**Game Changer** Piper Lawson,2023-04-21 A steamy, grumpy sunshine sports romance featuring a woman down on her luck, a star basketball player with a filthy mouth, and a connection neither of them can deny. After being dumped and losing my job the same week, the last thing my broken heart needs is a rebound. I'm escaping across the country to help my perfect sister plan her dream wedding, and to prove to both of us everything is under control. But a combination of tequila and turbulence on the flight there lead to word-vomiting all my troubles to the huge and handsome stranger in the first-class seat next to mine. Only his whispered dirty diversions keep me sane until landing. Despite the spark of attraction, we go our separate ways. Or so I thought. Turns out the tall, muscular, tattooed tower of a man from the plane is the star player on my future brother-in-law's pro basketball team. Clay is the last person I should gravitate toward. They're called players for a reason. Grumpy and cynical, he carries a weight on his shoulders I can't possibly fathom. He's also the only one who knows my secrets and gets my heart racing. The more we're thrust together, the stronger the chemistry between us becomes. Hooking up with the all-star athlete isn't the way to get my life on track...but it could just be the game changer we've both been searching for.

*Modern Romance* Aziz Ansari, Eric Klinenberg, 2015-06-16 The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

*Good Girl* Piper Lawson, 2018-12-03 I wanted to fall for a boy. Not a man. Not a legend. The month I wrote my first piece of code, Jax Jamieson launched his third platinum album. The week I drank my first beer, he spent in jail. The day I got under his skin, I wound up on his tour. And the night he gave me his hoodie... I fell in love forever. *Good Girl* is part 1 in the sexy new

adult rock star trilogy WICKED. Jax and Haley's romance continues in Bad Girl, available now!~Holy crap. Piper Lawson takes the rock star trope to a whole new level. -Dawn One word to describe this series: HOOKED. -Danielle, Short and Sassy A sweet, slow burn story. -PeggyHot damn, this series is amazing. Funny, sweet, raw, emotional and freaking hot! -Debbie So sweet and completely real. -Tamanna I'm an emotional wreck. -PamAn all consuming love story that is sure to leave you a little dazed and crazed. -CatherineOh my goodness this was brilliant. Cannot wait for the finale! Need. It. Now. -Anna

*Play* Piper Lawson,2016-10-02 A quirky 70k standalone about life, love, and the pursuit of orgasms. I mean, video games. I'm Payton Blake. A successful, balanced twenty-something girl living the dream. OK. So it's a big-ass lie. I could be all of those things. If I had friends outside of work. And if I didn't mainline watermelon slushies like they were a food group. It wouldn't hurt if I'd had sex in the last year, either. (My best friend insists Jorge the Nightstand Boyfriend doesn't count.) But when you know where you're headed, who needs to enjoy the ride? Even if part of me longed for a little between-the-sheets adventure, Max Donovan would be the last guy I'd call. Sure, he made the indie video game that broke the internet. His eyebrow piercing's sexy, in an 'are-you-in-a-band?' way, and fighting with him gets me off faster than Jorge on bezerker mode. But he's arrogant. Presumptuous. Colder than a cactus and twice as prickly. None of it changes the fact that I crave Max Donovan like a watermelon slushy on a hot summer day. I should ignore him. But I can't, because he just became my biggest client. And whether he'll admit it or not, he needs me even more than I need him. Game on, Max Donovan. ~ *PLAY* is a romantic comedy intended for 18+ due to steamy scenes and f-bombs. As Max Donovan would say...You're welcome. ADVANCE PRAISE: A fast paced, fab, fun story...The characters are complicated but not broken. The chemistry is definitely hot and steamy. This is a hard to put down book that you'll just have to finish in one go. Obsessed by Books This book talked nerdy to me... and I loved every second of it. Once Upon an Alpha Piper Lawson delivers another New Adult romance that leaves readers panting ... I highly recommend *PLAY* for a romance that gives the perfect meld of geek and sexy that has you viewing gamers in a completely different light and wanting to level up. Rochelle's Reviews I couldn't put this book down, I swear I even fell asleep and woke up with my kindle on my face because I wanted to keep reading until I couldn't keep my eyes open. Twenty Something Pages Book Blog Put this on your To Be Read list... at the top! Goodreads reviewer Mande
