Seeing and savouring Jesus Christ JOHN PIPER,2020-05-21 Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, Yes, this is truth. It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority. Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Illumination and Interpretation M. X. Seaman,2013-03-06 This work seeks to take an abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination, while reemphasizing the cooperation of Word and Spirit. In doing so, this book treats issues such as the relationship between illumination and other hermeneutical doctrines, the accessibility of the Spirit's illumination when interpreting the Scriptures, and the question of unregenerate biblical interpretation. --from publisher description

They Shall See God H. Allen Hanson,2010-05 Jesus said, Blessed are the pure in heart for they shall see God. (Matthew

5:8). The Bible progressively reveals a glorious description of God the Father, beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation. The author has done massive research showing that the Bible is full of descriptions of the glory of God. This is a unique book, one of kind, about the visual glory of God. It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor. It is true that no man has seen God because He has hidden himself for several reasons. Man would die if he saw Him. Man would make an idol of Him. God desires that man have faith in an unseen God. Many theologians maintain that God cannot be seen, that He has no face or form because He is spirit, invisible, and omnipresent. The book addresses these concepts. Jesus, however, said that He has seen God and that angels see His face. This book should be in the shelves of every seminary, Bible school, minister's study, and in the hand of every person as a help in Bible study or in seeking to know more about God. May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father.

2 Corinthians Colin G. Kruse, 2020-03-15 The Exegetical Guide to the Greek New Testament (EGGNT) closes the gap between the Greek text and the available lexical and grammatical tools, providing all the necessary information for greater understanding of the text. The series makes interpreting any given New Testament book easier, especially for those who are hard pressed for time but want to preach or teach with accuracy and authority. Each volume begins with a brief introduction to the particular New Testament book, a basic outline, and a list of recommended commentaries. The body is devoted to paragraph-by-paragraph exegesis of the Greek text and includes homiletical helps and suggestions for further study. A comprehensive exegetical outline of the New Testament book completes each EGGNT volume.

Answer to the Pelagians Saint Augustine, Roland J. Teske, 1999 The four works printed in this volume reply to a series of problems which various Catholic monks of Africa and Gaul found with Augustine's doctrine of grace and predestination. They do not deal directly with Pelagianism, but are clearly related to the anti-Pelagian works of Augustine in their discussions of the doctrines on grace and predestination. The monks who raised these questions, however, posed them as difficulties they faced in accepting these doctrines, not as an overt desire to contradict Augustine and the Church, as the heretics did. The first two works, *Grace and Free Choice* and *Rebuke and Grace*, respond to problems at Hadrumetum where a group of monks thought that Augustine's teaching on grace destroyed free choice and human merits and eliminated the possibility of anyone giving rebukes and exhortations. The second two works, *The Predestination of the Saints* and *The Gift of Perseverance*, reply to the letters of Prosper of Aquitaine and Hilary. They reported to Augustine the objections of various persons in monastic groups in Gaul who held that the beginning of faith and the initiative for salvation came from the human will, not from God. These monks also rejected Augustine's doctrine that divine predestination and the grace of final perseverance are utterly gratuitous gifts of God. In his responses to the monks' concerns, Augustine depends on Scripture to prove his points. He encourages his questioners to pray for understanding and to thank God for the understanding they have

so far--which is surely a free gift of God, as are, he emphasizes, grace and eternal life.

Works of Martin Luther, with Introductions and Notes (Volume I) Martin Luther,2019-05-20 No historical study of current issues—in politics or social science or theology—can far proceed without bringing the student face to face with the principles asserted by the Reformation of the Sixteenth Century and its great leader, Martin Luther. He has had many critics and many champions, but neither his critics nor his champions feel that the last word concerning him has been spoken, for scarcely a year passes that does not witness the publication of a new biography. Had Luther been nothing more than a man

of his own time and his own nation the task of estimating him would long since have been completed. A few exhaustive treatises would have answered all demands. But the Catalogue of the British Museum, published in 1894, contains over two hundred folio pages, averaging about thirty-five titles to the page, of books and pamphlets written either by or about him, that have been gathered into this single collection, in a land foreign to the sphere of his labors, and this list has been greatly augmented since 1894. Above all other historical characters that have appeared since the first years of Christianity, he is a man of the present day no less than of the day in which he lived. But Luther can be properly known and estimated only when he is allowed to speak for himself. He should be seen not through the eyes of others, but through our own. In order to judge the man we must know all sides of the man, and read the heaviest as well as the lightest of his works, the more scientific and theological as well as the more practical and popular, his informal letters as well as his formal treatises. We must take account of the time of each writing and the circumstances under which it was composed, of the adversaries against whom he was contending, and of the progress which he made in his opinions as time went on. The great fund of primary sources which the historical methods of the last generation have made available should also be laid under contribution to shed light upon his statements and his attitude toward the various questions involved in his life-struggles.

On the Whole Bible Matthew Henry, 1695-07 Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as Notes On The New Testament in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Christian Mission Stanley E. Porter, Cynthia Long Westfall, 2010-09-01 How did a first-generation Jewish messianic movement develop the momentum to become a dominant religious force in the Western world? The essays here first investigate the roots of God's mission and the mission of his people in the Old Testament and Second Temple Judaism, specifically in the Psalms, Isaiah, and Daniel. The contributions then discuss the mission of Jesus, and how it continued into the mission of the Twelve, other Jewish believers (in the Gospels, General Epistles, and Revelation), and finally into Paul's ministry to the Gentiles documented in the book of Acts and his epistles. These essays reach backward into the background of what was to become the Christian mission and forward through the New Testament to the continuing Christian mission and missions today.
