Solving Marriage Problems Jay E. Adams,1986 This book will help counselors understand and deal with the typical problems that arise in a marriage. The approach is to offer not merely solutions, but biblical solutions. Chapter by chapter, each problem that is brought into focus is addressed by Scripture, and a solution arising from Scripture is developed. Unless one understands what a biblical marriage is supposed to be, it is difficult to solve marriage problems. For that reason, Dr. Adams spends the first few chapters developing a biblical model. Then he treats many of the specific kinds of problems that typically arise : life patterns, priorities, children, sex roles, in-laws, and so forth. - Back cover.

iCantemos! Keith Getty,Kristyn Getty,2018-06-01 ¡Cantemos! Ha sido creado por la pasión del canto congregacional de Keith y Kristyn Getty y ha sido formado a través de viajes y presentaciones al escuchar, discutir, aprender y enseñar a través de todo el mundo. Con la creación de este material ellos tienen cinco objetivos clave: Descubrir por qué cantamos y la abrumadora dicha y el santo privilegio que proviene de cantar. Considerar que cantar impacta nuestras vidas, corazones y

mentes. Cultivar una cultura de familia que canta, en nuestra vida familiar diaria. Equipar a nuestras iglesias para cantar con sinceridad al Señor y a los demás en una expresión de unidad. Inspirarnos para ver el canto congregacional como un testigo radical para el mundo. También se han incluido «pistas adicionales» al final, con sugerencias prácticas para usarlas con grupos que están más profundamente relacionados con el canto en la iglesia. El propósito de Dios a través de esta irresistible visión de ver a Su pueblo cantando (personas que alegremente se unen a cantar, hermanos y hermanas alrededor del mundo y alrededor de Su trono) es incluirte. Él quiere que todos nosotros cantemos. Sing! has grown from Keith and Kristyn Getty's passion for congregational singing; it's been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims: • to discover why we sing and the overwhelming joy and holy privilege that comes with singing • to consider how singing impacts our hearts and minds and all of our lives • to cultivate a culture of family singing in our daily home life • to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity • to inspire us to see congregational singing as a radical witness to the world They have also added a few "bonus tracks" at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around His heavenly throne—to include you. He wants you, He wants us, to sing.

Harmonic Experience W. A. Mathieu,1997-08-01 An exploration of musical harmony from its ancient fundamentals to its most complex modern progressions, addressing how and why it resonates emotionally and spiritually in the individual. W. A. Mathieu, an accomplished author and recording artist, presents a way of learning music that reconnects modern-day musicians with the source from which music was originally generated. As the author states, The rules of music--including counterpoint and harmony--were not formed in our brains but in the resonance chambers of our bodies. His theory of music reconciles the ancient harmonic system of just intonation with the modern system of twelve-tone temperament. Saying that the way we think music is far from the way we do music, Mathieu explains why certain combinations of sounds are

experienced by the listener as harmonious. His prose often resembles the rhythms and cadences of music itself, and his many musical examples allow readers to discover their own musical responses.

Soul Survivor Jimmy McDonough, 2017-08-29 The bestselling author of *Shakey: Neil Young's Biography* presents the first in-depth biography of the legendary soul singer Al Green. Al Green has blessed listeners with some of the biggest hits of the past fifty years. *Love and Happiness*, *I'm Still in Love with You*, *Let's Get Married*, and *I'm Tired of Being Alone* are but a sampling of the iconic songs that led a generation to embrace love in perhaps the most tumultuous period in this country's history, an unparalleled body of work that has many calling Green one of the greatest soul singers of all time. The music legend has sold over 20 million albums and been sampled by numerous rappers, and even President Obama has been known to sing a chorus or two. The now-Bishop Green is without a doubt one of the most beloved yet inscrutable figures ever to grace the popular music stage, and he has managed to magically sidestep being successfully scrutinized in print. Until now. Acclaimed journalist and author Jimmy McDonough expertly tackles this most elusive of subjects and aims to present readers with the definitive portrait of a man everyone knows but few understand. McDonough manages to break through Green's joyous veneer to reveal the contrary, tortured, and solitary individual beneath, a man who spent decades dancing an uneasy tightrope between the sacred and the profane. From his childhood in the backwaters of Arkansas to commanding the stage in front of throngs of lusting fans to addressing a very different audience from the pulpit of his own church, readers will bear witness to the creation of some of the most electrifying soul music ever recorded; learn the hitherto untold real story behind Green's colorful down-home Memphis label, Hi Records; and--by way of countless in-depth interviews with major players in the story, some speaking for the very first time -- unravel one of the last great mysteries in popular music: Al Green.
