John Donne

For Whom the Bell Tolls Ernest Hemingway, 2014-05-22 In 1937 Ernest Hemingway traveled to Spain to cover the civil war there for the North American Newspaper Alliance. Three years later he completed the greatest novel to emerge from "the good fight," *For Whom the Bell Tolls*. The story of Robert Jordan, a young American in the International Brigades attached to an antifascist guerilla unit in the mountains of Spain, it tells of loyalty and courage, love and defeat, and the tragic death of an ideal. In his portrayal of Jordan's love for the beautiful Maria and his superb account of El Sordo's last stand, in his brilliant travesty of *La Pasionaria* and his unwillingness to believe in blind faith, Hemingway surpasses his achievement in *The Sun Also Rises* and *A Farewell to Arms* to create a work at once rare and beautiful, strong and brutal, compassionate, moving, and wise. "If the function of a writer is to reveal reality," Maxwell Perkins wrote to Hemingway after reading the manuscript, "no one ever so completely performed it." Greater in power, broader in scope, and more intensely emotional than any of the author's previous works, it stands as one of the best war novels of all time.

The Revenge for Love Wyndham Lewis, 1952

Cry And Dedication Carlos Bulosan, 1995-05-04 This previously unpublished novel by the author of *Amerasia* is in the

Heart dramatizes the resourcefulness, cunning, and pain of the Filipino peasants' struggle against a heritage of colonization, first by Spain and later by the United States. Set during the political upheavals of the 1940s and 1950s, seven underground rebels—old and young, male and female, intellectual and peasant—set off across the Philippine countryside fueled by their outrage over continued U.S. domination. They combat both internal foes from their past memories and experiences and visible enemies who view their clandestine work as a destructive force of communism. As they confront danger and face physical and emotional sacrifices along the way, their sense of mission conveys a profound vision of democracy and self-determination. Bulosan's exceptional narrative, at once an allegorical and a psychological critique of the West's racism and delusion of supremacy, portrays an armed rebellion that can represent many Third World peoples. Literary and political, Bulosan's work embodies his personal dream of equality and freedom. When asked what impelled him to write, Bulosan replied, "To give literate voices to the voiceless...to translate the desires and aspirations of the whole Filipino people in the Philippines and abroad in terms relevant to contemporary history." Author note: Born in 1911 in the Philippines to a peasant family, Carlos Bulosan was one of the first wave of Filipino immigrants to come to the United States in the 1930s. After several arduous years as a farmworker in California, Bulosan became involved with radical intellectuals and started editing the workers' magazine *The New Tide*. While hospitalized for three years for tuberculosis and kidney problems, Bulosan began writing poetry and short stories. Despite having little formal education, he saw his talent for writing as a means to give a voice to Filipino struggles, both in the Philippines and in the United States. He went on to publish three volumes of poetry, a best-selling collection of stories, *The Laughter of My Father*, and *America Is in the Heart*, the much acclaimed chronicle based on his family's battle to overcome poverty, violence, and racism in the United States. *The Cry and the Dedication* carries on Bulosan's passionate, satirical style. >P>E. San Juan, Jr. is Fellow of the Center for the Humanities and Visiting Professor of English, Wesleyan University, and Director of the Philippines Cultural Studies Center. He was recently chair of the Department of Comparative American Cultures, Washington University, and Professor of Ethnic Studies at Bowling Green State University, Ohio. He received the 1999 Centennial Award for Literature from the Philippines Cultural Center. His most recent books are *Beyond Postcolonial Theory*, *From Exile to Diaspora*, *After Postcolonialism*, and *Racism and Cultural Studies*.

A Stick in the Dirt Vidit Uppal, 2020-11-25 Saurabh's birth is celebrated across the town of Konkur, where people rejoice in the arrival of the much-admired Vinod and Shashi Parashars' first offspring. Soon, their neighbour's 5-year-old daughter Vidya is entrusted with the responsibility of Saurabh's daily wellbeing. They grow up together among the secluded trees, hills and narrow roads of the small town, spending much of their time in an abandoned graveyard they discover near their homes. But when Saurabh starts showing signs of trouble, their seemingly idyllic world begins to quickly unravel. As the incidents become more frequent and violent, he is brandished a pariah by the very people who had once held him aloft. Vidya, Shashi and Vinod's struggle to come to terms with Saurabh's impulses, becomes the uncomfortable thread that binds them together and leads them to re-evaluate their own lives and relationships. Traversing through the realms of guilt and solitude, *A Stick in the Dirt* attempts to grapple with the uncomfortable nature of the unknown and with what it means to be misunderstood by those closest to us.

Men Without Women Ernest Hemingway, 1927 First published in 1927, *Men Without Women* represents some of Hemingway's most important and compelling early writing. In these fourteen stories, Hemingway begins to examine the themes that would occupy his later works: the casualties of war, the often-uneasy relationship between men and women, sport and sportsmanship. In *Banal Story*, Hemingway offers a lasting tribute to the famed matador Maera. In *Another Country* tells of an Italian major recovering from war wounds as he mourns the untimely death of his wife. *The Killers* is the hard-edged story about two Chicago gunmen and their potential victim. Nick Adams makes an appearance in *Ten Indians*, in which he is presumably betrayed by his Indian girlfriend, Prudence. And *Hills Like White Elephants* is a young couple's subtle, heart-wrenching discussion of abortion. Pared down, gritty, and subtly expressive, these stories show the young Hemingway emerging as America's finest short story writer.

In Our Time Ernest Hemingway, 2022-01-25 *In Our Time* is the title of Ernest Hemingway's first collection of short stories, published in 1925 by Boni & Liveright, New York, and of a collection of vignettes published in 1924 in France titled *In our time*. Its title is derived from the English Book of Common Prayer, Give peace in our time, O Lord. The stories's themes - of alienation, loss, grief, separation - continue the work Hemingway began with the vignettes, which include descriptions of acts of war, bullfighting and current events. The collection is known for its spare language and oblique depiction of emotion, through a style known as Hemingway's theory of omission (iceberg theory). According to his biographer Michael Reynolds, among Hemingway's canon, none is more confusing ... for its several parts - biographical, literary, editorial, and bibliographical - contain so many contradictions that any analysis will be flawed.

Across the River and Into the Trees Ernest Hemingway, 2014-05-22 In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

Themes in Modern European History 1890-1945 Paul Hayes,2002-09-11 Themes in European History treats in thematic fashion a period of great change and upheaval in Europe. A collection of twelve essays by five leading historians, this textbook: * highlights important developments and changes that occurred * sets these changes in their social and cultural context as well as in the political framework * concentrates on the most important powers in Europe * completes each essay with suggestions for further reading to guide your students into continuing their research. Whereas other textbooks of this period focus on the political events, Themes in Modern European History uses a comparative history of institutions and societies, with emphasis on the cultural changes as well. Students are provided with the whole picture of events and are made aware of the wider consequences of the changes taking place - enabling them to understand all aspects of the dramatic transformation of Europe from 1890-1945.
