Harvey H. Jackson III, Charles Reagan Wilson

Dale Earnhardt Charlotte Observer, 2001 A biography which focuses on the racing career of Dale Earnhardt.

As They Head for the Checkers Kathy Persinger, 2003 Racing fans know exactly what Hemingway was talking about. Thunderous cars pounding by at hundreds of miles an hour only a few inches from each other in a breathtaking sport that combines physical and mental strength with death-defying intensity on every turn. And it's been like that for as long as people have been racing. No sport gets into your blood quite like America's fastest-growing sport -- stock car racing. Whether the talk turns to drivers, crews, cars or tracks, the subject will eventually consume even the most casual observer. As They Head for the Checkers richly chronicles the highs and lows of this exhilarating sport. From NASCAR's infancy in Daytona Beach to the sport's modern-day glitz, glamour and Wall Street appeal, the most memorable and emotional moments in stock car racing are recalled with sensational stories and brilliant photography. Author Kathy Persinger has captured not only some of the most memorable events in the history of stock car racing, but also some of the sport's most famous names. Come along for the ride and follow the incredible twists and turns as seen through the eyes of past racing legends, current heroes and future stars. The pages are dominated by legendary names such as Richard Petty, Cale Yarborough, Bobby Allison and Dale Earnhardt, as well as current heroes Jeff Gordon, Bill Elliott, Tony Stewart, and Dale Earnhardt Jr. and future stars Kevin Harvick, Jimmie Johnson, Ryan Newman, and Matt Kenseth. You can also relive these incredible moments through the thrilling sounds of an accompanying CD. The unique, digitally mastered CD contains more than an hour of riveting audio clips from the archives of Veteran Journalist Mark Garrow, as well as actual race calls from some of NASCAR's most exciting and emotional times. Find out why As They Head for the Checkers is a must read for every fan of America's fastest-growing sport. Book jacket.

Sterling Marlin Larry Moody, 2003-04-24 In 1995, Sterling Marlin became only the third driver in Winston Cup history to win back-to-back Daytona 500s, joining racing royalty Richard Petty and Cale Yarborough. Dale Earnhardt, Sr. James Macdonald, 2009-01-01 A biography of American NASCAR driver Dale Earnhardt, Sr-- Provided by publisher.

At the Altar of Speed Leigh Montville, 2008-12-31 He was The Intimidator. A nightmare in the rear-view mirror. A unique

winner in the boardroom. A seven-time Winston Cup champion. A driver whose personal success story and dedication inspired the adoration of millions of fans. Then on February 18, 2001, just seconds from the Daytona 500 finish line, the world of stock-car racing suffered a devastating loss as Dale Earnhardt fatally careened into a track wall. The tragic shock waves, and an unprecedented outpouring of respect and love, have not stopped since. At the Altar of Speed takes readers behind the scenes of Earnhardt's celebrated life, tracing his rags-to-riches journey to the top of America's fastest-growing sport. Beginning with Earnhardt's early days growing up in small-town North Carolina, veteran sports writer Leigh Montville examines how a ninth-grade dropout started on the dusty dirt tracks of the South, went through two marriages and a string of no-future jobs before turning twenty-five, then took about a million left turns to glory. Through the pitfalls and triumphs, Earnhardt would ultimately become a celebrated champion, whose lifetime earnings would top forty-one million dollars. The son of a legendary racer, the father of a NASCAR star, he lived a total auto-racing life filled with triumph and sadness, great joy and great pain. Transporting readers to the colorful, noisy world of stock-car racing, where powerful engines allow drivers to reach speeds of 200 m.p.h., At the Altar of Speed vividly captures the man who drove the black No. 3 car, a man whose determination and inner strength left behind a legacy of greatness that has redefined his sport. Illustrated with a section of full-color photographs, At the Altar of Speed is a tribute to both the man and his unbeatable spirit.

The New Encyclopedia of Southern Culture Harvey H. Jackson III, Charles Reagan Wilson, 2014-02-01 What southerners do, where they go, and what they expect to accomplish in their spare time, their leisure, reveals much about their cultural values, class and racial similarities and differences, and historical perspectives. This volume of The New Encyclopedia of Southern Culture offers an authoritative and readable reference to the culture of sports and recreation in the American South, surveying the various activities in which southerners engage in their nonwork hours, as well as attitudes surrounding those activities. Seventy-four thematic essays explore activities from the familiar (porch sitting and fairs) to the essential (football and stock car racing) to the unusual (pool checkers and a sport called fireballing). In seventy-seven topical entries, contributors profile major sites associated with recreational activities (such as Dollywood, drive-ins, and the Appalachian Trail) and prominent sports figures (including Althea Gibson, Michael Jordan, Mia Hamm, and Hank Aaron). Taken together, the entries provide an engaging look at the ways southerners relax, pass time, celebrate, let loose, and have fun.
