

Is Jerusalem The Capital Of Judah

Bruce K. Waltke

The Sibylline Oracles Milton S. Terry, 2012 This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods. The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Judah and the Judeans in the Neo-Babylonian Period Oded Lipschits, Joseph Blenkinsopp, 2003 This volume is the outcome of an international conference held at Tel Aviv University, May 29-31, 2001. The idea for the conference germinated at the fifth Transeuphratene colloquy in Paris in March 2000. The Tel Aviv conference was organized in order to encourage investigation into the obscure five or six decades preceding the Persian conquests in the latter part of the 6th century. The essays here are organized in 5 parts: (1) The Myth of the Empty Land Revisited; (2) Cult, Priesthood, and Temple; (3) Military and Governmental Aspects; (4) Archaeological Perspectives on the 6th Century B.C.E.; and (5) Exiles and Foreigners in Egypt and Babylonia. Contributors: H. M. Barstad, B. Oded, L. S. Fried, S. Japhet, J. Blenkinsopp, G. N. Knoppers, Y. Amit, D. Edelman, Y. Hoffman, R. H. Sack, D. Vanderhooft, J. W. Betlyon, A. Lemaire, C. E. Carter, O. Lipschits, A. Zertal, J. R. Zorn, B. Porten, and R. Zadok.

The Fall and Rise of Jerusalem Oded Lipschitz, 2005 The period of the demise of the kingdom of Judah at the end of the

6th century B.C.E., the fall of Jerusalem to the Babylonians, the exile of the elite to Babylon, and the reshaping of the territory of the new province of Judah, culminating at the end of the century with the first return of exiles--all have been subjects of intense scrutiny during the last decade. Lipschits takes into account the biblical textual evidence, the results of archaeological research, and the reports of Babylonian and Egyptian sources and provides a comprehensive survey and analysis of the evidence for the history of this 100-year-long era. He provides a lucid historical survey that will, no doubt, become the baseline for all future studies of this era.

A Concise History of Ancient Israel Bernd U. Schipper,2020-01-15 The history of biblical Israel, as it is told in the Hebrew Bible, differs substantially from the history of ancient Israel as it can be reconstructed using ancient Near Eastern texts and archaeological evidence. In *A Concise History of Ancient Israel*, Bernd U. Schipper uses this evidence to present a critical revision of the history of Israel and Judah from the late second millennium BCE to the beginning of the Roman period. Considering archaeological material as well as biblical and extrabiblical texts, Schipper argues that the history of "Israel" in the preexilic period took place mostly in the hinterland of the Levant and should be understood in the context of the Neo-Assyrian expansion. He demonstrates that events in the exilic and postexilic periods also played out differently than they are recounted in the biblical books of Ezra and Nehemiah. In contrast to previous scholarship, which focused heavily on Israel's origins and the monarchic period, Schipper's history gives equal attention to the Persian and early Hellenistic periods, providing confirmation that a wide variety of forms of YHWH religion existed in the Persian period and persisted into the Hellenistic age. Original and innovative, this brief history provides a new outline of the historical development of ancient Israel that will appeal to students, scholars, and lay readers who desire a concise overview.

Religious Diversity in Ancient Israel and Judah Francesca Stavrakopoulou,John Barton,2010-04-15 This volume of essays draws together specialists in the field to explain, illustrate and analyze this religious diversity in Ancient Israel.

The Last Century in the History of Judah Filip Čapek,Oded Lipschits,2019-11-08 An incomparable interdisciplinary study of the history of Judah Experts from a variety of disciplines examine the history of Judah during the seventh century BCE, the last century of the kingdom's existence. This important era is well defined historically and archaeologically beginning with the destruction layers left behind by Sennacherib's Assyrian campaign (701 BCE) and ending with levels of destruction resulting from Nebuchadnezzar's Babylonian campaign (588-586 BCE). Eleven essays develop the current ongoing discussion about Judah during this period and extend the debate to include further important insights in the fields of archaeology, history, cult, and the interpretation of Old Testament texts. Features A new chronological frame for the Iron Age IIB-IIC Close examinations of archaeology, texts, and traditions related to the reigns of Hezekiah, Manasseh, and Josiah An evaluation of the religious, cultic, and political landscape /UL

From Jerusalem to the Lion of Judah and Beyond Steven Carol,2012-04-28 From Jerusalem to the Lion of Judah and

Beyond provides the most thorough analysis of Israel's foreign policy towards East Africa. Since its modern reestablishment, Israel has sought political allies in the international community. To achieve that goal, Israel offers technological, economic and military assistance to developing nations. Historically, four East African countries—Ethiopia, Kenya, Uganda, and Tanzania—were prime beneficiaries of that effort. Later, these efforts were extended to Eritrea and South Sudan. Israel has been demonstrating its willingness to offer a far greater share of its limited resources to international assistance, than practically any other nation, large or small. Since 1948, Israel's foreign policy towards East Africa exemplifies these immortal words: I will also give thee [Israel] for a light to the nations, that My salvation may be unto the end of the earth. Isaiah 49:6. The chronicles of these laudable activities are little known, even to post World War II historians. No other book to date covers this subject in as much depth. Anyone seeking a more profound understanding of Israel's foreign policy, as well as its historic relationship with East Africa, will find *From Jerusalem to the Lion of Judah and Beyond* of interest.

Opening the Books of Moses Diana V. Edelman, Philip R. Davies, Christophe Nihan, Thomas Romer, 2016-04-01 *Opening the Books of Moses* presents an introduction to the first five books of the Bible. It is written for any student engaged in the scholarly study of these most central of biblical texts. The aim throughout is to examine the books with a view to illuminating the ideas, beliefs and experiences of the time. This broad overview provides: a survey of the current state of Pentateuchal research; an analysis of how the texts were shaped by their time and audience; an outline of Jewish areas in the Persian period; the study concludes with an analysis of key concerns in the study of the Pentateuch, notably the Torah, geography, ethnicity, the nature of Yahweh and other deities, theories of cult, treaties and oaths, and Moses himself.

The Last King(s) of Judah Shelley L. Birdsong, 2017-02-17 Was there a difference in the portrayal of King Zedekiah in the Hebrew and Greek versions of Jeremiah? Shelley L. Birdsong analyses the two different depictions, highlights their unique characterizations and argues that the cruel and manipulative king in the Greek is edited into a more compassionate king in the Hebrew. -- back cover

Judeans in Babylonia Tero Alstola, 2019-12-16 In *Judeans in Babylonia*, Tero Alstola presents a comprehensive investigation of deportees in the sixth and fifth centuries BCE. By using cuneiform documents as his sources, he offers the first book-length social historical study of the Babylonian Exile, commonly regarded as a pivotal period in the development of Judaism. The results are considered in the light of the wider Babylonian society and contrasted against a comparison group of Neirabian deportees. Studying texts from the cities and countryside and tracking developments over time, Alstola shows that there was notable diversity in the Judeans' socio-economic status and integration into Babylonian society.

Essays on Ancient Israel in Its Near Eastern Context Nadav Na'aman, 2006-01-01 Reflecting the breadth and interconnectedness of Professor Na'aman's research areas, this volume contains contributions on archaeology, ancient Near East (other than ancient Israel), Israel's ancient history and historiography, and biblical studies. --from publisher description.

Bible Overview Rose Publishing,2021-08-03 Packed with short summaries, 150 quick-reference charts & diagrams, full-color maps, and illustrations, Rose's Bible Overview is the perfect solution to cover over 2,000 years of Bible history, people, and events at a glance! Includes: Over 150 charts, maps, time lines, and full-color photos. Archaeological discoveries that give insight into the culture of the time. How Jesus can be seen in each book. Relevant and practical application for God's people today— and more! 5 Key Features of Rose's Bible Overview 1. Easy-to-Use. Clear Format for Quick Referencing. 2. Highly Visual. Packed with Charts, Maps, and Time Lines! 3. Short & Concise. Need-to-Know Information at Your Fingertips! 4. Easy-to-Read. Simple Summaries for What You Need to Know at a Glance! Enjoy having one book that includes not only quick overviews—but also hundreds of fascinating facts, such as: The name Genesis comes from the Greek word *gignesthai*, which means “to be born.” The Cyrus Cylinder found in ancient Babylon dates back to around 539 B.C. and confirms the accuracy of the events in the books of Ezra and Nehemiah. Roman Emperor Nero was so cruel that his contemporaries called him the “beast.” Tradition says that both Peter and Paul were martyred under the persecution of him. Rose's Bible Overview is perfect for: Adult and young adult Bible study, homeschool, church libraries, discipleship & new believers' classes, baptism gifts, and much more! Perfect for personal study or for the Bible study leader that wants to hand out overviews for each book.

The Interpretation of the Apocalypse & the Chief Prophetical Scriptures Connected with it William Henry Scott (M.A., Fellow of Brasenose College, Oxford.),1853

The Interpretation of the Apocalypse and the Chief Prophetical Scriptures Connected with it William Henry SCOTT (Fellow of Brasenose College, Oxford.),1853

A History of Ancient Israel and Judah James Maxwell Miller,1986-01-01 A significant achievement, this book moves our understanding of the history of Israel forward as dramatically as John Bright's A History of Israel, Martin Noth's History of Israel, and William F. Albright's From the Stone Age of Christianity did at an earlier period.

Nelson's New Illustrated Bible Commentary Thomas Nelson,1999-05-13 A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations—all in one volume. Clear and Comprehensive: Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed: Graphics appeal to the sound-bite generation and others who aren't traditional commentary readers. Interesting and Revealing: Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing: Maps, drawings, and photos illuminate the commentary and visualize important information.

The Legacy of Israel in Judah's Bible Daniel E. Fleming,2012-07-30 The Legacy of Israel in Judah's Bible undertakes a comprehensive re-evaluation of the Bible's primary narrative in Genesis through Kings as it relates to history. It divides the

core textual traditions along political lines that reveal deeply contrasting assumptions, an approach that places biblical controversies in dialogue with anthropologically informed archaeology. Starting from close study of selected biblical texts, the work moves toward historical issues that may be illuminated by both this material and a larger range of textual evidence. The result is a synthesis that breaks away from conventional lines of debate in matters relating to ancient Israel and the Bible, setting an agenda for future engagement of these fields with wider study of antiquity.

The Lost Tribes of Israel Tudor Parfitt,2002 Tudor Parfitt examines a myth which is based on one of the world's oldest mysteries - what happened to the lost tribes of Israel? Christians and Jews alike have attached great importance to the legendary fate of these tribes which has had a remarkable impact on their ideologies throughout history. Each tribe of Israel claimed descent from one of the twelve sons of Jacob and the land of Israel was eventually divided up between them. Following a schism which formed after the death of Solomon, ten of the tribes set up an independent northern kingdom, whilst those of Judah and Levi set up a separate southern kingdom. In 721BC the ten northern tribes were ethnically cleansed by the Assyrians and the Bible states they were placed: in Halah and in Habor by the river of Gozan and in the city of Medes. The Bible also foretold that one day they would be reunited with the southern tribes in the final redemption of the people of Israel. Their subsequent history became a tapestry of legend and hearsay. The belief persisted that they had been lost in some remote part of the world and there were countless suggestions and claims as to where.

A Commentary on Micah Bruce K. Waltke,2008 In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's Commentary on Micah quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

Revelation Revealed Nick Peros,2022-03-22 Revelation Revealed is a study of the book of Revelation. It is not an end-times book in that it does not seek to identify current events in the light of Bible prophecy; rather, Revelation Revealed examines the book of Revelation itself--what are its key imagery and symbols? What do they mean? What are the timelines of the book? What is the sequence of events? What are the Days of Noah? Who is the Beast and how do we understand him? What is the mark of the Beast? How do we understand Babylon the Great, the Mother of Prostitutes? Is there a rapture? All of these questions, and many more, are addressed, with all questions being approached exclusively from the standpoint of

Scripture itself--it is Scripture which answers these questions for us, and clear conclusions are reached. The events outlined in the book of Revelation are the most-prophesied events in the Bible, and Revelation Revealed shows that the book of Revelation is understandable, for God has given us all that we need in order to understand it.

Whispering the Techniques of Language: An Emotional Quest through **Is Jerusalem The Capital Of Judah**

In a digitally-driven world wherever displays reign supreme and instant interaction drowns out the subtleties of language, the profound secrets and mental subtleties hidden within phrases often get unheard. Yet, set within the pages of **Is Jerusalem The Capital Of Judah** a fascinating fictional value sporting with fresh feelings, lies a fantastic quest waiting to be undertaken. Composed by a skilled wordsmith, this wonderful opus encourages visitors on an introspective trip, gently unraveling the veiled truths and profound impact resonating within the fabric of every word. Within the emotional depths with this emotional review, we shall embark upon a heartfelt exploration of the book's core themes, dissect its captivating publishing style, and fail to the strong resonance it evokes serious within the recesses of readers hearts.
