Colonel Sanders and the American Dream Josh Ozersky,2012-04-04 The James Beard Award-winning food writer serves up “a quirky and rewarding exploration of a ‘very real time, place, product, and person’” (TriQuarterly). Among the most recognizable corporate icons, only one was ever a real person: Colonel Sanders of Kentucky Fried Chicken/KFC. From a 1930s roadside café in Corbin, Kentucky, Harland Sanders launched a fried chicken business that now circles the globe, serving “finger lickin’ good” chicken to more than twelve million people every day. But to get there, he had to give up control of his company and even his own image, becoming a mere symbol to people today who don’t know that Colonel Sanders was a very real human being. This book tells his story of a dirt-poor striver with unlimited ambition who personified the American Dream. Acclaimed cultural historian Josh Ozersky defines the American Dream as being able to transcend your roots and create yourself as you see fit. Harland Sanders did exactly that. At the age of sixty-five—after failed jobs and misfortune—he packed his car with a pressure cooker and his secret blend of eleven herbs and spices and began peddling the recipe for “Colonel Sanders’ Kentucky Fried Chicken” to small-town diners. Ozersky traces the rise of Kentucky Fried Chicken from this unlikely beginning, telling the dramatic story of Sanders’ self-transformation into “The Colonel,” his truculent relationship with KFC management as their often-disregarded goodwill ambassador, and his equally turbulent afterlife as the world’s most recognizable commercial icon. “Nobody finishing this book will look at their local KFC in the same way again.” —The National

The First Habit Lewis Schiff,2016-01-05 Can You Rewire Your Brain? Since 2005, Lewis Schiff has been researching the behaviors of America's most successful people--self-made millionaires who built businesses around what they do best. In Schiff's eyes, this is the new American Dream: do you and do well doing it! Expect the best return on your time, on your investment, on your talents. In The First Habit, Schiff, who has interviewed over 1,100 self-made millionaires, including many of the most famous entrepreneurs in the world, describes the attitudes you must master in order to realize this dream.

Walking Tall In Tough Times GREAT IGWE,2019-07-30 Out of nowhere, the storms of life hit us without warning. The loss of a loved one, a broken relationship, loss of a job and properties. A terrible accident, illness or the failure of a business. This is tough challenges that people all over the world are being confronted with daily in their respective life. We don't have the

power to choose what happens to us, neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day. But one thing we sure can do, and has the power to control is the way we respond to these challenges and how we fight through it. Life is like an ocean and every one of us are born sailors, sailing through this ocean. Everybody shall one day encounter a storm, be it the wealthy, the educated, the poor, the uneducated, the single or married, the sick or healthy. The storms of life is not a respecter of race, religion or country of birth but rather a respecter of courage, boldness, persistent, firmness of purpose and positive attitude. Walking tall in tough times, is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life. It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success. The principles and practical steps that are outlined in this book is not based on head knowledge, but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed. This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power. It will forge you to become uncomfortable with mediocrity and average existence. Buckle up as I take you through this journey of self-freedom and reawakening. Happy read.

The Cancer Conundrum Rick Hill, 2012-05-25 When Rick Hill, who was diagnosed at the MAyo Clinic with very aggressive embryonal cell carcinoma at a very young age, learned about a nutritional clinic in Tijuana, Mexico, that was treating terminally ill people, he journeyd south. Hill, a former stand-up comic readio talk-show host, takes you on a hilarious and poignant trip through helath food stores in the 1970s and his experiences at the Mayo Clinic. He recalls how he went from a greaser to a tree-hugger and food fanatic, but nothing compares with how he slipped through a rabbit hole, ended up in Mexico, and beat The Cancer Conundrum. Praise for The Cancer Conundrum Don't let the title of this book fool you, this is laugh-out-loud funny. It also has a life-giving message. Dr. Brent Allan, Scottsdale, AZ. Like my father before me, I have admired Rick's willingness to stay on his program and share with others his success. Dr. Francisco Contreras, Oasis of Hope, Tijuana, Baja BC www.OasisofHope.com Rick's style of humor and dedication to 'Resetting his life daily us an inspiration! Janyce Hustwit, Ph.D

The Culture Advantage Daniel Strode, 2022-08-03 Innovation is the key to making your business go the distance. Innovate or die they say. But where does innovation lie? The answer is in your people. Far from being the privilege of the unicorns of Silicon Valley, innovation isn't dependent on business model, structure or even budget. By harnessing your

people's power through a corporate culture of innovation, you unlock business opportunities that your competition won't have access to. The Culture Advantage is a blueprint to designing, implementing and sustaining a culture that will not only celebrate innovation, but will imbue it in everything your company, and its people, do. Culture evangelist, Daniel Strode, with the help of some of the world's historically most inspiring and innovative businesses like The Walt Disney Company and The LEGO Group, as well as newer companies like Art Blocks from the Web 3.0 and blockchain space, breaks down the innovation puzzle. Through evaluating your business model; daring to chip away at it; empowering your people through technologies; psychological safety and leadership; putting constraints onto their creative efforts; and hiring and collaborating with the right types of innovators, you'll discover how to enhance your adaptability and futureproof your business.

Life the Way You Design Sahil Kumar Nagpal,2021-02-15 This book is an amalgamation of modern sciences of physiology & psychology and ancient sciences of tantra & vedanta. It teaches the reader how he/she is practically in-charge of his/her life and how to technically take control of his/her life. The book covers 9 chapters with practices mentioned at the end of each chapter. The book explains in a practical & scientific way that just by understanding the functions of the mind, prana (energy) and body, one can take precise control of his/her life and become whatever he/she wants. No one has ever provided such a practical and scientific explanation of how life works.

The Resilient Leader Brian Molitor,2025-01-14 Discover how to be a resilient leader through vital strategies and keys for achieving success and peace-of-mind at home and work—even in times of adversity. Featuring insightful testimonies from key leaders—including CEO of TriStar Trust Bank Gene Pickelman and former Michigan State Senator Ken Horn. This book investigates not only what it means to be a leader, but what it means to be a resilient leader. This comes from understanding 2 important things: Developing skills to bounce back from adversity Learning from other successful leaders and what they have done to achieve their success From Fortune 500 corporations to the small coffee shop on the corner, to hospitals and religious organizations, leaders of all kinds will benefit from the lessons presented in this book. Author Brian Molitor, CEO of Molitor International, has distilled decades of his work into actionable guidance that is accessible and impactful. It also includes insightful testimonials from other leaders sharing their own experiences. It is common for “leadership” books to focus on techniques to inform, inspire, teach, train, and develop the talents of team members. This approach ignores the fact that leaders are only human, subject to the same stresses, problems, and storms as any other. Which is why the focus on self-care, personal wellness, and developing resilience is an important aspect of this book. Being a resilient leader can be learned and this book provides everything you will need to get started.

Find Your Destiny Moy Teo, 2020-05-08 Every human decides his own destiny. We cannot choose our birthplace but we definitely can decide our final destiny. Your background is not important but your daily thought, actions and attitude are. Begin with your end in mind by forming good daily habits, practice stoicism and seeking continuous improvement. Have the courage to fail in order to succeed by choosing a path that fulfill your deepest passion. Build your circle of positive social network and thrive on it to achieve your goal by mastering the skills in interpersonal relationship. Seek to achieve happiness by daily gratification and practicing mindfulness, always looking at the good of others and in your surroundings by living in the present moment. Learn to say No to things that are not important so that you can channel your energy and precious time to focus on things that really matter in your life. Always be self-reliant and assume responsibility to take ownership of your life and destiny. Imagine in your mind the big vision that others dare not dream of and stand by it till you achieve it. Success and happiness including financial freedom will be within reach if all the above can be performed.

Personal Brand Management Talaya Waller, 2020-04-15 This book is the definitive resource for understanding the phenomena and process of personal brand management as it becomes increasingly valued in a global economy. By providing a research-based, theoretical framework, the author distills the concept of personal branding as it is applicable to individuals throughout all stages of career development as well as across industries and disciplines. Extensively researched with numerous case studies, this book clearly outlines the strategic process of evaluating the economic value of a personal brand to manage and scale it accordingly. The author, an expert in the field of personal brand strategy and management, argues that a business is what a person or organization does, but the brand is what people expect from that person or organization. The two must align, and the book's conceptual framework explains the theory and practice behind personal branding to accomplish this synergism. The consequence of the digital age is unprecedented visibility for individuals and businesses. As they engage with one another in more and more virtual spaces, the need for understanding and managing the evolving complexity of this 'personal' engagement is an economic reality. For this reason, the framework in this title provides insight and perspective on all phases of a brand in its recursive life cycle both on and offline. By providing clarity and structure to the topic as well as practical theory for its application, this title is the ultimate primer on personal branding in theory and

practice.

Dream Awake Robert Harrie, 2022-01-12 It's been said it cost nothing to dream, that it's just a fallacy, a simple means to an end to escape the mundane routine of boredom, that it's just a quick fix to numb your senses from frustration and a cheap buzz to fill the void of a lack of passion. Allow me to spare you the suspense. There is no overnight success. The reality of any dream is only as real as you are! Through this book, it's my personal goal to help you open your mind to what is actually possible and to what is really worth living for, to teach you that it's not about finding a life but rather creating one through self-belief, discipline, and commitment, to show you that everything you lack in life and you believe that's the reason why you can't succeed is the only fallacy. I come from the same place you do, heartbreak, failures, setbacks, and plenty of rejections. We all have history. We all have a painful past. Believe me, I'm no different. I found my purpose that gives me fulfillment, and I want to share with you how I did it, and that there is no happily ever after without taking a chance. To dream awake is two-in-one. What I dream of, what I want only becomes real when I awake to who I truly am.
