*I Am Malala* Malala Yousafzai, Patricia McCormick, 2014-08-19 Written in collaboration with critically acclaimed NATIONAL BOOK AWARD finalist Patricia McCormick, Malala tells her story - from her childhood in the Swat Valley to the shooting, her recovery and new life in England. She's a girl who loves cricket, gossips with her best friends, and, on the day of the shooting, nearly overslept and missed an exam. A girl who saw women suddenly banned from public, schools blown up, the Taliban seize control, and her homeland descend into a state of fear and repression. This is the story of her life, and also of her passionate belief in every child's right to education, her determination to make that a reality throughout the world, and her hope to inspire others.

**Let Her Fly** Ziauddin Yousafzai, Louise Carpenter, 2018-11-08 In this intimate and extraordinary memoir, Ziauddin Yousafzai, the father of Malala, gives a moving account of fatherhood and his lifelong fight for equality - proving there are many faces of feminism. "Whenever anybody has asked me how Malala became who she is, I have often used the phrase. 'Ask me not what I did but what I did not do. I did not clip her wings'" For over twenty years, Ziauddin Yousafzai has been fighting for equality - first for Malala, his daughter - and then for all girls throughout the world living in patriarchal societies. Taught as a young boy in Pakistan to believe that he was inherently better than his sisters, Ziauddin rebelled against inequality at a young age. And when he had a daughter himself he vowed that Malala would have an education, something usually only

given to boys, and he founded a school that Malala could attend. Then in 2012, Malala was shot for standing up to the Taliban by continuing to go to her father's school, and Ziauddin almost lost the very person for whom his fight for equality began. *Let Her Fly* is Ziauddin's journey from a stammering boy growing up in a tiny village high in the mountains of Pakistan, through to being an activist for equality and the father of the youngest ever recipient of the Nobel Peace Prize, and now one of the most influential and inspiring young women on the planet. Told through intimate portraits of each of Ziauddin's closest relationships – as a son to a traditional father; as a father to Malala and her brothers, educated and growing up in the West; as a husband to a wife finally learning to read and write; as a brother to five sisters still living in the patriarchy – *Let Her Fly* looks at what it means to love, to have courage and fight for what is inherently right. Personal in its detail and universal in its themes, this landmark book shows why we must all keep fighting for the rights of girls and women everywhere.

*We Are Displaced* Malala Yousafzai, 2019-01-08 Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai turns the faceless statistics and endless news stories about displacement into real people—introducing a small fraction of the millions worldwide who have fled home in this powerful and stirring (New York Times) account. After her father was murdered, María escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement—first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere in the world except to the home she loved. In *We Are Displaced*, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys—girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's most prominent activists that every single one of the 68.5 million currently displaced is a person—often a young person—with hopes and dreams. A stirring and timely book. —New York Times
