Drunk Mom Jowita Bydlowska,2014-05-27 “An intense, complex and disturbing story, bravely and beautifully told. I read *Drunk Mom* with my jaw on the floor, which doesn’t happen to me that often.” —Lena Dunham Three years after giving up drinking, Jowita Bydlowska found herself throwing back a glass of champagne like it was ginger ale. It was a special occasion: a party celebrating the birth of her first child. It also marked Bydlowska’s immediate, full-blown return to crippling alcoholism. In the gritty and sometimes grimly comic tradition of the bestselling memoirs *Lit* by Mary Karr and *Smashed* by Koren Zailckas, *Drunk Mom* is Bydlowska’s account of the ways substance abuse took control of her life—the binges and blackouts, the humiliations, the extraordinary risk-taking—as well as her fight toward recovery as a young mother. This courageous memoir brilliantly shines a light on the twisted logic of an addicted mind and the powerful, transformative love of one’s child. Ultimately it gives hope, especially to those struggling in the same way.

My Mom's Fiance Cassandra Dee,2019-04-17 I have a secret. I hooked up with my mom’s fiancé! One night at a bar, I met an irresistible, hunky as hell man. We had lots of fun, and it was absolutely yummy. But the next day, I found out that Jake was engaged ... TO MY MOM! OMG!!! He’s going to be my stepdad? We just shared a steamy night not long ago. How can he be getting married to my mom now? But it just kept happening again and again. At the engagement party. At the

bridal shower. Even at the wedding itself. It's filthy and so wrong in so many ways. But I want my mom's hunky fiancé so bad ... Hey Readers — This taboo story is going to make you scream and cry and do all sorts of naughty things. Indulge your fantasies and turn the fan on HIGH because this tale will make you want more ... and more ... and more. As always, no cheating, no cliffhangers, and always an HEA for my readers. You'll love the story, I promise! xoxo, Cassie

After I Do Taylor Jenkins Reid,2023-01-05 From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo*, comes a breath taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, *After I Do* is the story of a couple caught up in an old game-and searching for a new road to happily ever after.

Days 1 to 4 Amy Cross,2022-10-30 One day, the power goes off and the world falls silent. And in two very different parts of America, two very different nightmares are about to begin. In Manhattan, Elizabeth and her brother Henry are all alone in their parents' apartment. Looking out the window, they can see the carnage slowly spreading through the city. But as hopes fade for their parents to come back, Elizabeth and Henry discover that dangers might already have entered the building. And a friendly neighbor might not be quite so friendly after all. Meanwhile, in Oklahoma, Thomas and his family live on an isolated farm. They too have noticed that something has changed, and a chance encounter on a deserted road leads to a moment of pure horror. An infection is spreading, and soon more victims begin to fall. Family members turn on family members, and before long Thomas and his brother find themselves in a desperate fight for survival. This is the first book in

the long-running Mass Extinction Event series. The book ends on a cliffhanger. Over thirteen books, this complete series tells the story of two young people trying to survive the first year of the apocalypse - leading to a shocking conclusion in the thirteenth and final volume.

The Pizza Boys Keith Kelly, 2021-12-08 Woodstock is a teenager, growing up restless and bored in the small East Texas town of Werchet. It's the 1980's, and this town seems to never let its citizens leave: to be born in Werchet is to stay there. Woodstock is afraid that delivering pizzas, day after day, will always be his life. Determined to change his future, Woodstock sets goals for himself and plans to escape Werchet's clutches. The only thing standing in his way are feelings for a girl he knows will hold him back from his dreams. Can Woodstock find his way out of Werchet, or will he forever remain one of the pizza boys?

The Nicotine Chronicles (Akashic Drug Chronicles) Lee Child, 2020-09-15 Lee Child recruits Joyce Carol Oates, Jonathan Ames, Cara Black, and others to reveal nicotine's scintillating alter egos. "Sixteen tributes to America's guiltiest pleasure . . . Even confirmed anti-smokers will find something to savor." —Kirkus Reviews In recent years, nicotine has become as verboten as many hard drugs. The literary styles in this volume are as varied as the moral quandaries herein, and the authors have successfully unleashed their incandescent imaginations on the subject matter, fashioning an immensely addictive collection.

Baby Car Car Carlos J. Lee, 2008-05 Meg was inspired to write this book after talking with other divorced men and women and realizing there were common threads that were shared post-divorce. She hopes this book will guide and encourage people through that first very challenging and exhausting post-divorce year. It is a book intended to encourage, entertain and energize its readers. Divorce can be terrifying and a grievous experience. But it can also be an opportunity for addressing the past, for enjoying the present and for stepping into the future with confidence and grace.

My Twisted Life Suzie Q Valentine,2009-06-12 Normal 0 false false false MicrosoftInternetExplorer4 My Twisted Life is about the life of Randolph Douglas Hopkins. His voice takes the reader on a journey through Randy's first childhood memory of being brutally beaten for a crime he didn't commit. Then living in unimaginable pain as punishment for that crime. With a strong will to live and simply being too stubborn to die, he endured brutal amputations and bullet wounds using his self-taught skills to patch himself back together. Randy never knew his father and can't remember even knowing his name. He grew up roaming the country with his psychotic mother and alcoholic stepdad, never knowing any stability in his life. With little formal education, due to the frequency and extent of his wounds and the gypsy lifestyle of his folks, he used his self-driven motivation to educate himself in the skills that he most needed to survive. Aside from the basics of reading and writing, he became skilled in street smarts and survival with things such as petty theft, pool hustling as well as doctoring and mind control. He turned to drugs at a young age and used heavily throughout half of his childhood and all of his teen years. He was constantly faced with life-threatening obstacles and always found himself longing for death, but yet struggling to live. Randy was determined to not let the abuse against him result in his death, so he struggled to do whatever it took to stay alive. Along the journey of his life, he made true friends and true love. Step inside Randy's memories as he tells his story.

Stealing Chastity Devon Hartford,2016-01-08 Every GOOD GIRL wants a BAD BOY to steal her virtue... CHASTITY My new neighbor Lance McKnight is rude, crude, and totally irresistible. My mom hates him. She says he's going to corrupt me. Lucky for me Lance doesn't care what Mom thinks. From day one, he makes it clear he's going to have his way with me no matter what Mom says. Works for me. I'll do whatever Lance tells me. No matter how bad it is... LANCE I get what I want from women any time I want. That pisses you off, doesn't it? Deal with it. That's the hand life dealt me. I'm just making the most of it. What you don't know about me is, from what I've been through, it doesn't make up for much. That's all about to change. Because my new neighbor Chastity Shields is some kind of something else. Mmmm, mmmm. I don't know what to make of her. But I want her. And I'm gonna take her. Every last way I can think of... WARNING: Just when you think you know where this book is going, it doesn't. Lance McKnight is a real bad boy. At first you'll hate him. But in the end you'll love him twice as much. ***Stealing Chastity is a scorching hot standalone with an HEA***

Live Out Loud Marie Meyer,2017-04-30 I thought I'd live in silence forever . . . and then I met him. I'll never be able to hear, but music has always been a source of comfort for me. Rather than listen to the rhythm, I can actually feel the beat

pulsing through me. It's pure bliss. So the moment I saw Thorin playing his guitar, I was mesmerized. I'd never seen anything more beautiful . . . or intimate. I couldn't tell where his body ended and the song began. He's everything I need in my life . . . I'm falling fast, hard, and deep. I want him more than anything. But while I live in silence, Thor lives in secrets. He's holding something back-something that's keeping this intensity, this longing from being real. And the silence may be too loud to bear . . .

Kittentits Holly Wilson,2024-05-21 “Molly is one of the greatest young female characters I’ve had the luck of reading since I picked up Joy Williams’s *The Quick and the Dead* back in 2000 . . . I TRULY LOVE THIS BOOK!!!!!!” —Gillian Flynn, Gillian Flynn Books “Holly Wilson’s *Kittentits* is sacred and profane, filled with big emotions, all amplified by grief. Molly is a wholly unique and charismatic narrator, navigating (and creating) chaos as she seeks out a way to hold onto both the living and dead. This is a wildly funny and utterly convincing coming-of-age novel like nothing I’ve read before.” —Kevin Wilson, author of *Nothing to See Here* A feral, heart-busting, absurdist debut about Molly, a rambunctious and bawdy ten-year-old searching for friendship and ghosts. It’s 1992, and ten-year-old Molly is tired of living in the fire-rotted, nun-haunted House of Friends: a Semi-Cooperative Living Community of Peace Faith(s) in Action with her formerly blind dad and their grieving housemate Evelyn. But when twenty-three-year-old Jeanie, a dirt bike-riding ex-con with a shady past, moves in, she quickly becomes the object of Molly’s adoration. She might treat Molly terribly, but they both have dead moms and potty mouths, so naturally Molly is the moth to Jeanie’s scuzzy flame. When Jeanie fakes her own death in a hot-air balloon accident, Molly runs away to Chicago with just a stolen credit card and a sweet pair of LA Gear Heatwaves to meet her pen pal Demarcus and hunt down Jeanie. What follows is a race to New Year’s Eve, as Molly and Demarcus plan a séance to reunite with their lost moms in front of a live audience at the World’s Fair. A surrealist and bold take on the American coming-of-age novel, Holly Wilson’s debut is about the interstices of loss, grief, and friendship.

NoVA James Boice,2009-04-21 Grayson Donald, seventeen years old, has just hanged himself from a basketball hoop next to a playground in Centreville, North Virginia (NoVA). The question is, Why? In this incisive dissection of the author's hometown, James Boice scratches its shiny suburban surface to reveal a place formed from a cloud that slid west and met with the humidity and spent buckshot cartridges and Civil War bones clad in blue and gray to create concrete and vinyl siding and front yards laid in chunks, child care centers and video rental places. An exciting new voice in fiction, James Boice blends sharp social observations with dark humor and remarkable prose. In both passing glimpses and intimate interior monologues, we come to know Grayson's family, his fellow students, his neighbors, and many who knew him only slightly, if at all. A portrait of a town emerges that renders Grayson's suicide both devastating and inevitable. *NoVA* is a unique and fascinating depiction of the American suburb.

Poison When I logged into that chatroom, all I was looking for was an escape from the pressures of exams, strict parents, and high expectations.
