The Millionaire Fastlane MJ DeMarco, 2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as The Slowlane your plan for creating wealth? You know how it goes; it sounds a

lil something like this: Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich. The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to settle-for-less and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of do what you love will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

The Million, 1884

Upside Down Dan Meyer,2016-03-28 “We the People” have had it pretty good since WWII. Our prosperity has resulted in our collective apathy toward the corrupt progression of what once were servants of the People into life-long “career politicians” in Washington, D.C. who have become our elite political ruling class. Power corrupts and absolute power corrupts absolutely. Today in our United States we have an all-powerful central government enabled by a subservient media propelling our nation toward the living hell described in George Orwell’s 1984 where truth cannot be found—where freedom does not exist. *Upside Down* clearly defines the immediate action “We the People” can and must take to restore what used to be our government of, by, and for the people. If we choose to continue to sit on the sidelines and not get involved, we will transition from apathy to dependence and out of that dependence will come the bondage from which we rose 239 years ago.

The Power of Zero, Revised and Updated David McKnight,2018-09-04 OVER 300,000 COPIES IN PRINT, WITH A NEW CHAPTER ON THE 2018 TAX CUTS. There's a massive freight train bearing down on the average American investor, and it's coming in the form of higher taxes. The United States Government has made trillions of dollars in unfunded promises for programs like Social Security and Medicare—and the only way to deliver on these promises is to raise taxes. Some experts

have even suggested that tax rates will need to double, just to keep our country solvent. Unfortunately, if you're like most Americans, you've saved the majority of your retirement assets in tax-deferred vehicles like 401(k)s and IRAs. If tax rates go up, how much of your hard-earned money will you really get to keep? In *The Power of Zero*, McKnight provides a concise, step-by-step roadmap on how to get to the 0% tax bracket by the time you retire, effectively eliminating tax rate risk from your retirement picture. Now, in this expanded edition, McKnight has updated the book with a new chapter on the 2017 Tax Cuts and Jobs Act, showing readers how to navigate the new tax law, and how they can extend the life of their retirement savings by taking advantage of it now. The day of reckoning is fast approaching. Are you ready to do what it takes to experience the power of zero?

EVERLASTING GOSPEL OLUMBA OLUMBA OBU,2020-08-25 The Everlasting Gospels are the Holy Words spoken directly from God's mouth. The voice of The Heavenly Father transcends from His High throne to all mankind to adhere to. The Word, which created the world in the beginning, is now to recreate, reconstruct, and reform the entire world and humanity according to The Father's Will as it is done in heaven. The kingdoms of this world have become the Kingdom of our Lord and His Christ and this Working Document is the only Constitution of the New World. The contents of this Everlasting Gospel is a testimony to the fulfilment of the promise of Our Lord Jesus Christ, that the Comforter will come to teach all things, lead people to the accurate knowledge of the truth and inform of things to come (John 16: 7-14), which has in truth materialised. The Will of Our Heavenly Father is done on earth as it is done in heaven. John 16: 7-14 "Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment: Of sin, because they believe not on me; Of righteousness, because I go to my Father, and ye see me no more; Of judgment, because the prince of this world is judged. I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you." His Coming was revealed to many prophets, both past, and present. Astrologers and scientists are aware of His Omnipotence, Omnipresence, and Omniscience. Some try to conceal or ignore the truth, while others are confused, disturbed, and without the capacity to comprehend. The purpose of this compilation is to reveal the Truth for the salvation of the entire world. The Holy Spirit is personified and His Everlasting Gospels, in this Divine Document, expatiates and shines greater light on many issues affecting our lives and environments physically, socially, and spiritually. The gospels provide answers to questions that have remained unanswered, challenge misconceived doctrines, corrects entrenched wrong believes, and reframes questions that were, hitherto, wrongly asked. The maxim which says that "a tree is known by its fruit" is germane to the Everlasting Gospel as the unparalleled wisdom in its contents affirm that God, the Quickening Spirit, is on

earth directing all the affairs in the world, setting the captives free, and fulfilling His promises. God has answered the plea in the Lord's Prayer as nominated in the Holy Bible, i.e. Thy Kingdom come, thy will be done on earth as it is done in heaven. That Kingdom has come. It is the Brotherhood of the Cross and Star, a Kingdom in reality and in practice with God Himself as the foundation and Head of the Monarchy. The government is theocratic and Love is the law. The Holy Spirit is warning everyone about the need to turn a new leaf and begin to love one another and all creation of God to escape the impending predicaments and calamities already befalling the world, and, especially, the final judgement of God. The Everlasting Gospel Volume 1 is a collection of some of the numerous Gospels and Bible Lectures delivered daily, and sometimes twice daily every day of the year, by the Holy Spirit personified in Leader Olumba Olumba Obu over a period spanning over forty years. The Gospels are delivered in the Efik dialect and interpreted into other languages, including English, by human interpreters. Interpreting Efik to English is a challenging task as Efik is a complex language with a lot of nuances and contexts. The priority of the interpreters is to, as much as possible, provide the English equivalents of the gospels being delivered and not try to contextualize or second guess the meaning.

Teen Brain David Gillespie,2019-03-26 With their labile and rapidly developing brains, adolescents are particularly susceptible to addiction, and addiction leads to anxiety and depression. What few parents will know is that what we think of as the most typical addictions and problematic teen behaviours - smoking, drinking, drug taking, sex leading to teenage pregnancy - are on the decline. The bad news is that a whole raft of addictions has taken their place. Whereas once the dopamine-hungry brain of a teenager got its fix from smoking a joint or sculling a Bundy and coke, it is now turning to electronic devices for the pleasure jolt that typically comes from online playing games and engaging with social media. What is doubly troubling is that, unlike drugs, alcohol and cigarettes, electronic devices are not illicit. Quite the contrary. They are liberally distributed by schools and parents, with few restrictions placed on their use. And, to add fuel to the fire, emerging research shows that if addictive pathways are activated during the teen years, they are there for life, and that what starts as a screen addiction can lead to major substance abuse later in life.

Everyday Millionaires Chris Hogan,2019 Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction
