On Robyn Davidson Richard Cooke,2020-12-25 'She is a feminist icon, one of our most consequential authors and a unique individual. But perhaps we should start with something she is not: Robyn Davidson does not like to call herself a writer, or at least not a Writer.' Robyn Davidson, author of the classic memoir *Tracks*, has led a remarkable life of writing and nomadic travel. In this bracing, erudite essay, acclaimed critic and journalist Richard Cooke explores Davidson's relationship with place and freedom, and her singular presence in Australian letters. In the *Writers on Writers* series, leading authors reflect on an Australian writer who has inspired and fascinated them. Provocative and crisp, these books start a fresh conversation between past and present, shed new light on the craft of writing, and introduce some intriguing and talented authors and their work. Published by Black Inc. in association with the University of Melbourne and State Library Victoria.

The Female Eunuch Germaine Greer,2009-02-06 The publication of Germaine Greer's *The Female Eunuch* in 1970 was a landmark event, raising eyebrows and ire while creating a shock wave of recognition in women around the world with its steadfast assertion that sexual liberation is the key to women's liberation. Today, Greer's searing examination of the oppression of women in contemporary society is both an important historical record of where we've been and a shockingly relevant treatise on what still remains to be achieved.

The Complete Poems of John Wilmot, Earl of Rochester John Wilmot Earl of Rochester,2002-01-01 John Wilmot, the notorious Earl of Rochester, was the darling of the polished, profligate court of Charles II. One of the finest poets of the Restoration, patron to important playwrights, model for countless witty young rakes in Restoration comedies, he lived a full but short life, dying in 1680 (with a dramatic deathbed renunciation of his atheism) at the age of thirty-three. This edition of Rochester's poetry, brilliantly annotated and introduced by David M. Vieth, has been a classic work for decades. Rochester had many admirers: Graham Greene wrote *Lord Rochester's Monkey*; Daniel Defoe quoted him often; Tennyson recited his poems; Voltaire admired his satire for 'energy and fire'; Goethe could quote him in English; and Hazlitt said that 'his verses cut and sparkle like diamonds' and that 'his contempt for everything that others respect almost amounts to sublimity'. Book jacket.

Germaine Elizabeth Kleinhenz,2018-10-29 As a student in Melbourne, Elizabeth Kleinhenz heard frequent talk of this almost mythical figure, Germaine Greer. Urged on by her mother, a first wave feminist, she read *The Female Eunuch*, a

clarion call that rallied women to assert their female power, and, like her mother and millions of others across the world, changed her life. As one of the first researchers permitted to trawl through the Germaine Greer Archive housed at the University of Melbourne, Elizabeth found evidence of a brilliant teacher, serious scholar, flamboyantly attired hippie TV presenter, provocative magazine columnist and editor, real estate investor, domestic goddess, creator of extravagant gardens and preserves, shelterer of strays and waifs, libertarian, bohemian, anarchist, working journalist, correspondent, traveller and adventurer, international celebrity and performer, wag and ratbag, mentor and icon. Germaine Greer has said that her archive is a representation of the times in which she has lived. Yet she anticipated, catalysed and triumphantly rode the wave of the immense social and intellectual changes of her era. For Elizabeth, two things are certain: women's lives today are very different from how they were when Germaine Greer and she left school; and much of the change that has occurred over the past half-century can be directly attributed to the lifetime of intense scholarship, unremitting hard work and influence of Germaine Greer.

The Forgotten Rebels of Eureka Clare Wright, 2014-05-08 The Eureka Stockade. It's one of Australia's foundation legends—yet the story has always been told as if half the participants weren't there. But what if the hot-tempered, free-spirited gold miners we learned about at school were actually husbands and fathers, brothers and sons? What if there were women and children right there beside them, inside the Stockade, when the bullets started to fly? And how do the answers to these questions change what we thought we knew about the so-called 'birth of Australian democracy'? Who, in fact, were the midwives to that precious delivery? Ten years in the research and writing, irrepressibly bold, entertaining and often irreverent in style, Clare Wright's *The Forgotten Rebels of Eureka* is a fitting tribute to the unbiddable women of Ballarat—women who made Eureka a story for us all.

Queensland Senior English 1 Margaret Miller, Robyn Colwill, 2010 This second edition of this successful text has been extensively revised in response to changing practices and to align with the new emphasis in the 2010 senior syllabus in Queensland. It breaks new ground with the inclusion of many innovative types of texts, as well as thought-provoking traditional literary choices. Written specifically for Year 11 students, it is now the first book in a two-book series. Key features of the second edition integrates all four framework components of the syllabus

America's "war on Terrorism" Michel Chossudovsky, 2005 In this new and expanded edition of Michel Chossudovsky's 2002 best-seller, the author blows away the smokescreen put up by the mainstream media, that 9/11 was an attack on America by Islamic terrorists. This expanded edition, which includes twelve new chapters focuses on the use of 9/11 as a pretext for the invasion and illegal occupation of Iraq, the militarisation of justice and law enforcement and the repeal of democracy. According to Chossudovsky, the war on terrorism is a complete fabrication based on the illusion that one man, Osama bin Laden, outwitted the \$40 billion-a-year American intelligence apparatus. The war on terrorism is a war of

conquest. Globalisation is the final march to the New World Order, dominated by Wall Street and the U.S. military-industrial complex. September 11, 2001 provides a justification for waging a war without borders. Washington's agenda consists in extending the frontiers of the American Empire to facilitate complete U.S. corporate control, while installing within America the institutions of the Homeland Security State. Chossudovsky peels back layers of rhetoric to reveal a complex web of deceit aimed at luring the American people and the rest of the world into accepting a military solution which threatens the future of humanity.

My Name Is Rachel Corrie (Young Vic Edition) Rachel Corrie, Alan Rickman, 2017-09-28 The moving account of the life and early death of a young female activist, adapted from her own writings. Why did a 23-year old woman leave her comfortable American life to stand between an Israeli army bulldozer and a Palestinian home in the Gaza strip? Compiled from her letters, diaries and emails by Alan Rickman and Guardian journalist Katharine Viner, *My Name is Rachel Corrie* recounts, in her own words, her short life and sudden death. *My Name is Rachel Corrie* was first performed by Megan Dodds at the Royal Court Theatre, London, in April 2005, winning Best New Play at the 2006 WhatsOnStage Awards.

The Whole Woman Germaine Greer, 2009-04-22 Thirty years after the publication of *The Female Eunuch*, Germaine Greer is back with the sequel she vowed never to write. A marvelous performance--. No feminist writer can match her for eloquence or energy; none makes [us] laugh the way she does.--The Washington Post In this thoroughly engaging new book, the fervent, rollicking, straight-shooting Greer, is, as ever, the ultimate agent provocateur (Mirabella). With passionate rhetoric, outrageous humor, and the authority of a lifetime of thought and observation, she trains a sharp eye on the issues women face at the turn of the century. From the workplace to the kitchen, from the supermarket to the bedroom, Greer exposes the innumerable forms of insidious discrimination and exploitation that continue to plague women around the globe. She mordantly attacks lifestyle feminists who blithely believe they can have it all, and argues for a fuller, more organic idea of womanhood. Whether it's liposuction or abortion, Barbie or Lady Diana, housework or sex work, Greer always has an opinion, and as one of the most brilliant, glamorous, and dynamic feminists of all time, her opinions matter. For anyone interested in the future of womanhood, *The Whole Woman* is a must-read.

Damned Whores and God's Police Anne Summers, 2016-03 Stereotypes persist to this day, argues Anne Summers in this updated version of her classic book which, in the 40 years since it was first published, has sold well over 100,000 copies and been set on countless school and university syllabuses. Who are today's damned whores? And why do women themselves still want to be God's Police?

The Tellicherry Five Kieran Sheedy,1997 This is the story of Michael Dwyer, Hugh Vesty Byrne, Martin Burke, Arthur Devlin and John Mernagh.

Vietnam Remembered Gregory Pemberton,2025-06-02 Few living Australians have been untouched by the Vietnam war and the conflict it represented, at home and abroad. This may seem like an odd statement, since proportionately very few - around 50 000 - Australians saw military service in Vietnam; far fewer visited there with a peaceful purpose. Even today, Australian travellers to Vietnam are rare. Few Vietnamese had been to Australia before 1975; just over 300 (mainly students) lived here.Yet, Australia' s involvement in Vietnam has come to be defined in a very wide sense: as a symbol for Australia' s role in the period of Asian decolonisation. It also has come to be intimately associated in the public mind with many wider issues of that era: long hair, public protest, the explosion of rock music, drug use, distrust of authority, countercultures, sexual freedom, and numerous other aspects of our society, many persisting today long after the war has ended. Indeed, such developments were directly related to the war. Both our military involvement in Vietnam, and the resulting dissent, were the products of far more profound international and domestic processes, already at work long before the first Australian soldiers were involved.In this book, for the first time, all aspects of Australia' s Vietnam conflict, abroad and at home, are covered. Although a supposedly ' limited war' in a military and political sense, Australia' s involvement in Vietnam and its aftermath touched all aspects of Australian society. Until now no book has attempted this ambitious task, because the basic groundwork of scholarship of the many and varied aspects of the complex story of Australia' s Vietnam were still to be completed. This book is one of the results of that work.

Sex and Destiny Germaine Greer,1984-01-01

A Day in the Life of Rowland S Howard Peter Milne,2015-08-10 In 1977 Peter Milne was 17 and the legendary Australian guitarist Rowland S Howard was 18. For several months they collaborated together on a number of photo sessions. Although many of the images taken in that period were lost or damaged, a number of remarkable photographs have survived and have been drawn together to form this book. Peter Milne writes in the introduction to the book: I took up photography around this time and we began a busy period of experimental photo sessions during which I was learning to how to use cameras while Rowland was learning how to pose for them....The work is a patchy, scratched up document that shows visible signs of age and neglect but perhaps this is the one absolute inevitability of history and memory - it's always going to

be fragmentary.
