[A Submarine in the Village](#) Vanessa Navicelli,2014-06-27 What happens when an eccentric captain (who says "Poppycock!" all the time) gets tired of not having any more wars to fight and decides to create his own? It's a special day in a small village on the hills. It's the day of the mayor's daughter wedding, and everyone is ready to celebrate. But suddenly ... A war submarine appears in the central square! Where did it come from?! How did it get there ... without any water?! It'll take a while to understand that the culprit is the eccentric captain who decided to declare war on the small hilltop village. What will this crazy situation lead to? What will happen when the captain (left alone in the depths of the sea for such a long time) starts to acquaint himself with the villagers? A humorous story with a pacifist background about the discovery of ourselves and the world around us. Funny, tender, surreal. A story to make you smile and reflect, talking about friendship, pastries, kisses and smiles. Because another life (... another way) is always possible. For all readers aged 6 to ... 100! (Nobody is too old to dream.) A fairy tale for everyone, with 13 watercolour and pastel illustrations. "He couldn't actually fish, but he found it quite relaxing to sit there listening to the sound of the water flowing. He had always seen the water from below the surface. What a surprise it was to look at it from above, with the reflection of the sun, the scents in the air and the sounds of the countryside." Also available in Italian and paperback. Note for the reader: this book is written in British English.

The Most Important Thing Antonella Abbatiello, 2022-03-15 The animals of the forest have assembled to discuss what is the most important thing: to have a trunk like an elephant, quills like a porcupine, or a long neck like a giraffe? Naturally, every animal is convinced that its particular trait is the most important one and that everyone should have it. But when the double pages open to show all the animals with the quills of a porcupine, the long neck of a giraffe, or the trunk or the elephant, everyone must agree that the true importance lies precisely in their collective 'diversity'. It is that which makes them all unique and essential to life of the forest. *The Most Important Thing* received a UNESCO honorable mention for peace and collaboration. An important message of diversity and inclusion delivered in the form of a charming modern fable.

The Little Prince Antoine de Saint-Exupéry,2024-11-08 Beschreibung I ask the indulgence of the children who may read this book for dedicating it to a grown-up. I have a serious reason: he is the best friend I have in the world. I have another reason: this grown-up understands everything, even books about children. I have a third reason: he lives in France where he is hungry and cold. He needs cheering up. If all these reasons are not enough, I will dedicate the book to the child from whom this grown-up grew. All grown-ups were once children-- although few of them remember it. And so I correct my dedication: To Leon Werth when he was a little boy Once when I was six years old I saw a magnificent picture in a book, called True Stories from Nature, about the primeval forest. It was a picture of a boa constrictor in the act of swallowing an animal. Here is a copy of the drawing. In the book it said: Boa constrictors swallow their prey whole, without chewing it. After that they are not able to move, and they sleep through the six months that they need for digestion.

The Man of Truth Osho,2008

The Story of a New Name Elena Ferrante,2013-09-03 A novel in the bestselling quartet about two very different women and their complex friendship: "Everyone should read anything with Ferrante's name on it" (The Boston Globe). The follow-up to My Brilliant Friend, The Story of a New Name continues the epic New York Times-bestselling literary quartet that has

inspired an HBO series, and returns us to the world of Lila and Elena, who grew up together in post-WWII Naples, Italy. In *The Story of a New Name*, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, "one of the great novelists of our time" (The New York Times), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner and an intense, generous-hearted family saga. "Imagine if Jane Austen got angry and you'll have some idea of how explosive these works are." —The Australian "Brilliant . . . captivating and insightful . . . the richness of her storytelling is likely to please fans of Sara Gruen and Silvia Avallone." —Booklist (starred review)

What I Talk About When I Talk About Running Haruki Murakami, 2011-10-10 'Pain is inevitable, suffering is optional' The must-read book for every runner: a compelling meditation on the power of running and a fascinating insight into the life of this internationally bestselling writer. In 1982, having sold his jazz bar to devote himself to writing, Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, he reflects upon the influence the sport has had on his life and on his writing. Equal parts travelogue, training log and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in Boston. By turns funny and sobering, playful and philosophical, this is a must-read for fans of this masterful yet private writer as well as for the exploding population of athletes who find similar satisfaction in distance running. *Murakami's new book *Novelist as a Vocation* is available now* 'There can never have been a book quite like this memoir of running and writing before. In its self-contained way, it's nothing less than an inspiration' Evening Standard 'Hugely enjoyable...You don't have to have run a marathon to be captivated' Sunday Telegraph 'Comical, charming and philosophical...an excellent memoir' GQ
