Management and Practices of Pilgrimage Tourism and Hospitality Gupta, S.K., Aragon, Lilibeth C., Kumar, Pankaj, S., Madhurima, Ramasamy, Rajesh, 2023-10-09 Pilgrimage is one of the oldest extant and most basic forms of population mobility known to human society, and its political, social, cultural, and economic implications have always been, and continue to be substantial. In recent decades, a new focus on pilgrimage has emerged through the lens of tourism, which explores the political, cultural, behavioral, economic, and geographical impacts. Therefore, the identification of challenges in transformation and emerging ways and means of managing pilgrimage and related destinations is critical in an era of crises and disastrous situations. *Management and Practices of Pilgrimage Tourism and Hospitality* identifies, understands, and recognizes the changing facts and facets of pilgrimage tourism around the world. It develops and promotes pilgrimage tourism for community integration, faith-sharing, perseverance, tolerance, and pace for secular and sustainable futures. This book further identifies any new issues, scopes, challenges, and entrepreneurial opportunities for pilgrimage tourism as are found to be relevant and important for future pilgrimages with larger intensity and frequency. Covering topics such as behavioral challenges, community empowerment, and pilgrimage economy, this book is an essential resource for entrepreneurs, professionals, researchers, academicians, policymakers, students of higher education, sociologists, and more.

The Triumph of Faith Rodney Stark, 2023-08-22 God is not dead. —Wall Street Journal Believe it or not, the world is more religious than ever before. Everyone seems to take it for granted that the world is getting more secular—that faith is doomed by modernity. Scientists, secularists, and atheists applaud the change; religious believers lament it. But here's the thing: they're all wrong—and the bestselling author and influential scholar of religion Rodney Stark has the numbers to prove it. *The Triumph of Faith* explodes the myth that people around the world are abandoning religion. Stark marshals an unprecedented body of data—surveys of more than a million people in 163 nations—to paint the full picture that both scholars and popular commentators have missed. And he explains why the astonishing growth of religion is happening and what it means for our future. Stark's bracing book is full of insights that defy the conventional wisdom. With vigorous prose he reveals:

- Why claims about Millennials' lack of religion are overblown and historically ignorant
- Why Islam is NOT overtaking Christianity
- How 4 out of 5 people worldwide now belong to an organized religion
- How 50 percent have attended a worship service in

the past week •Why much-ballyhooed studies from the Pew Research Center and others get the religious landscape wrong •Why atheists remain few, anywhere—despite all the talk of the New Atheism As Stark shows, secularists have been predicting the imminent demise of religion for centuries. It is their unshakable faith in secularization that may be the most irrational of all beliefs. As the author of *How the West Won*, *The Victory of Reason*, and many other bestselling works, Rodney Stark has a richly deserved reputation for writing page-turning, myth-busting books. He is also a groundbreaking scholar who has so reshaped the social scientific study of religion that his work has become the basis of a new paradigm. Stark puts all those talents on full display in *The Triumph of Faith*. This book will change how you see both religion and the forces of secularization.

Seven Days of Nectar McComas Taylor, 2016-07-01 The thousand-year-old Sanskrit classic the *Bhagavatapurana*, or *Stories of the Lord*, is the foundational source of narratives concerning the beloved Hindu deity Krishna. For centuries pious individuals, families, and community groups have engaged specialist scholar-orators to give week-long oral performances based on this text. Seated on a dais in front of the audience, the orator intones selected Sanskrit verses from the text and narrates the story of Krishna in the local language. These sacred performances are thought to bring blessings and good fortune to those who sponsor, perform, or attend them. Devotees believe that the narratives of Krishna are like the nectar of immortality for those who can appreciate them. In recent years, these events have grown in number, scale, and popularity. Once confined to private homes or temple spaces, contemporary performances now fill vast public arenas such as sports stadiums, and attract live audiences in the tens of thousands while being simulcast around the world. In *Seven Days of Nectar*, McComas Taylor applies the tools of performance theory to uncover the factors that contribute to the explosive growth of this tradition. His innovative approach, which draws on close textual reading, philology, and ethnography, casts new light on the ways in which narratives are experienced as authentic and transformative and, more broadly, how texts shape societies.

Is God Dead????? RAGHUBIR LAL ANAND, 2014-02-10 Awareness about Jammu & Kashmir disputes, geography, brief history, political position as on date, how to solve the dispute between India and Pakistan, return and rehabilitation of 7 Lacs Kashmiri Pandits to enable them to live in security and safety.

THE VICTORY OF FAITH NARENDER SEHGAL, 2009-06-01 The success achieved by the movement of Shri Amarnath Yatra Sangarsha Samiti for protecting the Hindu identity and national self-respect is the triumph of Hindutva and the like-minded nationalist forces over pro-Pakistan anti-national and secessionist groups. The patriotic people of Jammu continued their fight for two successive months facing endless agony and pain. They showed the path to all the nationalist

forces across the country through their commitment and resolve. The consolidated strength of Hindu of Jammu has given the message that Hindutva is the only rallying point, meeting ground and basis on which the whole country can standup with self respect, which is very much essential to protect our national unity, integrity, culture, glorious historical past, places of faith and worship and icons of social unity. The victory achieved by the Sangharsha Samiti is not the victory of Jammu region alone but it signifies success of all the nationalist forces battling against the grossly anit-national, terror-orientated and inimical foreign-sponsored organization over last sixty years. This book presents a brief account and the ideological basis which was waged in order to save Hindutva.

The Power Unknown To God T Sreenivâsulu, 2014-10-01 The awakening of the kundalini or the cosmic energy in a human body is a rare phenomenon which defies the logic and rational explanation by modern science. The author has narrated his direct experiences with this energy in great detail in this book. It gives a fascinating insight into what happens when this cosmic energy gets activated in a human body. Hence, the kind of literature presented in some of the portions is rare to come across and truly mind boggling. This book also addresses some of the profound questions facing the mankind about its very existence. This book is meant for all sections of the humanity irrespective of their religious, philosophical, cultural, professional and educational background. The secrets revealed in this book can be of immense help to anyone in pursuit of the lasting peace and happiness.

Joyful and Healthy Living Dr. V. P. Gupta, 2024-11-14 Human life is regarded as the highest among the 84,000 creatures mentioned in sacred texts. Yet, despite modern conveniences, true happiness often remains out of reach. While essentials like food, clothing, and shelter are necessary, the pursuit of luxuries, gadgets, and wealth may provide only fleeting comfort—not

lasting joy. Real happiness comes from caring for others—whether family, friends, the community, or animals in need. This book draws on the author's 70 years of life experience, offering insights on leading a healthy, joyful life. It emphasizes gratitude, respect, love, and self-care through hobbies, building strong relationships, regular exercise, and yoga. Key principles include a disciplined lifestyle, a balanced diet, and finding contentment with minimal material needs. These insights aim to help readers of all ages improve their health and achieve a more fulfilling, happy life.

The God Market Meera Nanda, 2011-10-01 Conventional wisdom says that integration into the global marketplace tends to weaken the power of traditional faith in developing countries. But, as Meera Nanda argues in this path-breaking book, this is hardly the case in today's India. Against expectations of growing secularism, India has instead seen a remarkable intertwining of Hinduism and neoliberal ideology, spurred on by a growing capitalist class. It is this "State-Temple-Corporate Complex," she claims, that now wields decisive political and economic power, and provides ideological cover for the dismantling of the Nehru-era state-dominated economy. According to this new logic, India's rapid economic growth is attributable to a special "Hindu mind," and it is what separates the nation's Hindu population from Muslims and others deemed to be "anti-modern." As a result, Hindu institutions are replacing public ones, and the Hindu "revival" itself has become big business, a major source of capital accumulation. Nanda explores the roots of this development and its possible future, as well as the struggle for secularism and socialism in the world's second-most populous country.
