Dying to Be Me Anita Moorjani,2022-03-08 THE NEW YORK TIMES BESTSELLER! I had the choice to come back ... or not. I chose to return when I realized that 'heaven' is a state, not a place In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within this enhanced e-book, Anita recounts—in words and on video—stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she

defied all medical knowledge. In *Dying to Be Me*, Anita Freely shares all she has learned about illness, healing, fear, being love, and the true magnificence of each and every human being!

White Fragility Robin DiAngelo,2019-02-07 The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to bad people. In doing so, she moves our national discussions forward. This is a necessary book for all people invested in societal change' Claudia Rankine Anger. Fear. Guilt. Denial. Silence. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in *White Fragility* lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson

Why I'm No Longer Talking to White People About Race Reni Eddo-Lodge,2020-11-12 'Every voice raised against racism chips away at its power. We can't afford to stay silent. This book is an attempt to speak' The book that sparked a national conversation. Exploring everything from eradicated black history to the inextricable link between class and race, *Why I'm No Longer Talking to White People About Race* is the essential handbook for anyone who wants to understand race relations in Britain today. THE NO.1 SUNDAY TIMES BESTSELLER WINNER OF THE BRITISH BOOK AWARDS NON-FICTION NARRATIVE BOOK OF THE YEAR 2018 FOYLES NON-FICTION BOOK OF THE YEAR BLACKWELL'S NON-FICTION BOOK OF THE YEAR WINNER OF THE JHALAK PRIZE LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION LONGLISTED FOR THE ORWELL PRIZE SHORTLISTED FOR A BOOKS ARE MY BAG READERS AWARD

Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming

of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Recitatif Toni Morrison, 2022-02-03 'Toni Morrison was the lodestar who inspired us' Bernadine Evaristo Twyla and Roberta have known each other since they were eight years old, when they were thrown together as roommates in a girls' shelter. Inseparable then, they lose touch as they grow older, only to meet again later at a diner, a grocery store and then at a protest. The two women are seemingly at opposite ends of every problem but, despite their conflict, the deep bond their shared experience has forged between them is undeniable. *Recitatif* keeps Twyla's and Roberta's races ambiguous throughout the story. We know that one is white and one is black, but which is which? And who is right about the race of the woman the girls tormented at the orphanage? This story is a masterful exploration of what keeps us together and what keeps us apart, of race and the relationships that shape our lives. Now with a new introduction by Zadie Smith, it is as radically compelling and relevant today as it was when first written nearly forty years ago. 'Toni Morrison is the greatest chronicler of the American experience that we have ever known' Tayari Jones 'Her work is an act of giving her community back to itself, so that people - African-Americans but the diaspora as well - can see and witness themselves' Diana Evans

Heads of the Colored People Nafissa Thompson-Spires, 2018-08-09 A satirical and daring collection of short stories

exploring black life from one of America's rising stars. 'Makes you shake your head in delight... Her stories feel simultaneously like the poke of a stick and a comforting balm; a smack followed by a kiss. I'm so into it' Bim Adewunmi, Guardian Heads of the Colored People interrogates our supposedly post-racial era to wicked and devastating effect, exposing the violence that threatens black Americans, no matter their apparent success. A teenager is insidiously bullied as her YouTube following soars; an assistant professor finds himself losing a subtle war against his office mate; a nurse is worn down by the demand for her skills as a funeral singer. And across a series of stories, a young woman grows up, negotiating and renegotiating her identity. This electric collection of short stories marks the arrival of a remarkable writer and an urgent new voice. *Shortlisted for the James Tait Black Prize for Fiction 2019* *Shortlisted for the Gordon Burn Prize 2019*

They Said This Would Be Fun Eternity Martis,2020-03-31 NATIONAL BESTSELLER A powerful, moving memoir about what it's like to be a student of colour on a predominantly white campus. A booksmart kid from Toronto, Eternity Martis was excited to move away to Western University for her undergraduate degree. But as one of the few Black students there, she soon discovered that the campus experiences she'd seen in movies were far more complex in reality. Over the next four years, Eternity learned more about what someone like her brought out in other people than she did about herself. She was confronted by white students in blackface at parties, dealt with being the only person of colour in class and was tokenized by her romantic partners. She heard racial slurs in bars, on the street, and during lectures. And she gathered labels she never asked for: Abuse survivor. Token. Bad feminist. But, by graduation, she found an unshakeable sense of self—and a support network of other women of colour. Using her award-winning reporting skills, Eternity connects her own experience to the systemic issues plaguing students today. It's a memoir of pain, but also resilience.

The Secret of You and Me Melissa Lenhardt,2020-08-04 A DVF Book Club Pick! True love never fades—and old secrets never die... Nora hasn't looked back. Not since she fled Texas to start a new life. The only problem is that she also left behind the one woman she can't forget. Now tragedy calls her back home to confront her past—and reconcile her future. Sophie seems to have everything—a wonderful daughter, a successful husband and a rewarding career. Yet underneath that perfection lies an explosive secret. She still yearns for Nora—her best friend and first love—despite all the years between them. Keeping her true self hidden hasn't been easy, but it's been necessary. So when Sophie finds out that Nora has returned, she hopes Nora's stay is short. The life she has built depends on it. But they both find that first love doesn't fade easily. Memories come to light, passion ignites and old feelings resurface. Man Gone Down Michael Thomas,2011-03-01 On the eve of this thirty-fifth birthday, the unnamed black narrator of

Man Gone Down finds himself broke, estranged from his white wife and three children, and living in the bedroom of a friend's six-year-old child. He has four days to come up with the money to keep his kids in school and make a down payment on an apartment for them to live in. As we slip between his childhood in inner city Boston and present-day New York City, we discover a life marked by abuse, abandonment, raging alcoholism, and the best and worst intentions of a supposedly integrated America. This is a story of the American Dream gone awry, about what it's like to feel preprogrammed to fail in life and the urge to escape that sentence.

Bluets Maggie Nelson, 2017-06-01 **AS SEEN ON BBC2's BETWEEN THE COVERS** A Guardian Book of the Year Maggie Nelson is one of the most electrifying writers at work in America today, among the sharpest and most supple thinkers of her generation - Olivia Laing Bluets winds its way through depression, divinity, alcohol, and desire, visiting along the way with famous blue figures, including Joni Mitchell, Billie Holiday, Yves Klein, Leonard Cohen and Andy Warhol. While its narrator sets out to construct a sort of 'pillow book' about her lifelong obsession with the colour blue, she ends up facing down both the painful end of an affair and the grievous injury of a dear friend. The combination produces a raw, cerebral work devoted to the inextricability of pleasure and pain, and to the question of what role, if any, aesthetic beauty can play in times of great heartache or grief. Much like Roland Barthes's A Lover's Discourse, Bluets has passed between lovers in the ecstasy of new love, and been pressed into the hands of the heartbroken. Visceral, learned, and acutely lucid, Bluets is a slim feat of literary innovation and grace, never before published in the UK.

The Color of Water James McBride, 2012-03-01 From the New York Times bestselling author of Deacon King Kong and

The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, *The Color of Water* is an eloquent exploration of what family really means.

Between the World and Me Ta-Nehisi Coates, 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward.
