**Farsight: Empire of Lies** Phil Kelly,2020-09-01 Commander Farsight is back! The second book in the Farsight Series sees the hero of the T'Au face the forces of Chaos for the first time. High Commander Farsight, fresh from his victory against the Imperium over the Damocles Gulf, looks to his borders and finds his old enemies - the savage and warlike orks - assailing his worlds and threatening to ravage the heart of the T'au Empire. Farsight's obsessive crusade will see him locked in an escalating conflict with the greenskins, and he will stop at nothing until their infestation is purged. In the background, foul forces are at work, however - forces that will do whatever they can to see the military genius of Farsight fall on the daemon-haunted world of Arthas Moloch. Can Farsight stand in the face of new truths, and will the T'au Empire stand with him?

Gods & Lies: A Novel Elizabeth Vail,2020-10-10 A priestess of justice and a disgraced demigod investigate a grisly murder that threatens to throw the uneasy balance between gods and mortals into chaos. Gods make everything complicated. No one knows that better than Justix Iris Tharro, a human agent of the Goddess of Justice, still reeling from a scandal that almost ended her career. Grateful for a second chance, Iris' mandate is clear: investigate crimes, mete out justice...and never again insert herself in the business of the Pantheon. But when the dead body of a young woman is found on the altar in the wind god's temple, iris quickly realizes her task might not be that simple. Because while murder is usually a human crime, this one is rife with magic only a God would be capable of. To accuse a God of murdering a human acolyte would do more than ruin Iris' reputation (again); it could put her life at risk. That's why she needs a partner who knows the good, the bad, and the ugly consequences of dealing with the Gods. Enter Andy: a handsome demigod with a silver tongue, desperately trying to win back the favor of his sea goddess mother. It's a challenging partnership, but there's no one better to guide iris through black markets teeming with illegal relics, nightclubs full of nymphs, and the nefarious politics of the Pantheon . . . especially when it becomes clear that more than one immortal may have something to hide. In a world where ancient grudges and human desires live side by side and the old ways die hard, Iris and Andy are confronted with an impossible choice: whether solving one human's murder is worth the wrath of all the Gods. This fun, fast-paced fantasy noir novel by Elizabeth Vail is perfect for fans of American Gods and The Maltese Falcon, and was originally published on Serial Box ([serialbox.com](http://serialbox.com)).

*Lies We Believe About God* Wm. Paul Young,2017-03-07 From the author of the bestselling novel The Shack and the New

York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God’s love. Now, in Wm. Paul Young’s first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we’ve presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the “Papa” portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God’s deep and abiding love.

*Gods of Fire and Thunder* Fred Saberhagen, 2020-09-09 Haraldur the northman once joined Jason on his fabled quest for the Golden Fleece, but now he wants nothing more to do with gods and adventure. Returning to his homeland for the first time in many years, he hopes only to settle down on a farm of his own—until he comes across an impenetrable wall of eldritch fire and a lovesick youth determined to breach the wall at any cost. Behind the towering flames, he is told, lies a beautiful Valkyrie trapped in an enchanted sleep, as well as, perhaps, a golden treasure beyond mortal reckoning. It is the gold that tempts Hal to agree, against his better judgment, to assist the youth in his quest. But to find a way past the fiery wall, they must first brave gnomes, ghosts, and the wrath of the gods themselves. For a mighty battle is brewing, and Hal soon finds himself caught up in a celestial conflict between Thor the Thunderer, Loki the Trickster, and most powerful of all, Wodan, the merciless Lord of Battles!

**Don't Stop Believing** Michael E. Wittmer, 2009-08-30 Must you believe something to be saved? Does the kingdom of God include non-Christians? Is hell for real and forever? These are big questions. Hard questions. Questions that divide Christians along conservative and liberal lines. Conservatives love their beliefs and liberals believe in their love. Each pushes the other to opposite extremes. Fundamentalists imply that it doesn’t matter how we live as long as we believe in Jesus, while some Emergent Christians respond that it doesn’t matter what we believe as long as we live like him. Theologian Michael Wittmer calls both sides out of bounds and crafts a third way that retains the insights of each. He examines ten key questions that confront contemporary Christians and shows why both right belief and right practice are necessary for authentic Christianity. Here is an urgent reminder that best practices can only arise from true beliefs. Genuine Christians never stop serving because they never stop loving, and they never stop loving because they never stop believing.

**The Book Of Lies** Aleister Crowley,2022-11-13 In *The Book of Lies*, Aleister Crowley explores the intricate relationship between truth and illusion, presenting a collection of 91 short essays and poetic verses that delve into themes of mysticism,

philosophy, and personal liberation. Written in a distinctive and often paradoxical literary style, the text reflects Crowley's mastery of both prose and poetry, employing a fragmented narrative that challenges conventional understanding. Each chapter serves as a thought-provoking exploration of esoteric concepts, such as the nature of the self, the quest for enlightenment, and the significance of chaos within order—elements that resonate deeply within the context of early 20th-century occultism and modernist literature. Aleister Crowley, a complex and controversial figure known for his role in the development of modern occult practices, drew inspiration from various philosophical traditions, including Eastern mysticism and Western esotericism. His formative experiences with Thelema, a spiritual philosophy he founded, permeate this work, reflecting his belief in the individual's right to seek personal truth. Crowley's charismatic persona and radical ideas often placed him at the center of public scrutiny, further enriching the context in which this book was conceived. *The Book of Lies* is an essential read for anyone interested in the intersections of spirituality, literature, and the human psyche. Its provocative ideas challenge readers to confront their perceptions of reality, making it a pivotal addition to the libraries of scholars, practitioners, and inquisitive minds alike.

**The Gospel According to Satan** Jared C. Wilson, 2020-01-14 Not every lie sounds untrue. Some lies are repeated so often they seem to be common sense. That's why lies about God are so dangerous. *The Gospel According to Satan* examines eight lies the enemy wants us to believe and provides eight lines of counterattack against them. The lies include: God just wants you to be happy; you only live once you need to live your truth; and just let go and let God. Jared C. Wilson reveals why these lies appeal to us, shows how they harm us, and provides ways to counteract them. We can renounce Satan's counterfeit gospel, but first we must see it for what it is. Enumerates the major ways the Devil uses his cunning and calculating ways of luring us off the narrow road of God's grace. We will all do well to read this book and confront the lies we are being sold.-- Kyle Idleman, senior pastor of Southeast Christian Church and author of *Not a Fan* and *Don't Give Up* A unique, compelling, and even witty look at the devil's current greatest hits--lies we urgently need to unmask. --Sam Allberry, speaker for Ravi Zacharias International Ministries and author of *7 Myths About Singleness* and *Why Does God Care Who I Sleep With?* One of the most thought-provoking writers in the Christian world today... He doesn't just describe the tantalizing falsehoods of our age, he exposes how they've slithered into our hearts.--Matt Smethurst, managing editor at *The Gospel Coalition* and author of *Before You Open Your Bible*

The Vengeance of God Eric Peels,2021-11-22 This book deals with the Old Testament theme of the vengeance of YHWH, discussing both the exegetical and theological aspects of a biblical notion that until now has received far too little attention in scholarly research. After an exploration of the Umwelt use of the root NQM (vengeance/avenge), in the main part of the study all relevant Old Testament texts are dealt with in a thorough exegetical investigation. This leads to a theological outline which stresses the important place and positive function of God's vengeance in the Old Testament revelation. The theories of G.E. Mendenhall, P. Volz and K. Koch with regard to the theme of vengeance are criticized. Of special interest are the additional sections on the issues of blood vengeance and the imprecatory prayers.

**Revelation of Jesus, A** David Lackey,2016-01-27 The book of Revelation pulls back the curtain to reveal the secrets of the past, present, and future, but nearly two thousand years after it was written it still seems to be shrouded in mystery. A Revelation of Jesus takes a fresh look at the familiar themes of Revelation such as the Four Horsemen of the Apocalypse, the mark of the beast, the battle of Armageddon, the Millennium, and many others, using the Bible itself as a guide to cut through the maze of confusion that so often surrounds these vital subjects. The last book of the Bible is not just a collection of enigmatic symbols and metaphors. Using symbolic language, it documents the cosmic struggle between good and evil that began with Satan's rebellion in heaven before the creation of the world. Author David Lackey seeks to unmask Satan's subtle deceptions and point readers to our Creator and Redeemer who will vanquish all evil and usher in a new existence characterized by love, joy, and peace. The purpose of this book is to unpack the prophecies of Revelation to reveal the beauty of Jesus so that in seeing Him more clearly we may fall in love with Him more than ever before and be ready for His soon return.
