The Peaceful Wife April Cassidy, 2016-01-27 “This book walks each of us through the reality checks we need in order to have the marriage we want!” —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today’s workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy’s conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you’ll find *The Peaceful Wife* a powerful path to God’s design for women to live in full submission to Christ as Lord.

Poems for the Pastor Richard A. Phipps, 2008-02-01 As a pastor, have you ever had a loss of words during those many trying moments in your ministry, when you found it difficult to express your true feelings? All of us have! Maybe the loneliness of being a pastor has, at times, simply overwhelmed you and you search for someone, anyone to offer you words of comfort and encouragement. Possibly, you’ve been without words to comfort those who are grieving or experiencing a deep hurt. Many times it could have been your own grief or deep hurt. Pastor Phipps, like any other pastor, has been there many times and he has a deep burden for all of you facing the many challenges of the pastorate. He wrote *Poems for the Pastor* to offer you special words of encouragement, words of hope, words of healing, and words you can share with others within your flock who need them the most. May these simple lines of verse, uniquely interwoven through Scripture, be a blessing to you, your family, and those under your tender care.

The Daddy Gap Dawn Walker and Matt Haviland, 2014-11-07 Upon hearing the news that his father has gone to jail, a six-year-old boy poses the question of this generation: “Who’s going to take my Dad’s place?” *The Daddy Gap* takes an uncensored look at the distress so many fatherless families are in and provides desperately needed answers about how God responds to this question and how the Church should as well. Dawn Walker and Matt Haviland build a compelling case that not only are single parent families the “widows and orphans” of this generation, but that it is the Church, not the

government, that should be responsible to care for them. Drawing from their own journeys as single parents, Dawn and Matt give heartfelt encouragement to these often marginalized families by sharing how God really sees them, loves them, and wants to heal and restore them. Full of rich insights and lavish grace, they also offer some hard truths about what redemption and restoration really require. Most importantly, they clear a path to help all wounded sons and daughters discover the Father they've always wanted and who has always wanted them.

Chicken Soup for the Soul: Family Matters Jack Canfield, Mark Victor Hansen, Amy Newmark, Susan M. Heim, 2011-01-25 Readers will be amused, comforted, and encouraged by stories about “nutty” families just like their own, and realize we all have the same family matters and what really matters is families. A quirky and fun holiday book and a great bridal shower or wedding gift! Nearly everyone thinks their own family is “nutty or at least has one or two nuts. With 101 stories of wacky yet lovable relatives, funny foibles, and holiday meltdowns, *Chicken Soup for the Soul: Family Matters* is often hilarious and occasionally poignant.

Funerals and Favors Winnie Reed, Let no good deed go unpunished. At least, that's what it feels like to Darcy Harmon. She's helping a friend out, doing a favor, delivering flowers to a funeral when one of the attendees dies on the spot. Right there at the funeral. Right in front of Darcy. She can't let that go without investigating, can she? Especially not after attempts on her own life. If only she could get Pete to talk to her. But nope, that officer's having nothing to do with her. What could make matters worse? Helping her mother arrange a baby shower for Emma. Not only is their mother a basket case from the arrangements, she's also got a summer cold and can't bake for the event. Which leaves only one option. You guessed it. Ethan. Things just got worse, didn't they?

Memoirs of Constant Louis Constant Wairy Constant (known as), 1896

Derailed by History Alister Renaux, 2017-08-23 The surname is obviously French, but you are Indian? That is confusing! uttered the American gentleman at our second meeting. I explained my mixed heritage while watching a face whose eyes gleamed brighter and whose smile grew more incredulous with the passing of each word. He had never come across an Anglo-Indian before, or even if he had, he hadn't heard the story.

A Tribute to My Father John Piper, 2013-06-15 My father was the happiest man I ever knew. One of the reasons for this was his singing faith. To feel the significance of this, you need to understand that he was a fundamentalist. That's not a bad word in my vocabulary. And he's the reason. Fundamentals are worth dying for and fighting for. But that fight has killed the Song in the hearts of many people. But not in Bill Piper.

My Parents Got Old! Now What Do I Do? Janine Brown, 2015-11-06 An aging population means an increasing number of children take care of their parents. While adult children have been their elderly parents caregivers for generations, those in that role today face challenges others have not. It's no wonder many feel overwhelmed and stressed when they first take

responsibility for those who once took care of them. Author Janine Browns My Parents Got Old! What Do I Do? A Practical Guide to Caring for Your Aging Parents helps you face and get through the issues surrounding your role as adult child and parental caregiver. Brown is not a lawyer, accountant, or doctor. She writes from the personal experience hers and others of caring for aging parents. She shares information to help caregivers and potential caregivers assess needs and skills necessary to providing their parents with the best possible care. Through her experiences, you'll gain an understanding of what happens in real life; Brown takes caregiving beyond the theoretical to the practical. Checklists help you stay organized, which can be very helpful in situations with heightened emotions. You'll appreciate the author's holistic approach to the adult caregiving, including chapters on family ties and the emotional reality of what is to come. There's no doubt caring for an elderly parent can be difficult and trying. With My Parents Got Old! Now What Do I Do? A Practical Guide to Caring for Your Aging Parents, you won't be alone on this journey. You'll have the benefit of others who have been there.

Hey, Jesus, It's Me Ellen Skrmetti, 2024-09-17 Instagram star and comedian Ellen Skrmetti shares stories behind her wildly popular "Hey Jesus, It's Me" sketches of a middle-aged, southern-woman's opinions on mamas, menopause, and menus--and on giving the Lord a bit of advice about those unspoken prayer requests. As a young girl, Ellen Skrmetti loved performing. She starred in plays, sang in the church choir, and even compete in the Miss Mississippi pageant. But backstage at the pageant, she was gripped by severe stage fright and made a deal with God: If you help me get through this, I will never, ever get onstage again. After successfully hitting the high note in "Adelaide's Lament" from the musical Guys and Dolls, she packed up her drama clothes for good—or so she thought. When the pandemic hit, Ellen longed to bring a little joy to the dark struggles the world was facing. She thought about all of times she'd asked Jesus to walk with her through pain and heartache—and how often He'd laughed with or comforted her, even during her blazing hot flashes. So she decided to share that message with others, in 30-second videos on Instagram that quickly went viral. Holding a remote control in her hand, Ellen calls Jesus with comments and questions, including asking Him not to make her an advance maternal age mama (again) and if He could bless the nourishment of her food to someone else's body. She also asks for advice when her best friend's ex-husband's new wife shows up in the next pew, or what nursing home plans to make when she's eight years past your first geriatric pregnancy. From a pageant queen with stage fright, to viral videos, to her growing popularity as a stand-up comedian with sold-out performances, Ellen's humor is rooted in southern charm and culture. Her relatable stories in Hey Jesus, It's Me will bring levity to our lives, or at least some validation that we're not the only ones asking if we can ghost our relatives in heaven.

From Russia to Love Eva Chapman, 2012-09-04 The great violinist Viktoria Mullova's story is one of striking contrasts and huge challenges. As a young musician she was a bright star in the Soviet musical firmament, but she stunned the world when she escaped the KGB and fled to the West, leaving behind her family, friends and all she knew. And in her flight from Finland, Viktoria also abandoned on her hotel bed the priceless Stradivarius she'd played during her triumph at the International Tchaikovsky Competition. *From Russia to Love* recounts the journey of a remarkable woman. Armed only with her violin bow and her exceptional talent, Viktoria went on to conquer the West. As her new life unfolded, first in America and then in Europe, Viktoria met fellow exiles Nureyev and Rostropovich, fell in love with conductor Claudio Abbado and learned to throw off the shackles of her Russian training. Granted unparalleled access to her subject, Eva Maria Chapman paints an intimate, truthful and sensitive portrait of a unique artist.

Hero of the Yacolt Burn Douglas N. Maynard, 2022-06-23 After hearing the Reverend Jason Lee describe the wonders of the Pacific Northwest in 1838 and declaring it was the United States' Manifest Destiny to claim the Northwest for God and Country, sixteen-year-old Thomas Merriman begins planning his own destiny. At age eighteen, as part of the Bidwell-Bartleson Party (one of the first wagon trains to cross the Oregon Trail), Thomas leaves Independence, Missouri, for Oregon, with the goal of making a land claim, establishing a sawmill, and building a home for his future wife, who will follow along with his brother in two years. You could say Thomas's life in the Oregon Country was extraordinary, but not the stuff of legends--until the morning of September 13, 1902, when at the age of seventy-nine he hitched up his wagon and headed east into an oncoming fire to help save the lives of his neighbors and friends. The fire, now known as the Yacolt Burn, was one of

the largest forest fires in US history. This is the story of Thomas Merriman, hero of the Yacolt Burn!

Chapters of the Heart Sue Levi Elwell, Nancy Fuchs Kreimer, 2013-11-01 Chapters of the Heart: Jewish Women Sharing the Torah of Our Lives invites readers into the lives of twenty women for whom Jewish language and texts provide a lens for understanding their experiences. The authors don't just use religious words (texts, theologies, or liturgies) like a cookbook. Instead they serve readers something closer to a real meal, prepared with love and intention. Each essay shares one piece of its writer's heart, one chapter of experience as refracted through the author's particular Jewish optic. The authors write about being daughters, mothers, sisters, partners, lovers, and friends. They share their experiences of parenting, infertility, and abortion. One describes accompanying her young husband through his life-threatening illness. Another tells of her daughter's struggle with an eating disorder. Still another reflects on long decline of a parent with Alzheimer's. All these writers wrestle with Jewish texts while growing as rabbis, as feminists, and as interfaith leaders. They open their hearts and minds, telling when Jewish tradition has helped make meaning and, on occasion, when it has come up empty. The results are sometimes inspiring, sometimes provocative. Readers will find new insights into God, into Judaism, and into themselves.

The Death of My Father the Pope Obed Silva, 2021-12-07 A man mourning his alcoholic father faces a paradox: to pay tribute, lay scorn upon, or pour a drink. A wrenching, dazzling, revelatory debut Weaving between the preparations for his father's funeral and memories of life on both sides of the U.S.-Mexico border, Obed Silva chronicles his father's lifelong battle with alcoholism and the havoc it wreaked on his family. Silva and his mother had come north across the border to escape his father's violent, drunken rages. His father had followed and danced dangerously in and out of the family's life until he was arrested and deported back to Mexico, where he drank himself to death, one Carta Blanca at a time, at the age of forty-eight. Told with a wry cynicism, a profane, profound anger, an antic, brutally honest voice, and a hard-won classical frame of reference, Silva channels the heartbreak of mourning while wrestling with the resentment and frustration caused by addiction. *The Death of My Father the Pope* is a fluid and dynamic combination of memoir and an examination of the power of language—and the introduction of a unique and powerful literary voice.
