Meet Aimee Sinclair: the actress everyone thinks they know but can't remember where from. Except one person. Someone knows Aimee very well. They know who she is and they know what she did. When Aimee comes home and discovers her husband is missing, she doesn't seem to know what to do or how to act. The police think she's hiding something and they're right, she is—but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact, her past comes back to haunt her in ways more dangerous than she could have ever imagined. Sometimes I Lie Alice Feeney, 2018-03-13 ALICE FEENEYS NEW YORK TIMES AND INTERNATIONAL BESTSELLER "Boldly plotted, tightly knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black finale. Marvelous." —AJ Finn, author of *The Woman in the Window* My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber

doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

Nothing - because one of the family is a killer . . . As the leaves of autumn fall, Daisy Darker arrives at her grandmother's house for eightieth birthday celebrations. Seaglass, the Darker's ancestral home, is a crumbling Cornish house perched upon its own tiny private island. Every member of the family has their secrets. Nana, alone for so long. Second First Impressions Sally Thorne, 2021-04-13 "Second First Impressions is the warmest, coziest, sweetest book of the year, an absolutely perfect blend of humor and heart. I want to live inside Sally Thorne's brain." —Emily Henry, *New York Times* bestselling of *Beach Read* From the USA Today bestselling author of *The Hating Game*, soon to be a movie starring Lucy Hale and Austin Stowell, and *99 Percent Mine* comes the clever, funny, and unforgettable story of a muscular, tattooed man hired as an assistant to two old women—under the watchful eye of a beautiful retirement home manager. **Dazzle (n):** Brightness that blinds someone temporarily. **Position Vacant:** Two ancient old women residing at Providence Retirement Villa seek male assistant for casual exploitation and good-natured humiliation. Duties include boutique shopping, fast-food fetching, and sincerely rendered flattery. Good looks a bonus—but we aren't picky. An advertisement has been placed (again!) by the wealthy and eccentric Parlani Sisters. The salary is generous and the employers are 90 years old, so how hard could the job be? Well, none have lasted longer than a week. Most boys leave in tears. Ruthie Midona will work in

Providence's front office, and be at the Parloni's beck and call, forever. That's sort of her life plan. If Ruthie can run the place in her almost-retired bosses' absence, with no hijinks/hiccups, she has a shot at becoming the new manager. She might also be able to defend her safe little world from Prescott Development, the new buyer of the prime site. Maybe after all that, she can find a cute guy to date. All she needs to do is stay serious—and that's what she does best. Until, one day, someone dazzling blows into town. Teddy Prescott devotes his life to sleeping, tattooing, and avoiding seriousness. When Teddy needs a place to crash, he makes a deal with his developer dad. Teddy can stay in one of Providence's on-site maintenance cottages—right next door to an unimpressed Ruthie—but only if he works there and starts to grow up. Ruthie knows how this sweetly selfish rich boy can earn his keep—and be out of her hair in under a week. After all, there is a position vacant...

Discover Your Best Life Mike Hintz, 2018-06-04 After a life spent studying people and business, Mike has developed a completely novel process that will take the reader through a systematic method to leave their old limitations behind and capitalize on the limitless opportunities of this fast paced high tech world. Everyone holds the keys to success and the race for happiness and professional fulfillment is as close his or her own choices. Forward-thinking companies realized several years ago, that the power of the individual is their greatest resource, and investing in them will yield exponential returns for the person and company alike. In *Discover Your Best Life* the process of IAM2 offers each reader the opportunity to capitalize on his or her own hopes and dreams to fuel the journey. Insight (I) is the springboard to the process with an invitation to look inward and discover themselves. Using his own moments of discovery and growth, the author gives a personal framework to build on. Action (A) is always the difference between stagnation and progress. It is the crucial second phase of the process where the reader will engage in several activities to refine and focus their efforts in productive ways. My Metaphor (M2) will culminate in shedding the old definitions and choose a metaphor that represents the true potential of the reader, releasing many of the old limitations to creativity, innovation, and personal and professional fulfillment. Are you ready to invest in yourself? Are you looking for strategic ways to build your company's ability to innovate and become more competitive in today's global marketplace? *Discover Your Best Life* shows you how to unlock your own innovative potential and those of the people around you. Contrary to what you may have been told, there is an I in the word team, and it's time to release their full potential rather than asking them to blend in.

Continuing Issues in Early Childhood Education Stephanie Feeney, Alice Galper, Carol Seefeldt, 2009 Today's early childhood educators are faced with a great deal of responsibility and are called upon to make numerous decisions every day. They interact with children, families, colleagues, administrators, and policy makers. To be effective, their actions have to be based not on their own personal opinions, but by an understanding of the complexities related to each new, potentially controversial issue and current research on child development and the best practices in early childhood education programs. This unique book aims to address this need for advanced students and veteran educators to have a bipartisan reference of the most important issues of the day as addressed by the most advanced scholars in the field. To do this, the authors have called on eighteen of the most influential educators of the day to contribute a chapter on each topic covered in the book. These multiple perspectives provide an unbiased overview of each issue. The issues covered include families, advocacy, children with disabilities, and diversity. Chapters on developmentally appropriate practices stimulate discussion of the influence of the National Association for the Education of Young Children (NAEYC.)
