*I Will Judge You by Your Bookshelf* Grant Snider,2020-04-14 A look at the culture and fanaticism of book lovers, from the beloved New York Times illustrator and creator of Incidental Comics. It's no secret, but we are judged by our bookshelves. We learn to read at an early age, and as we grow older we shed our beloved books for new ones. But some of us surround ourselves with books. We collect them, decorate with them, are inspired by them, and treat our books as sacred objects. In this lighthearted collection of one- and two-page comics, writer-artist Grant Snider explores bookishness in all its forms, and the love of writing and reading, building on the beloved literary comics featured on his website, Incidental Comics. *I Will Judge You by Your Bookshelf* is the perfect gift for bookworms of all ages. "This playful, self-aware collection of strips and gags on the joys and frustrations of reading and writing is equal parts lighthearted and sincere . . . The panels range from gently clever to surprisingly profound to laugh-out-loud." —Publishers Weekly "A prescient book for these times."

*Never Judge a Book by Its Cover* Joanne Houghton,2020-03-19 2020 is a year of awakening which brings with it significant change. There has been a gradual movement away from religion and a seeking of spiritual truth which has unearthed many questions leaving few with refined answers; who are we? why do we exist on planet earth? what is our purpose? This pivotal time has led to much confusion where literature is of mass yet lost in mystery and intrigue. 'Never Judge a Book by its Cover' delivers a powerful message to the world which identifies the who, why, what, where and when of life and the root cause for the rise in negativity across every landscape of this planet; The deactivation of our DNA many

thousands of years ago which altered the mechanics of human form. Poor health, disease, terrorism, poverty, unemployment, religion, homelessness and overcrowding are a direct result of this manipulation which made human beings easy to control through structure, regime and the illusion of separation. You are more powerful than your human brain can comprehend and in sharing my own life experience and the many challenges I have faced including; severe depression, disempowerment, anxiety, abusive relationships, bankruptcy and death I reveal all, making the obvious understood and the not so obvious realised. Life is a game and it is now time to step past your fears, to move beyond the veil of separation and overcome the limitations of your perceived reality. You are a creator god in human form, you are more powerful than any machine in existence and you are here to lead a joyful and fulfilling life, to follow your passions and build your dreams, to love unconditionally and to live without fear. We all hide behind the cover of our own story but once you immerse yourself in the pages of this book you will surely realise your own innate power and rise once more in the knowing of who you are, never again, to judge a book by its cover.

*Blood Meridian* Cormac McCarthy,2010-08-11 25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

You Can't Judge a Body by Its Cover David Bedrick,2020-12 Why is today's diet industry pulling in 70 billion dollars every year, while when people go on a diet, only five percent of them succeed and the rest gain weight or stay the same? Here's why: A heavy, shamed body is a body with an unheard message and a thwarted quest, and until the secrets are unlocked and the wisdom is harvested, that impasse will be unbreachable. In these pages, Bedrick offers seventeen stories of individual women who open the door to their souls: stories of shame and self-love, victimization and empowerment, being small and being big, fear and hope. Stories that are both powerful and intimate. These are the stories from bodies impacted by sexism and racism, rape and harsh parental criticism, and by the deepest hungers for an authentic life. The women in this book were not successful or unsuccessful. They began a process of self-understanding, of dropping the shame that bound them to a self-abusing lens about their bodies. They began a process of learning to express their power, creativity, beauty, and intelligence with themselves, in relationships, and in the world. They became more empowered leaders and social agents. They began embracing their sovereignty, defining themselves as an authority, and living a more authentic path as they unfold their life project in a bolder and more self-loving manner. This book is the culmination of years of study, research, and practice. Since

2001, I've been helping women who seek me out because they're unhappy and they want to change their bodies. In the book, I've gathered the most compelling stories and share them as case studies. These case study chapters are bookended by a richly contextualizing introduction and a conclusion.--Publisher.

To Speak as a Judge Sandra Berns, 2019-05-23 First published in 1999, this volume explores the nature of adjudication in the common law tradition from a feminist postmodernist perspective. The author accepts and celebrates the 'choices' open to the judge and argues that without choice, judgment cannot be properly judicial. The first full length feminist exploration of the role of the judge and the nature of law and legality, *To Speak as a Judge* is grounded in the process of adjudication and its rhetorical nature. It draws upon significant contemporary cases to explore the narrativity of law and the ways in which rhetoric and judicial understandings of the nature of law determine narrative style.

*Narrating the Everyday* Asta Rau, Jan K. Coetzee, Magdalena Wojciechowska, 2019-01-01 The chapters in this book reflect on the practice of using narratives to understand individual and social reality. They all reveal dimensions of the same concrete reality: contemporary society of Central South Africa. Except for two, all the chapters originated from research in the program *The Narrative Study of Lives*, situated in the Department of Sociology at the University of the Free State in Bloemfontein, South Africa. Each chapter opens a window on an aspect of everyday life in Central South Africa. Each window displays the capacity of the narrative as a methodological tool in qualitative research to open up better understandings of everyday experience. The chapters also reflect on the epistemological journey towards unwrapping and breaking open of meaning. Narratives are one of many tools available to sociologists in their quest to understand and interpret meaning. But, when it comes to deep understanding, narratives are particularly effective in opening up more intricate levels of meaning associated with emotions, feelings, and subjective experiences.

**Detox Your Circle, Activate Your Destiny** Ernest Sears Jr, 2019-01-14 After doing over fifteen years of hard time in a cubicle or office, you and your laptop have found Nirvana at the Starbucks around the corner. Mercifully, the career is over;

the kids are gone. Now there is nothing left to distract you from the elephant in the room. You stare at your significant other with the most disconcerting doubts about whether the relationship has run its natural course. You own up to your part in friendships that have become more like placeholders. Years of meaningless, if tenuous, connections have left you hollow. *Detox Your Circle, Activate Your Destiny* establishes the premise for removing thirteen toxic elements—people, self-sabotaging behaviors, baggage, and meaningless rituals, to name a few—and demonstrates how decluttering can trigger a very powerful clarity. When we detox our Rolodex, our true nature and essence attract more of who we are. What ensues is a resonance that sets the tone and cosmic parameters for fulfilling destiny.

**Imperceptible Reality** Connie Bertelsen Young, 2021-12-02 The book, *IMPERCEPTIBLE REALITY - A Longing for Spiritual Vision*, is an adult Bible study that is meant to draw attention to the incredibly broad subject of who God is, our relationship to Him, and what He has created, particularly that which we can't see with our physical eyes. "So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal." (2 Corinthians 4:18 NIV). Since Adam and Eve, we have been ever learning and discovering more about life, and though our knowledge may seem extensive, it remains slight as we try to understand this universe, the scope of all living things, and the boundlessness of eternity. "Even Solomon, one of the wisest men who ever lived, indicated that "No one can fathom what God has done from beginning to end." (Ecclesiastes 3:11 NIV) Although we can't see everything, The truth which we are given in the Bible will help free us from blindness, deception and ignorance. In *IMPERCEPTIBLE REALITY, A Longing for Spiritual Vision*, there is emphasis on our great need for faith, growth, and awareness of the mysterious and magnificent immensity of God and our response to Him.

**The Popular & the Canonical** David Johnson, 2005 This volume ranges from the Second World War to the postmodern,

considering issues of the 'popular' and the competing criteria by which literature has been judged in the later twentieth century. As well as tracing the transition from modernism to postmodernism, the authors guide students through debates around the pleasures of the popular and the question of inter-relations between 'mass' and 'high' cultures. Drawing further upon issues of value and function raised in *Aestheticism and Modernism: Debating Twentieth-Century Literature 1900-1960*, they examine contemporary literary prizes and the activity of judgement involved in English Studies. This text can be used alongside the other books in the series for a complete course on twentieth-century literature, or on its own as essential reading for students of mid to late twentieth-century writing. Texts examined in detail include: du Maurier's *Rebecca*, poetry by Ginsburg and O'Hara, Dick's *Do Androids Dream of Electric Sheep?*, Puig's *Kiss of the Spiderwoman*, Beckett's *Waiting for Godot*, Heaney's *New Selected Poems 1966-1987*, Gurnah's *Paradise*, Barker's *The Ghost Road*.
