

Monografía De Los Derechos Humanos

Luis de Sebastián

The Universal Declaration of Human Rights ,1978

Derechos humanos y acción humanitaria Joana Abrisketa,2004 Las crisis humanitarias protagonizan el escenario internacional posterior a la guerra fría. La acción humanitaria, entendida como la prestación de los servicios y de los bienes necesarios para la supervivencia de las poblaciones vulnerables, se ha convertido en una práctica habitual de los gobiernos y en una profesión para miles de personas que trabajan en las ONG. La acción humanitaria tiene su origen en el sufrimiento extremo y se fundamenta en los derechos de las víctimas, de los refugiados, de los desplazados, de las mujeres y de los niños. Cuando se presta ayuda humanitaria se contribuye a hacer respetar el derecho a la vida, el derecho a la salud o el derecho al alimento de dichas poblaciones. La presente obra intenta contribuir al establecimiento de un régimen general de los derechos y las obligaciones que giran en torno a la acción humanitaria. Se identifican los colectivos de personas afectadas, cuyos derechos son la base de la obligación que tienen los Estados y los grupos insurgentes a prestarles ayuda. La obra se suma al debate sobre la implicación y la estrecha relación del Derecho Internacional contemporáneo con la actividad humanitaria.

Monografía ,1985

Monografía y catálogo de la biblioteca del Centro del Ejército y de la Armada escrita aquélla y ordenado éste por Miguel Gistau Ferrando Centro del Ejército y de la Armada, Madrid. Biblioteca,1917

El derecho humano al medio ambiente: una propuesta ecocéntrica Oriol Solà Pardell, Este trabajo tiene como objeto colmar un vacío en el ámbito del Derecho internacional: el espacio que ocupa la intersección de los límites planetarios, los derechos humanos y los derechos de la Naturaleza. La expansión de la doctrina de los derechos humanos encuentra en la concepción y formulación progresiva del valor propio de la Naturaleza un espejo en el que preguntarse por la validez de sus presupuestos epistemológicos e implicaciones éticas y jurídicas. Esta investigación propone como solución, ante la catástrofe medioambiental y emergencia climática actuales, la adopción por la Asamblea General de las Naciones Unidas de una Declaración relativa a un nuevo derecho humano al medio ambiente ecocéntrico. La gravedad y las necesarias transformaciones de esta crisis ecológica sistémica exigen un nuevo pacto social con la Naturaleza, que nos permita descubrir una narrativa basada en la ecodependencia y nos devuelva la esperanza en un futuro en armonía con la Naturaleza.

Monografía municipal ,1999

Responsabilidad social de la empresa Luis de Sebastián,2007 En este número de Documentación Social se ha reunido a un conjunto de especialistas provenientes del campus universitario y de escuelas de negocios con experiencia en consultorías a empresas que preguntan sobre su RSE y vinculados con centros internacionales donde se discuten estos temas. El objetivo de esta publicación es dar a conocer diversos aspectos de la RSE, que está en la boca de todos aquellos relacionados con el mundo empresarial y el público en general. También se pretende influir en la movilización de los ciudadanos como consumidores y clientes de las empresas, sugiriendo al mismo tiempo de qué manera las acciones colectivas pueden servir para reforzar los estímulos que llevan hoy en día a las empresas, a aceptar sus responsabilidades sociales y actuar en consonancia.

Monografía Comala Rubén Jaime Valencia Salazar,2004

Monografía de Ixtlahuacán José Manuel Mariscal Olivares,2005

Acciones de grupo en materia laboral Katerine Bermúdez,Juan Sebastián Encinales Ayarza,Diana Katherine Neita Rodríguez,Daniel Mauricio Pardo Ramos,2013-12-02 La insuficiencia de la acción individual para proteger situaciones concretas de vulneración de derechos a un grupo de personas ha originado que se implementen en el ordenamiento jurídico colombiano figuras jurídico-procesales propias de experiencias anglosajonas; por ejemplo, la Class Action (acciones de clase o de categoría), como un remedio legalmente admisible frente a las relaciones en masa y a los daños ocasionados a un grupo de personas. En este sentido, desde el año de 1991, se elevaron, a nivel constitucional, mecanismos procesales de naturaleza colectiva tales como la acción popular y la acción de grupo o clase establecidos en el artículo 88 de la Carta Política de 1991, para garantizar de manera real y efectiva la protección de derechos e intereses colectivos. En la mayoría de casos la utilización de dichos mecanismos procesales se circunscribía al ámbito civil y de lo contencioso administrativo, siendo ajenos

al derecho del trabajo. Sin embargo, desde el concepto y los elementos que se establecieron en la Ley 472 de 1998, es evidente que los perjuicios que se ocasionen a los trabajadores en virtud de la vinculación laboral en el sector público o privado pueden ser reclamados mediante acciones de grupo; por ello, la presente investigación se encarga de explicar los aspectos conceptuales y procesales para acudir a esta acción y, con base en el análisis de la jurisprudencia de la Sala Civil de la Corte Suprema de Justicia y del Consejo de Estado del período 2000-2011, presentar los diferentes casos en los que el ejercicio de la acción de grupo ha procedido para indemnizar los daños ocasionados a un número plural de trabajadores por la acción u omisión del Estado o de un particular, a fin de promover el conocimiento y, por supuesto, la utilización de este mecanismo procesal, que resulta expedito para la protección de los derechos laborales.

Monografia De Los Derechos Humanos Introduction

In the digital age, access to information has become easier than ever before. The ability to download Monografia De Los Derechos Humanos has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Monografia De Los Derechos Humanos has opened up a world of possibilities. Downloading Monografia De Los Derechos Humanos provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Monografia De Los Derechos Humanos has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider

audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Monografia De Los Derechos Humanos. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Monografia De Los Derechos Humanos. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Monografia De Los Derechos Humanos, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Monografia De Los Derechos Humanos has transformed the way we access information. With the convenience, cost-effectiveness, and

accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Monografía De Los Derechos Humanos Books

1. Where can I buy Monografía De Los Derechos Humanos books? **Bookstores:** Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. **Online Retailers:** Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2.
