of Israel's most celebrated historians. As the founder of Israel, David Ben-Gurion long ago secured his reputation as a leading figure of the twentieth century. Determined from an early age to create a Jewish state, he took control of the Zionist movement, declared Israel's independence, and navigated his country through wars, controversies and remarkable achievements. In this definitive biography, Tom Segev uses previously unreleased archival material to give an original, nuanced account that transcends the myths and legends that have built up around the man. He reveals Ben-Gurion's secret negotiations with the

British on the eve of Israel's independence, his willingness to countenance the forced transfer of Arab neighbors, his relative indifference to Jerusalem, and his occasional eccentric moments – from UFO sightings to plans for Israel to acquire territory in South America. The result is a full and startling portrait of a man who sought a state 'at any cost' – at times through risk-taking, violence, and unpredictability, and at other times through compromise, moderation and reason. Segev's Ben-Gurion is neither a saint nor a villain but a twentieth-century leader whose iron will and complex temperament left a contentious legacy, and one of the world's most intractable national conflicts. Praise for *A State at Any Cost*: 'A must for anybody interested in both the glorious and the dark pages of the history of Zionism and Israel, as reflected throughout the life and times of the Jewish State's most important founding father' SAUL FRIEDLÄNDER 'The story of a hard-headed, pragmatic and ruthless politician, told without sentimentality or nostalgia. It also serves as a key to understanding today's Israel, which is still very much Ben-Gurion's creation' THE TIMES 'Fascinating... A masterly portrait of a titanic yet unfulfilled man... This is a gripping study of power, and the loneliness of power' THE ECONOMIST

One Land, Two States Mark LeVine, Mathias Mossberg, 2014-06-20 *One Land, Two States* imagines a new vision for Israel and Palestine in a situation where the peace process has failed to deliver an end of conflict. "If the land cannot be shared by geographical division, and if a one-state solution remains unacceptable," the book asks, "can the land be shared in some other way?" Leading Palestinian and Israeli experts along with international diplomats and scholars answer this timely question by examining a scenario with two parallel state structures, both covering the whole territory between the Mediterranean and the Jordan River, allowing for shared rather than competing claims of sovereignty. Such a political architecture would radically transform the nature and stakes of the Israel-Palestine conflict, open up for Israelis to remain in the West Bank and maintain their security position, enable Palestinians to settle in all of historic Palestine, and transform Jerusalem into a capital for both of full equality and independence—all without disturbing the demographic balance of each state. Exploring themes of security, resistance, diaspora, globalism, and religion, as well as forms of political and economic power that are not dependent on claims of exclusive territorial sovereignty, this pioneering book offers new ideas for the resolution of conflicts worldwide.

Germany and Israel Daniel Marwecki, 2020 According to common perception, the Federal Republic of Germany supported the formation of the Israeli state for moral reasons--to atone for its Nazi past--but did not play a significant role in the Arab-Israeli conflict. However, the historical record does not sustain this narrative. Daniel Marwecki's pathbreaking analysis deconstructs the myths surrounding the odd alliance between Israel and post-war democratic Germany. Thorough archival research shows how German policymakers often had disingenuous, cynical or even partly antisemitic motivations, seeking to whitewash their Nazi past by supporting the new Israeli state. This is the true context of West Germany's crucial backing of Israel in the 1950s and '60s. German economic and military support greatly contributed to Israel's early consolidation and

eventual regional hegemony. This initial alliance has affected Germany's role in the Israeli-Palestinian conflict to the present day. Marwecki reassesses German foreign policymaking and identity-shaping, and raises difficult questions about German responsibility after the Holocaust, exploring the many ways in which the genocide of European Jews and the dispossession of the Palestinians have become tragically intertwined in the Middle East's international politics. This long overdue investigation sheds new light on a major episode in the history of the modern Middle East.

Israel's Rights as a Nation-State in International Diplomacy Alan Baker, 2011 A collection of articles about Israel's right of establishment as a Jewish homeland and as an independent country.

The 1945-1952 British Government's Opposition to Zionism and the Emergent State of Israel Nick Reynold, 2021-12-01 The 1945-1952 British Government's Opposition to Zionism and the Emergent State of Israel tells the story of a longstanding campaign conducted by senior members of a British government against Zionism, a fledgling nationalist movement, immediately after World War II. The book argues that although the British Labour Party had once been firm supporters of Zionism and the creation of a Jewish homeland, once in office, and particularly under the influence of the anti-Zionist Foreign Office, their position changed. The two senior Cabinet ministers, Prime Minister Clement Atlee and Foreign Secretary Ernest Bevin, had very little knowledge about or interest in Zionism at the time that they took office. And so various internal and external bodies were able to persuade them to adopt their own firmly held position when they had no position of their own. Despite the horrors of the Holocaust and displacement of large numbers of Jews, ultimately the British Government were not willing to risk alienating Middle East Arabs in support of a Jewish homeland. The book examines the motivations and roles of the two men and their fascinating relationship with the Zionist movement of the mid-twentieth century, culminating in the triumphant establishment of the state of Israel against all odds.

State of Terror Thomas Suarez, 2016-12-05 From 1940 on, when Palestine was still ruled by the British, violence and terror were used by Zionist terror groups to deny the rights of the indigenous Palestinians to the land they had lived in for generations, and to attack anyone, including the British, who tried to uphold those rights. It is uncomfortable to read and shocking in its implications, providing evidence for a case that has been denied for 60 years or more by the Israelis. Suarez takes the story beyond the establishment of Israel in 1948 and shows how in first decade of its existence, the new Israel government, angered by the fact that Palestinian Arabs still remained in the state, continued to use terror in an attempt to make the remaining Arab inhabitants leave their land.

Israel's Moment Jeffrey Herf, 2022-02-03 A new account of support for and opposition to Zionist aspirations in Palestine in the United States and Europe from 1945 to 1949.

Land, Labor and the Origins of the Israeli-Palestinian Conflict, 1882-1914 Gershon Shafir, 1996-08-19 Gershon Shafir challenges the heroic myths about the foundation of the State of Israel by investigating the struggle to control land

and labor during the early Zionist enterprise. He argues that it was not the imported Zionist ideas that were responsible for the character of the Israeli state, but the particular conditions of the local conflict between the European settlers and the Palestinian Arab population.

The Iron Cage Rashid Khalidi, 2024-01-18 A brilliant and sobering critique of the Palestinian failure to achieve statehood, by a major Palestinian historian and political commentator At a time when a lasting peace between Palestinians and Israelis seems virtually unattainable, understanding the roots of the longest-running conflict in the Middle East is an essential step in restoring hope to the region. In *The Iron Cage*, Rashid Khalidi, one of the most respected historians and political observers of the Middle East, examines the Palestinian's struggle for statehood, presenting a succinct and insightful history of the people and their leadership throughout the twentieth century. Ranging from the Palestinian struggle against colonial rule and the establishment of the State of Israel to the current rivalry between Hamas and Fatah, this is an unflinching and sobering critique of the Palestinian failure to achieve statehood, as well as a balanced account of the odds ranged against them. Lucid yet challenging, Rashid Khalidi's engrossing narrative of this tortuous history is required reading for anyone concerned about peace in the Middle East.

The Case for Israel Alan Dershowitz, 2011-01-06 *The Case for Israel* is an ardent defense of Israel's rights, supported by indisputable evidence. Presents a passionate look at what Israel's accusers and detractors are saying about this war-torn country. Dershowitz accuses those who attack Israel of international bigotry and backs up his argument with hard facts. Widely respected as a civil libertarian, legal educator, and defense attorney extraordinaire, Alan Dershowitz has also been a passionate though not uncritical supporter of Israel.

David Ben-Gurion and the Foundation of Israeli Democracy Nir Kedar, 2021-12-07 In *David Ben-Gurion and the Foundation of Israeli Democracy*, Nir Kedar offers a poignant study of the primary national founder of the State of Israel and the first prime minister of Israel. Kedar provides an explication of the making of Israeli democracy in terms of its institutional-legal structures and social-cultural underpinnings. *David Ben-Gurion and the Foundation of Israeli Democracy* connects the formal structures of democracy to the fundamental principles that they were constructed to serve—human freedom and dignity.

Eventually, you will certainly discover a further experience and triumph by spending more cash. still when? realize you consent that you require to get those all needs gone having significantly cash? Why dont you attempt to get something basic in the beginning? Foundation Of Israel State Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume

information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Foundation Of Israel State PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial

limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue

lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Foundation Of Israel State PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Foundation Of Israel State free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This

accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Foundation Of Israel State Books

What is a Foundation Of Israel State PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Foundation Of Israel State PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows

you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Foundation Of Israel State PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Foundation Of Israel State PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Foundation Of Israel State PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a

password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal

depending on the circumstances and local laws.
