**Shepherding a Child's Heart** Tedd Tripp, 2005-07-01 Shepherding a Child's Heart is about how to speak to the heart of your child. The things your child does and says flow from the heart. Luke 6:45 puts it this way: "...out of the overflow of the heart the mouth speaks." Written for parents with children of any age, this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life. In this revised edition of Shepherding a Child's Heart, Dr. Tedd Tripp not only draws on his thirty years experience as a pastor, counselor, school administrator, and father, but he also shares insights gained in many years of teaching this material in conferences worldwide, providing more valuable help for parents.

The Spirit of Sonship John Kingsley Alley, 2008-06-01 The spirit of sonship is an apostolic grace which brings about the spiritual maturity of the believer, the revival of apostolic Christianity, and ultimately, the maturity of the church in preparation for the coming of Christ. This important book reveals that the values and heart attitudes of what we may call the spirit of sonship is the very nature and essence of authentic apostolic New Testament Christianity. You will discover a fresh approach to understanding and walking in grace, through relationships. The subject is huge, and wonderful; the whole of the Scriptures and all of salvation history must now be seen in the light of sonship and its implications.

Praise Her in the Gates Nancy Wilson, 2000 For a Christian woman, motherhood is the subtle art of building a house in grace: The wise woman builds her house, but the foolish pulls it down with her hands (Prov. 14:1). Each day's work is significant, for it contributes toward the long-term plan. Each nail helps a house stand in a storm. But motherhood isn't a

simple formula. Building a home -- childbirth, education, discipline -- requires holy joy and a love of beauty. The mother who fears God does not fear the future.

**All of Grace (Religious Study)** Charles Spurgeon,2019-12-18 This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. All of Grace is a theological study by Charles Spurgeon who is known as the Prince of Preachers. Grace is the hallmark of Christianity which is often out of the focus of the Christian church. Spurgeon suggests that the grace is the central glue of faith, redemption, and repentance. He argues that through grace, repentance gets a meaning. A gospel centered study tells about the greatness of Jesus and the Lord's redemptive heart towards his own. Spurgeon deals with the sin that entangles us by showing us Jesus. He reminds us that the Lord knows very well that we can't change our heart, but he can, when we submit to him by faith in Jesus. And with faith comes repentance.

**Take Your Church's Pulse** Tim Koster, John Wagenveld, 2014-10-07 *Take Your Church's Pulse* presents ten vital signs of a healthy church—five key commitments and five key functions. It then introduces you to a church-health diagnostic tool you can apply to your setting. Thousands of pastors and leaders around the world have found this paradigm helpful in organizing the ministry and mission of the local church. This book and the free diagnostic tool it presents are most useful if accompanied by a healthy process of conversations. With such a process, led by the Spirit, this book can help you discern a preferred future for your community of faith. Koster and Wagenveld write: A healthy community of faith is rooted first of all in the character and nature of God. It understands its mission and purpose in the world and organizes its life and work to be faithful and effective in its context. None of these vital signs stands alone. It is a combination of factors that together make up a faithful and fruitful organism, the living Church of our Lord Jesus Christ. There is no magic in the number ten, but for the teaching purposes it has worked quite well in different cultural contexts in providing ideas and a language for discussing important issues in congregational life and mission. The intended audience for this book is any pastor, leader, or church member who is interested in having healthy conversations with others to strengthen the local church.

**God's Favorite House** Tommy Tenney,2003 If God were ever to get homesick for any of the houses of worship on earth, where would that be? What events at that location would provoke the eternal mind of God to label that house as His favorite-to forever memorialize it in His own memory? Man seeks God encounters at what he calls God's house, but God seeks man encounters at what He calls man's house. Remember the names? Moses' Tabernacle, David's Tabernacle, Solomon's Temple? God has searched the earth for intimate worship since the Garden of Eden. What would happen if the ancient patterns and old blueprints were rediscovered? What if the anointed practices were refreshed and restored? If we could rebuild that house, would He revisit? With the landscape littered with multi-million dollar steeples piercing God's atmosphere and stained windows coloring His sunshine, it would seem that the choice of His favorite house would be elaborate.
